MP3 and the Infinite Digital Jukebox Chris Gilbey,2000-06-06

With MP3 technology, the era of accessing the full range of the world's music and customizing it to individual taste has arrived.

Written by music industry insider and former computer programmer Chris Gilbey, *MP3 and the Infinite Digital Jukebox* shows how to take advantage of this revolution. The book offers clear and simple instructions on how and where to find all the necessary applications for getting instant musical gratification from the new online music devices on the market. Topics covered include information about all the music file types, how to play them, how to rip them, how to burn your own CDs, and how to send music to others. The book reviews all the latest software and hardware, but also shows how it's possible to avoid the expense and use existing resources.

Caution! Music & Video Downloading Russell Shaw,David

Mercer,2004-12-03 There's Safety in Knowledge. Are you informed? Everybody's doing it - downloading music and video from the Internet and sharing files. But you've always worried that such downloads might put your computer at risk, and wondered -

are they legal? Relax. This book shows you exactly how to safeguard your PC while enjoying music and video downloads from safe and legal sources. You'll get the facts, not the scare tactics, about online music services, virus dangers, spyware, identity theft, and other privacy concerns, with many tips to protect your computer and yourself. * Select download sites that are safe, legal, and sometimes free * Review major music downloading and file-sharing sites to choose the best service for your needs * Make informed decisions about direct downloads versus file sharing * Get the security track records of all the major file-sharing and direct-download sites * Understand the types of file-sharing attacks and know if you've been victimized * Examine the unique risks associated with network use * Take a look at privacy laws and learn how to protect yourself online * Learn why illegal downloads aren't worth the risk * Download media files safely to your cell phone, MP3 player, or PDA

Song Sheets to Software Elizabeth C. Axford, 2004 This second edition of *Song Sheets to Software* includes completely revised and updated listings of music software, instructional media, and music-related Internet Web sites of use to all musicians, whether hobbyist or professional.
