**Mira Manek**

Main Street Mindy Thompson Fullilove, 2020-09-08 Mindy Thompson Fullilove traverses the central thoroughfares of our cities to uncover the ways they bring together our communities. After an 11-year study of Main Streets in 178 cities and 14 countries, Fullilove discovered the power of city centers to “help us name and solve our problems.” In an era of compounding crises including racial injustice, climate change, and COVID-19, the ability to rely on the power of community is more important than ever. However, Fullilove describes how a pattern of disinvestment in inner-city neighborhoods has left Main Streets across the U.S. in disrepair, weakening our cities and leaving us vulnerable to catastrophe. In the face of urban renewal programs built in response to a supposed lack of “personal responsibility,” Fullilove offers “a different story, that of a series of forced displacements that had devastating effects on inner-city communities. Through that lens, we can appreciate the strength of segregated communities that managed to temper the ravages of racism through the Jim Crow era, and build political power and many kinds of wealth. . . . Only a very well-integrated, powerful community—one with deep spiritual principles—could have accomplished such a feat.” This is the power she hopes we will find again. Throughout *Main Street*, readers glimpse strong, vibrant communities who have conquered a variety of disasters, from the near loss of a beloved local business to the devastation of a hurricane. Using case studies to illustrate her findings, Fullilove turns our eyes to the cracks in city centers, the parts of the city that tend to be avoided or ignored. Providing a framework for those who wish to see their communities revitalized, Fullilove’s *Main Street* encourages us all to look both inward and outward to find the assets that already exist to create meaningful change.

*The Rice Mother* Rani Manicka, 2004-07-27 At the age of fourteen, Lakshmi leaves behind her childhood among the mango trees of Ceylon for married life across the ocean in Malaysia, and soon finds herself struggling to raise a family in a country that is, by turns, unyielding and amazing, brutal and beautiful. Giving birth to a child every year until she is nineteen, Lakshmi becomes a formidable matriarch, determined to secure a better life for her daughters and sons. From the Japanese occupation during World War II to the torture of watching some of her children succumb to life’s most terrible temptations, she rises to face every new challenge with almost mythic strength. Dreamy and lyrical, told in the alternating voices of the men and women of this amazing family, *The Rice Mother* gorgeously evokes a world where small pleasures offset unimaginable horrors, where ghosts and gods walk hand in hand. It marks the triumphant debut of a writer whose wisdom and soaring prose will touch readers, especially women, the world over.

**Temple Tracks** Vineeta Sinha, 2023-08-11 The notions of labour, mobility and piety have a complex and intertwined relationship. Using ethnographic methods and a historical perspective, *Temple Tracks* critically outlines the interlink of railway construction in colonial and post-colonial Asia, as well as the anthropology of infrastructure and transnational mobilities with religion. In Malaysia and Singapore, evidence of religion-making and railway-building from a colonial past is visible in multiple modes and media as memories, recollections and ‘traces’.

City of Gods R. Scott Hanson, 2016-07-01 This study of a New York neighborhood’s remarkable religious diversity “deserves a place alongside Robert Orsi’s *The Madonna of 115th Street*” (Publishers Weekly, starred review). Known locally as the “birthplace of American religious freedom,” Flushing, Queens, in New York City is now so diverse and densely populated that it’s become a microcosm of world religions. *City of Gods* explores the history of Flushing from the colonial period to the aftermath of September 11, 2001, spanning the origins of the settlement called Vlissingen and early struggles between Quakers, Dutch authorities, Anglicans, African Americans,

Catholics, and Jews to the consolidation of New York City in 1898, two World's Fairs, and, finally, the Immigration Act of 1965 and the arrival of Hindus, Sikhs, Muslims, Buddhists, and Asian and Latino Christians. A synthesis of archival sources, oral history, and ethnography, *City of Gods* is a thought-provoking study of religious pluralism. Using Flushing as the backdrop to examine America's contemporary religious diversity and what it means for the future of the United States, R. Scott Hanson explores both the possibilities and limits of pluralism. Hanson argues that the absence of widespread religious violence in a neighborhood with such densely concentrated diversity suggests that there is no limit to how much pluralism a pluralist society can stand. The book is set against two interrelated questions: how and where have the different religious and ethnic groups in Flushing associated with others across boundaries over time, and when has conflict or cooperation arisen? Perhaps the most extreme example of religious and ethnic pluralism in the world, Flushing is an ideal place to explore how America's long experiment with religious freedom and pluralism began and continues. *City of Gods* reaches far beyond Flushing to all communities coming to terms with immigration, religion, and ethnic relations, raising the question of whether Flushing will come together in new and lasting ways to build bridges of dialogue or further fragment into a Tower of Babel. "A delightful journey through American religious history and into the future, as witnessed in the streets of what the author says is the most religiously diverse community anywhere." —America

**WRAPPED UP FEELINGS** Nandini Shrivastava, 2020-10-06 *Wrapped Up Feelings* is an anthology of poems, open letters, fictions and quotes; that connect the readers with the feelings and perceptions of the writers. **Faith and Frenzy** K. L. Chowdhury, 2013-06-11 *Faith & Frenzy* is a collection of short stories that brings to the reader the intimate details of forgotten Kashmiris of all hues, caught in the quagmire of terror and murky politics. Their stories have remained untold, submerged as they remain under layers of shady rhetoric and politics of deceit. Most, but not all, stories take place in a background of escalating militancy that brought terror, insecurity and mayhem into the lives of people and dealt a deathblow to the tradition of amity, tolerance and peaceful living that had defined Kashmiri life over significant periods of history. A unique feature of many of these stories is that they are discovered and revealed through the lens of a doctor who is also a keen observer of a society in flux. The author himself is the narrator of the stories. More importantly, he is also involved as one of the key participants in most of them. His initial contact with the main characters often begins in his role as a physician. He receives them as patients and, while providing his professional services, he finds himself entwined into the intricacies, uncertainties and struggles of their lives. The stories peep deep into their lives, and probe

inside their souls. Above all, these are stories of the universal human circumstance.

Diaspora of the Gods Joanne Punzo Waghorne, 2004-09-16 Many Hindus today are urban middle-class people with many religious values in common with their professional counterparts in America or Europe. Just as so many modern professionals continue to build new churches, synagogues, and mosques, contemporary Hindus attend to the construction and maintenance of their religious institutions wherever their work and life takes them. In *Diaspora of the Gods*, Joanne Punzo Waghorne traces the changing religious sensibilities of the Hindu middle class. Waghorne leads her readers on a journey through the world of the new Hindu middle-class, focusing on their efforts to build and support places of worship. She invites the reader into the neighborhoods of Chennai to view often-innovative new and renovated temples constructed in a sometimes seemingly incongruous urban environment. Her journey, however, does not end there. The cousins and brothers--literal and figurative--of temple patrons and devotees in Chennai are constructing divine houses abroad that are remaking the religious panorama of the United Kingdom and the United States. Waghorne leads us into the London neighborhood of Tooting, climbing upstairs in a former warehouse to see a Goddess temple constructed from plywood painted in trompe l'oeuil to create all of the features of a proper temple. Elsewhere in London, we meet the God Murugan in an almost hidden temple immured within the stone shell of a former Church and another Goddess whose temple is tucked inside a lovely white church on a quiet street. In Washington, a multiplicity of Gods shares a glorious white temple in an otherwise ordinary suburban neighborhood. Waghorne offers detailed comparisons of these temples, and interviews temple priests, devotees, and patrons. In the process, she illuminates the interrelationships between ritual worship and religious edifices, the rise of the modern world economy, and the ascendancy of the great middle class. This is the first comprehensive portrait of Hinduism as lived today by so many both in India and throughout the world.

Jasmine Darshan, 2017-02-09 The book handles variety of themes. The most remarkable thing about the themes is that they are quite new, and they make the readers feel that they are connected to their lives. The ideas are put in such way that it makes the reader feel that whatever happens in the lives of the characters resemble somewhere to his life. Most of the stories are tragic in nature and on reading the tragedies of the characters, the readers are bound to be moved. The book provides new reading experience to the readers. Emotions dealt with are so powerful that they compel the reader to read the book from the beginning till the end. Some stories carry suspense and to understand it, the reader has to wait till the end of the stories. Unexpected happenings, games of destiny, human errors committed unknowingly, failure and final demolition of the characters, and sudden rise in the lives of the characters attract the readers towards the book. The stories are so novel that every reader who has a feel for reading and whose favorite genre is short stories would read this book without fail.

**Prajna** Mira Manek, 2019-09-05 'Each page solidifies my commitment to living a life of ritual, observance and beauty' Kathryn Budig 'Mira's book is a timely reminder to love yourself - to give yourself that much needed moment to stop and breathe' Asma Khan Beautifully simple age-old rituals for modern-day living that will enhance your wellbeing and bring you happiness. Prajna is the Sanskrit word for wisdom, and this book brings the ancient wisdom of Ayurveda into your life by guiding you through simple practices for every day and every occasion. Ayurveda is one of the world's oldest healing systems, rooted in the principle of a mind-body-spirit connection that is more relevant than ever to our busy modern lives. This book extracts the essence of this Indian philosophy and provides a wealth of timeless rituals to effect positive change. Prajna offers rituals and routines for the entire day, from the moment you wake up and

need the energy and positive mindset to help you start the morning, to night-time practices that allow you to wind down, relax and get the most benefit from the healing power of sleep. In between there are numerous breathing exercises, mindfulness techniques, yoga stretches and simple recipes to enjoy, all to help you destress and reset, bringing you back to yourself and to lasting peace and happiness.

**White Man in Dark** Dr. Rumana Makhdoomi, 2013-12 When turmoil broke in Kashmir in 1989 so much happened there- an explosive uprising, rule of gun on the streets, exodus of Kashmiri Pandits and conversion of Kashmir into a 'beautiful prison'. 'Whiteman in dark' is a memoir of a female doctor trained in Kashmir during the peak years of turmoil. The pain of spine-breaking crackdowns, unending curfews, violent protests and prolonged sieges is described in the setting of 'Downtown' Srinagar adjoining the area of Kohimaran where Muslims, Hindus, and Sikhs would converge and bow together. Besides an in-depth account of the effect of turmoil on the lives of medical students, medical education and healthcare the memoir describes how doctors were 'churned out in adverse circumstances'. After militancy was curbed, the lull and calmness seen as signs of peace returning- was a temporary fatigue, with people flooding the streets again in 2008, 2009 and 2010. This time the weapon was a 'stone' and not a gun. Same story happened, ...Curfew returned, disorder prevailed and Kashmiri again was the target. Today became another yesterday. The memoir is meant to touch the heartstrings of all sensitive beings who believe in peace. It is first memoir by a Kashmiri female and first one by a doctor.

**Born Confused** Tanuja Desai Hidier, 2003 Dimple's parents are from India and she's spent her whole life resisting their traditions. When her parents arrange for her to meet a suitable boy, Dimple is sure she's hit rock bottom--until she finds herself liking him.

**Faaltugiri and other flashbacks** Multiple, 2019-07-20 A long, long time ago, much before Hindi films were called Bollywood and Bombay was called Mumbai, before cellphones and Internet- there were kids who had no gadgets and were left most to their own devices. What was the world like for children in the '80s? Full of faaltugiri for sure! Traverse a bustling gully in Dadar with a Mumbaii mulgi and witness her worthless attempts at cutting-edge socio-scientific experiments like collecting soap choora, pencil shavings, talcum powder, mastering the Bambaia language and her dreams of becoming a heroine.

**The Illustrated Weekly of India**, 1958

Coincidence Or Destiny? Phil Cousineau, 2002-08-01 Why coincidences happen and what they mean has long been an object of fascination. Here, Cousineau collects episodes of chance that defy explanation from the lives of real people. The author shows that recognizing synchronicity creates a deeper appreciation for the bonds that connect our lives.

**Metamorphosis** Dr. Shital Vinay Patil, 2014-08-07 The experiences and hardships the author encountered in life as a student and thereafter lead her to write this book. Living life is a burden for some, turmoil for others, happiness for a few and enjoyment for some. People usually get stuck in life after some unpleasant incidence and are unable to move ahead in their lives. Living a happy, content and satisfied life is an art, very few people have mastered. The more and more people become experts in this aspect, the more peace will prevail in the world and we would not have to distinguish between heaven and hell. Each human being has the capacity to create their heaven on earth for themselves. The day we realise our own potential, we would be magicians of our lives. The protagonist of the book METAMORPHOSIS Dr. Shalinii is fighting a lone battle in adverse conditions to create a nonexistent world. The memories of her dear husband, whom she loves a lot, and her medical life haunt her and at the same time give her strength to deal with the challenges she faces. Will she win the battle of her own life?

**Dust on My Shoes, Sun in My Eyes** Becky Czapinski, Thinking about traveling to India as a solo female? This book offers insight and tips as well as an honest narrative about the author's experiences -- awe inspiring and dreadful.

**Moryaa Re!** Mark Manuel (Journalist),2017-10-17

*How Maya Got Fierce* Sona Charaipotra,2022-07-12 In *How Maya Got Fierce* by Sona Charaipotra, The Bold Type meets Younger when a teen who gets her dream job at a fashion magazine, despite being only seventeen. Maya dreams of working in magazines. But as the daughter of garlic farmers, her path is set: it's off to Cow Camp instead. But when she ends up in the New York City area and realizes her cousin's girlfriend works at Maya's favorite magazine - Fierce - an opportunity falls in her lap to intern. It's her dream job, and she can't pass it up, even if means disappointing her family and lying to her parents. The only problem? Maya hasn't accepted an internship. She's accepted a full time job, as a staff writer, and everyone at Fierce thinks she's 26. Maya is so close to making her dreams come true, even if the glam life at Fierce isn't quite as shiny and fun as she hoped. But when she suggests the perfect candidate for a big story—and manages to get the scoop—all eyes are on her. How long can she keep her real age from her boss—and her real life from her parents?

*Women in Ochre Robes* Meena Khandelwal,2012-02-01 Meena Khandelwal offers an engaging and intimate portrait of extraordinary Hindu women in India who wear ochre robes, signifying their renunciation of marriage and family for lives of celibacy, asceticism, and spiritual discipline. While the largely male Hindu ascetic tradition of sannyasa renders its initiates ritually dead to their previous identities, the women portrayed here are very much alive. They struggle with, and joke about, the tensions and ironies of living in the world while trying not to be of it. Khandelwal juxtaposes the common refrain that in renunciation there is no male and female with arguments that underscore the importance of gender. In exploring these apparent contradictions, she brings together worldly and otherworldly values within renunciation and argues that these create tensions that are at once emotional, social, and philosophical.

Whispering the Strategies of Language: An Mental Quest through **My Ganesha Mandir For Windows**

In a digitally-driven earth where monitors reign great and quick conversation drowns out the subtleties of language, the profound techniques and mental subtleties hidden within words usually get unheard. However, situated within the pages of **My Ganesha Mandir For Windows** a captivating literary prize sporting with fresh emotions, lies an extraordinary quest waiting to be undertaken. Composed by a skilled wordsmith, that marvelous opus attracts viewers on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within the cloth of every word. Within the mental depths with this moving review, we shall embark upon a genuine exploration of the book is key subjects, dissect its interesting publishing type, and yield to the effective resonance it evokes strong within the recesses of readers hearts.
