

My Face On A Person Dancing

B. Gottschild

The Dancing Face Mike Phillips, 1997

The Art and Practice of Musical Theatre Choreography Cassie

Abate, 2022-07-28 What does a musical theatre choreographer actually do? They just 'make up the steps', right? This book firstly debunks the misunderstandings around what musical theatre choreographers actually do, demonstrating their need to have an in-depth understanding of storytelling, music theory, performance practices and plot structure in order to create movement that enhances and enlivens the musical. Secondly, it equips the musical theatre choreographer with all the tools needed to create nuanced, informed and inspired movement for productions, through structured activities that build specific skills (such as 'notating the script' and 'scoring the score'). Traditionally, this training has been something of a series of secrets, passed from mentor to apprentice. The author demystifies the process to make the previously undisclosed "tricks of the trade" accessible to all choreographers, everywhere. Covering the entire process of choreographing a musical from the first script reading to the final curtain call, this book makes case for the absolute integrity of the choreographer to any musical theatre production and sets out the theoretical principles of choreography alongside the practical application during every step of the production process.

The Black Dancing Body B. Gottschild, 2016-04-30 What is the essence of black dance in America? To answer that question, Brenda Dixon Gottschild maps an unorthodox 'geography', the geography of the black dancing body, to show the central place black dance has in American culture. From the feet to the butt, to hair to skin/face, and beyond to the soul/spirit, Brenda Dixon Gottschild talks to some of the greatest choreographers of our day including Garth Fagan, Francesca Harper, Meredith Monk, Brenda Buffalino, Doug Elkins, Ralph Lemon, Fernando Bujones, Bill T. Jones, Trisha Brown, Jawole Zollar, Bebe Miller, Sean Curran and Shelly Washington to look at the evolution of black dance and its importance to American culture. This is a groundbreaking

piece of work by one of the foremost African-American dance critics of our day.

Dancing for Degas Kathryn Wagner,2010-03-16 In the City of Lights, at the dawn of a new age, begins an unforgettable story of great love, great art—and the most painful choices of the heart. With this fresh and vibrantly imagined portrait of the Impressionist artist Edgar Degas, readers are transported through the eyes of a young Parisian ballerina to an era of light and movement. An ambitious and enterprising farm girl, Alexandrie joins the prestigious Paris Opera ballet with hopes of securing not only her place in society but her family's financial future. Her plan is soon derailed, however, when she falls in love with the enigmatic artist whose paintings of the offstage lives of the ballerinas scandalized society and revolutionized the art world. As Alexandrie is drawn deeper into Degas's art and Paris's secrets, will she risk everything for her dreams of love and of becoming the ballet's star dancer?

The Great Platypus Caper & Other Hilarious Misadventures: an unreliable autobiography Jeff Hillary,2015-01-20 THE GREAT PLATYPUS CAPER & OTHER HILARIOUS MISADVENTURES is a collection of short autobiographical stories that are often humorous, occasionally thought-provoking, and at times uplifting. It is filled with tales of situations spiraling wildly out of control, but at the end holds a message of hope for anyone who ever considered themselves an outcast or misfit. You'll laugh, you'll cry, and hopefully you'll buy copies for everyone you know.

Dancing and Disaster Charlotte E. English,2022-02-22 Rumour's got a lot to say for itself, and the message is clear: the regulator's ready. You know. The magickal regulator. The bright and shiny thing with which we, Team Improbable, propose to restore magick to a fading Britain. Somebody's got to test it, and that somebody is us. Which means wading into the depths of a long-dead realm that nobody's entered in centuries. And I may have had some practice at that, but this time it's different. This time, somebody's still home. And they really aren't happy about trespassers. Looks like disaster's on the agenda. Again. Not to worry, though. Where there's life, there's hope. And... dancing. Ves and Jay return in a fresh bout of magickal madness! Grab your dancing shoes and hang onto your hat. It's going to be wild.

Dancing Female Sharon E. Friedler,Susan B. Glazer,2014-04-08 How do women set up institutions? How has higher education helped or hindered women in the world of dance? These are some of the questions addressed through interviews and researched by the educators and dancers Sharon E. Friedler and Susan B. Glazer in *Dancing Female*. In dealing with some of the tensions, joys, frustrations, and fears women experience at various points of their creative lives, the contributors strike a balance between a theoretical sense of feminism and its practice in reality. This book presents answers to basic questions about women, power, and action. Why do women choreographers choose to create the dances they do in the manner they do? How do women in dance work independently and organizationally?

If I had known an illegal drone race would lead to murder, kidnapping, and lies, then I might have thought better about the giant prize of credits, and the dream of walking again. To make matters worse... my boss was one of them, and I couldn't decide if he was trying to save my life, or the reason I was in trouble to begin with.

Montyne's Inferno L. Sudbury,2009-01-15 THE BOOK THAT READS LIKE A MOTION PICTURE ...a painting can forever speak, long after its creator is gone. ...art makes us immortal... Montyne's Inferno Las Vegas architect Taylor Blackmore is forced to pursue justice against Jack Jackson, the man who caused the death of his father, the world-renowned artist Montyne, and the destruction of Taylor's architectural business. Jackson's ruthless goal is to unlock the secret of the lost gold in the fabled Black Limousine, while orchestrating the downfall of the famous Washington Five family by playing on the ambitions of the youngest, undiscovered Washington daughter, LaTina. As Taylor navigates the treacherous shoals of a love affair that began innocently, on his part, with the wife of Nick The Fixer Waters, he must use all his ingenuity-and a great deal of money-to bring down the wicked Jackson. In a quid pro quo with the The Las Vegas Real-Journal newspaper, Taylor furnishes a photograph of The Fixer that sets off fireworks in the University of Las Vegas basketball department, the shock waves of which are still being felt. Now Taylor must lure another vicious player obsessed with the desire to possess the gold-the devious Hunter-out of hiding. To do this, Taylor relies on the skills of his lifelong friends, eccentric antiquarian Adam Zurich and former investigator and bodyguard Lou Kane. Taylor's newfound love for Tremeel Jones, the reporter/anchorwoman who plays a central part in the destruction of Taylor's enemies, gives him hope for the future. Inspired by true events, Montyne's Inferno soars to dizzying heights and unimaginable depths in its path to true justice. You won't believe what you are about to read.

Out of Order, Out of Sight Adrian Piper,1996 Adrian Piper joins the ranks of writer-artists who have provided much of the basic and most reliable literature on modern and contemporary art. Out of Order, Out of Sight is an artistic and intellectual autobiography and an (occasionally scathing) commentary on mainstream art, art criticism, and American culture of the last twenty-five years. Piper is an internationally recognized conceptual artist and the only African American in the early conceptual art movement of the 1960s. The writings in Out of Order, Out of Sight trace the development of her thinking about her artwork and the art world, and her evolving awareness of herself as a creative, racial, and gendered subject situated in an often limiting and always absurd cultural and social context.
