*Good Man Gone* K T Bowes,2024-01-27 A dead man. A dusty photograph. And an inexperienced private detective in too deep. Lexi puts her job in jeopardy with a serious error of judgement. She thinks her boss already doubts her ability, so covers up her awful mistake. But she knows deep down it will come back to bite her. Seeking her brother's advice, Lexi visits his church. But when she finds his colleague's body in the trash behind the building, she knows everything is about to get worse. When not everyone believes the parish priest is innocent, Lexi vows to find the murderer herself and protect her brother's reputation before it's too late. The community says the dead priest was a good man, a good man gone too soon. But when her investigation links him to an old photograph, a missing woman, and a convicted murderer, the case overwhelms her with doubt. And someone is watching her. She's seen him in her street and outside her office. She knows he's following her and suspects he's the killer. Putting all she's learned into practice proves harder than Lexi thought, especially when she's a rookie and her own worst critic. Her inexperience could get her killed. And unlike her, the murderer knows what they're doing. Start reading this gripping suspense novel today.

**Second Chance** Dr Sandeep Jatwa,2020-12-16 He didn't know that his death could change his life. Second Chance is an emotional and thought-provoking tale of an arrogant businessman, Shekhar Kapoor. Shekhar is a kind of man you would never want to meet with. He respects no one in the whole wide world. He is selfish, insensitive and has no moral value. He is a billionaire but he does not know what life is. He has not been talking to his paralysed bedridden father for ten long years and he only has his father to call "a family". He ruins life of his business rival, Ashutosh Upadhyay, and never feels even a bit of regret. BUT something happens in his life that changes everything, something beyond his imagination. He gets a mysterious phone call and after that, an accident. He experiences a rare phenomenon he has never even thought of. What he experiences teaches him that the life he is living is not called a life. He realises that his life lacks the best and the most important ingredient. Does he find the ingredient that makes the life a delicious feast? Does he learn to laugh and to cry? Does his father get his son back? Read Shekhar's life-changing story, although fiction, might change something in your life. Story that will give you the essence of real meaning of life. Story of love, and life; story of father and son; story of living for others; story of change; story of karma and story of being a human. Grab your copy now.

**The House Share** Kate Helm, 2020-05-14 The Hunting Party meets Our House in this gripping, claustrophobic new locked-room thriller. When you're sharing a house with seven murder suspects, you can't lock the danger out . . . Immi think she has found the perfect new home in central London: a shared warehouse with luxury accommodation, a rooftop terrace and daily yoga, all with a surprisingly affordable price tag. The Dye Factory is a 'co-living' community, designed to combat the loneliness of big city life. But soon after she moves into her new haven, Immi realises that it's not quite as idyllic as it appears. No one seems to know who is behind this multi-million pound urban experiment. And her housemates may be hiding a dangerous secret. Then, as a series of pranks escalates into something much darker, Immi is left questioning whether, in this group of strangers, she can ever really be safe . . . -----

The Driving Instructor's Handbook John Miller, Margaret Stacey, 2015-09-03 Now in its 19th edition, The Driving Instructor's Handbook is widely recognized in the UK driver training industry as the authoritative reference guide for both trainee and qualified instructors and is listed by the Driver and Vehicle Standards Agency (DVSA) as recommend reading for the Approved Driving Instructor (ADI) exams. This best-selling text covers every aspect of the profession, from the role itself, to the characteristics needed to do the job effectively through the preparation for the three ADI exams (theory and hazard perception, driving ability and instructional ability). It also includes detailed guidance on issues such as licences, training, teaching and coaching skills and road traffic law. This latest edition now also covers practice questions for the ADI part 1 exam, detailed information on driver training, structuring the lesson, dealing with disabilities and impairments and continuing professional development (CPD). The Handbook is essential reading for anyone involved in the training of drivers and instructors at all levels, and will ensure that new drivers are better able to cope with the increasing demands made on them.
