**Church Marketing Manual for the Digital Age** Bryan Foster, 2020-06-30 GOD is Jesus & Mahomad. God revealed to the author that now is the time to share and help explain this Revelation. It was initially revealed to author, Bryan Foster, in the early morning on 28th, May 2016 while camping on the plains of Mt Warning in Murwillumbah. This is the fifth book published in the 'GOD Today' Series. It highlights three Revelations from God that you will love or hate. Key concepts covered in this book's series of articles are: God/Allah is Jesus & Mahomad; the Truth was revealed by God through 21 Revelations received by the author in 2016 and November, 2018; the various Revelations not explained in the first four books are explained now; the prophecy of the author and Tears from God help prove the Incarnations of God as Jesus and Mahomad. God needs the religious leaders, scriptural scholars, theologians, etc., from both Islam and Christianity to explain these Revelations as each applies to them. Other religions should also be included through the offer to become an integral part of God's place in today's world by helping with the explanations, and the theology of One God only, the same God, for all time etc.. Book 4, primarily a photobook companion for Book 3, helps the reader appreciate the Truth from God through some spectacular and original images of the sun's rays, flares, clouds and a double rainbow. Many manifesting as sun arrows, flares and a giant Easter Cross. The author believes that these are shared by God to help both the author and readers alike believe in their

accuracy, through the Revelations, images and explanations. The final two books in this Series of seven are about LOVE in our world and ABSOLUTE LOVE from God for each one of us throughout history and into the future until the end of time. GOD LOVES each of us equally and encourages us all to live a life in strong relationships with God and our neighbours throughout the world past, present and future.

**Where'd You Go, Bernadette** Maria Semple, 2012-08-14 A misanthropic matriarch leaves her eccentric family in crisis when she mysteriously disappears in this whip-smart and divinely funny novel that inspired the movie starring Cate Blanchett (New York Times). Bernadette Fox is notorious. To her Microsoft-guru husband, she's a fearlessly opinionated partner; to fellow private-school mothers in Seattle, she's a disgrace; to design mavens, she's a revolutionary architect; and to 15-year-old Bee, she is her best friend and, simply, Mom. Then Bernadette vanishes. It all began when Bee aced her report card and claimed her promised reward: a family trip to Antarctica. But Bernadette's intensifying allergy to Seattle -- and people in general -- has made her so agoraphobic that a virtual assistant in India now runs her most basic errands. A trip to the end of the earth is problematic. To find her mother, Bee compiles email messages, official documents, and secret correspondence -- creating a compulsively readable and surprisingly touching novel about misplaced genius and a mother and daughter's role in an absurd world.
