Disney World Within Reach Lauralyn

Johnson, 2017-05-26 I fell in love with Disney World in 2013. Since then, I've made it my mission to go back to Disney as often as possible. Moms are my true passion and helping them get to Disney is my way of supporting them. I've travelled to Disney from my home in Kentucky over 24 times in 2 years, usually with my four kids (ages 7, 5, 3 and 8 months) in tow. It took some creativity to spend over 120 days at Disney on an income that is below the median. Let me help you get there! I hope you're ready to laugh and learn because that's what I'm about. The book is seriously helpful, but not overly serious. I've done all the math for you so you can concentrate on the strategy, not adding and subtracting. But I do show you how to do it, so if you're so inclined you can apply it to your own situation. This isn't information that you can glean from a casual search on Pinterest. I have been actively and passionately searching for money saving ideas for over four years. And I've added my own original money saving ideas (which I've never shared before). Plus, I've put it all together into a convenient, easy and fun to read package. Because I'm not about that dry-book reading life. Throughout the book, I have two fictitious families: The Smiths who are a family of four, doing Disney as inexpensively as possible

and the Robinsons who are a larger family, going all out, but doing it responsibly. We follow them through each strategy seeing how it effects their budget. Spoiler alert: both families save well over 50% by stacking certain strategies! Whether you're the Smiths or the Robinsons, or maybe you're the Johnsons (we fall somewhere in the middle), this book is going to change your vacation. And maybe your whole life.

**The Memory Maker** B. A. Foerster, 2021-12-08

Imagine eating a dish that contained the magical capacity to create a memory into a reality. This is what happened to Claudia after consuming Adrian's gourmet macaroni and cheese.

Unfortunately, the memory she created was something so vile and abhorrently disgusting, one wonders if the enjoyment of the delicious meal was worth the outcome. Claudia, recently having lost her family home in a fire, thinks her life is finally headed in a positive direction when she starts a new job at The Plentiful Pantry, a small, friendly takeout restaurant. It is here at the Pantry where she meets Adrian Jerry, chef

extraordinaire and owner of the establishment. Claudia's optimism is short-lived though when the memory that is triggered is that of a grotesque gurglio. Witness as she compulsively begins feeding leftovers to an ever-increasing number of gurglios that congregate each evening by the Pantry's greenhouse. Finally, Claudia admits to herself that this nightly feeding frenzy is out of control. Desperate, she contacts Julia Byerly to obtain poisonous oleander. In the meantime, she wrestles with the guilt that she is jeopardizing Adrian's well-being. How can she confess to Adrian, one of the kindest people she knows, that she has been luring the monsters by feeding them his leftovers? This third and final book of The Grotesque Gurglios Trilogy, *The Memory Maker*, reveals yet another overwhelming challenge in attempts to annihilate these creatures. Perhaps this time, the beasts will be gone for good!

*250 Tips and Tricks for Walt Disney World Resort* Joe Dodridge, 2018-01-02 OK, there are a lot of Disney World tips books, tips websites, friends

with tips, tips magazine articles, and tips blogs articles. So why another Disney World tip book? The problem with Disney World tips books is that they aren't full of that many tips. Some of the tips books are one tip per page, with lots of explanation about why that tip is great. Some books are full of stories about why they decided to share certain tips. Some tips books are just about dining; some are about money; and some are about taking kids. And, some tips are found in the midst of an 800-page guide book. Ouch! This book is all about tips - 250 of them! There's no philosophy of tips, no long stories about how magical a tip made my vacation, and never just one tip per page. If you want tips, then this is your book. It's only 45 pages, but it is full of tips. There are tips about each park, tips about dining, tips about where you can take a nap in each park (for real!), tips about getting around Disney World, and tips about which attractions might be too scary for your kids. If you want a guide book to Disney World, then check out our book, A Short and Sweet Introduction to Walt Disney World Resort (shameless plug). If you want a seemingly nonstop list of tip after tip, then this is the book you want to read! \*\*\*\*\* Excerpts from 250 Tips and Tricks for Walt Disney World Resort

MAGIC KINGDOM: When leaving the park from Adventureland, cut across in front of the Crystal Palace Restaurant instead of following the sidewalk directly to Main St. EPCOT: Is it raining? Duck into the interactive parts of most Future World rides, the shops in the countries of World Showcase, The American Adventure show, or

any of the country movies (Canada, France, and China). HOLLYWOOD STUDIOS: Fantasmic! can be too scary for children. However, if your kids make it to the end of Fantasmic!, then the show ends with a boat that is full of Disney characters. ANIMAL KINGDOM: Flame Tree Barbecue offers one of the biggest meals that's part of the Quick Service Dining Plan. It's a meal you can likely share, which will save one of your meal credits! TICKETS: If you purchase Park Hopper, keep in mind that Magic Kingdom is often open later than other parks and you might be able to accomplish as much with one full day and some added evenings at Magic Kingdom as you would if you dedicated two full days to Magic Kingdom. HOTELS: If you have a refillable mug from your Disney resort, you can refill it in any Disney resort. DINING: If you aren't using a dining plan, you can usually order off the children's menu regardless of your age. This is especially true in quick service restaurants. You need to ask your server in table service restaurants. GETTING AROUND WHILE THERE: Fort Wilderness Resort is massive. If you are visiting there from another resort, know that it has its own bus system and it might take you awhile to get to your destination within the resort after you arrive. ATTRACTIONS THAT MIGHT BE TOO SCARY: Pirates of the Caribbean - this ride is fairly dark, you ride through a storm, and you ride through a ship battle scene GOOD PLACES TO TAKE A REST OR NAP: Magic Kingdom - The Hall of Presidents \*\*There are more tips in each of those sections, plus the following sections: Water Parks \* Disney Springs \* Golf and Miniature Golf \* My

### **The Unofficial Guide to Walt Disney World 2020**

Bob Sehlinger, Len Testa, 2019-08-13 The Unofficial Guide to Walt Disney World 2020 is the best source of in-depth reviews, ratings, and details of every aspect of Walt Disney World. From hotels and resorts to dining, rides, and venues, this book has it all in one place.

A Portrait of Walt Disney World Kevin Kern, Tim O'Day, Steven Vagnini, 2021-09-28 This expansive, must-have coffee table book paints a robust portrait of the Walt Disney World Resort, across half a century, through diverse and vibrant voices and mostly unseen Disney theme park concept art and photographs. Walt Disney's vision for the Florida Project begins with Disneyland and the 1964-1965 New York World's Fair. After an imaginative and expansive design, a unique land acquisition process, and an innovative construction period, the Walt Disney World Resort celebrated its Grand Opening in October 1971. It featured a theme park dubbed the Magic Kingdom and three recreational resorts: Disney's Contemporary Resort, Disney's Polynesian Village, and Disney's Fort Wilderness Resort & Campground. As Walt Disney World consistently grew and further evolved through the five decades that followed, certain themes reverberated: an appreciation for nostalgia, a joy for fantasy, a hunger for discovery, and an unending hope for a better tomorrow. Inspirational and memorable theme parks,

water parks, sports arenas, recreational water sports, world-class golf courses, vast shopping villages, and a transportation network unlike any other in the world resulted in fun, festive, and familiar characters, traditions, spectacles, merchandise, and so much more. The resort has come to represent the pulse of American leisure and has served as a backdrop for life's milestones both big and small, public and private. Walt Disney World: A Portrait of the First Half Century serves as a treasure trove for vacationers, students of hospitality, artists, and all Disney collectors. **Behind the Ride** David Mumpower, 2019-08 Behind the Pixie Dust Curtain Every Disney attraction comes with a story, and every story involves a few tricks of the trade that only Imagineers know. Here's your chance to peek behind the curtain and learn some of the secrets about thirty of the most popular Disney theme park rides. David Mumpower takes you behind-the-scenes at Disneyland and Walt Disney World to reveal the inner workings of your favorite attractions. He'll explain why Walt Disney chose many of these rides, and he'll describe the challenges that Imagineers faced in doing the impossible by bringing them to life. Mumpower begins with the story of how a Russian

monarch's love of sledding indirectly led to the invention of the modern roller coaster. Then, he details the physical and thematic obstacles that Imagineers overcame to build iconic attractions like Pirates of the Caribbean, Space Mountain, and Mr. Toad's Wild Ride. Of course, some of the best Disney rides are more recent. Mumpower also examines the difficulties in developing cutting-edge attractions like Avatar Flight of Passage, Radiator Springs Racers, and Slinky Dog Dash. Mumpower covers opening day rides still in operation today as well as some of the most recent additions to the vaunted Disney theme park lineup. He discusses all of these ride experiences plus the tricks that make them possible--and magical. If you've ever gotten off a Disney ride and wondered how they did it, or if you're the type of fan who'd rather examine an attraction than experience it, or maybe you'd like to be an Imagineer yourself someday, this is the book you've been waiting for.

*The Disney Decision* Ty The Hunter, 2019-12-31 - I normally write children's books, but this is not a children's book. It's about Disney, but it touches on adult topics such as vagrancy, pan handling, alcohol, and other legal substances. -These pages contain a summary of what I believe to be the considerations that will help you decide on your best Disney vacation spot. It is not meant to be an in-depth read. I skim a lot of topics, and do provide blog posts for many of them, should you want to dig into further detail. Once you have decided on your perfect destination, I highly recommend grabbing a book specific to that

location. My favorites are The Unofficial Guide to Walt Disney World and The Unofficial Guide to Disneyland. Both are updated yearly and provide a wealth of specific resort information.\*\*\*You've made the decision to go to Disney, awesome! Have you automatically decided you're going to Disney World in Florida, or are you thinking about the other Disney? You know, Disneyland, the one in California. In this book, we're going to go over the things we think you need to consider before you make the California/Florida decision: - Vacation Time Available - Flights And Parking - Getting To Your Hotel- Transportation At The Parks - Hotels And On-site Perks - Renting DVC Points - Park Tickets - Fast Passes - The Rides- The Weather - Kids - Naps/Pool/Breaks - Characters And Photo Ops - Shows- Food - Imbibing - Dining Plans - Disney Springs And Downtown Disney - Themed Areas - Nearby Theme Parks - Disney Tours - The Disney Bubble We've been to both resorts multiple times. We've gone with friends, family, and even alone. We've done tons of tours, from a day with a VIP guide, to Toy Story Early Morning Magic, and so much more. We've used the dining plan, and gone without it. We've stayed on site, offsite, and rented points from DVC owners. We've used Disney Magical Express, and we've ride shared all over the place. We've spent time in nearby theme parks when we want a bigger thrill, and we've hung out at the pools when we wanted downtime. We're packing all of our Disney experience into this little book, with directions to read our individual posts on our website for more detail on the topics you want to dig in to.

We hope it helps you pick the best destination for YOUR perfect Disney vacation. Let's get started!
