Holy Quran Maulana Muhammad Ali, 2011-05-02 The Holy Qur'an EBook version English Translation and Commentary - Detailed commentary with extensive references to standard authorities, both classical and modern - Comprehensive introduction deals with Islamic teachings and the collection and arrangement of the Holy Qur'an - Extensive Index Reviews There is no other translation or commentary of the Holy Qur'an in the English Language to compete with Maulvi Muhammad Ali's Masterpiece. -- Al-Haj Hafiz Ghulam Sarwar, translator of the Holy Qur'an To deny the excellence of Maulvi Muhammad Ali's translation, the influence for good it has exercised and its proselytizing utility would be to deny the existence of the light of the sun. -- Maulana Abdul Majid Daryabadi, leader of Orthodox Muslim opinion in India) ...has all the merits of what is desired in a translation. -- The Anjuman Himayat-e-Islam, Lahore, Pakistan ...By far the best text currently available in the English language...incontestably one of the finest interpretations of the sacred scripture of Islam. I have no hesitation whatsoever in recommending this translation to students and others seeking to understand the essence and epitome of the Quranic message. -- Prof. T. Hargery, Director, African Studies, Northeast Missouri State University, Kirksville ...an austere faithful translation in English...based on a close study of commentaries of the Qur'an - the work of my learned name-sake Maulvi Muhammad Ali of Lahore...The translation and the notes...all demonstrate the labour of love and devoted zeal. -- Late Maulana Muhammad Ali Jauhar of The Comrade It is certainly a work of which any scholar might legitimately be proud. -- The Quest, London

Religion, Migration, and Existential Wellbeing Moa Kindström Dahlin, Oscar L. Larsson, Anneli Winell, 2020-09-27 This book uses the very latest research to examine current interactions between religion, migration and existential wellbeing. In particular, it demonstrates the role of religion and religious organizations in the social, medical and existential wellbeing of immigrants within their host societies. By focusing on the role and politics of religion and religious organisations as well as the religious identity and faith of individuals, it highlights the connection between existential wellbeing, integration and social cohesion. The book brings together researchers from various disciplines taking on the challenge to elaborate on the theme of this book from different perspectives, using different methods and theories with a wide selection of cases from various parts of the world. The value of multidisciplinary research on the role of religion in a globalised society - locally, nationally and internationally - is important for understanding the composition and potential solutions to social and political problems. Religious aspects and organisations are present in legal, political and social forms of governance and form the basis for future research on e.g. secularisation, democracy, minorities, human rights, welfare, healthcare and identity formation. These and other related topics are discussed in this book. This book is an up-to-date and multifaceted study of how religion engages with the mass movement of peoples. As such, it will be of great interest to any scholar of Religious Studies, Migrant Studies, Sociology of Religion, Religion and Politics, as well as Legal Studies with a human right focus.

Finding Grace Monet Hall, 2016-12-05 Finding Grace is a play-by-play account of a young woman's journey to a correct diagnosis. On the cusp of twenty, Grace is beginning to believe that the disoriented fragments of her life are finally coming together, until an unforeseen illness savages her body and rescatters the many pieces. Though Grace aspires to become a physician, her current state places her on the other side of the conversation. As the patient, Grace unlocks a hidden dimension to medicine that can only be accessed and felt by the individual being hospitalized. Bound to a bed, Grace has ample time to reflect on her life, society, and the meaning of her startling situation. With irregular symptoms, strained family relations, and a cloud of uncertainty surrounding her future, Grace looks both to God and deep within herself for the strength to combat one of America's least recognized major diseases.

Through many ups and downs, Salaam eventually finds peace and truth in Islam which sees him through all his dark times.

Meaning, Madness and Political Subjectivity Sadeq Rahimi, 2015-02-20 This book explores the relationship between subjective experience and the cultural, political and historical paradigms in which the individual is embedded. Providing a deep analysis of three compelling case studies of schizophrenia in Turkey, the book considers the ways in which private experience is shaped by collective structures, offering insights into issues surrounding religion, national and ethnic identity and tensions, modernity and tradition, madness, gender and individuality. Chapters draw from cultural psychiatry, medical anthropology, and political theory to produce a model for understanding the inseparability of private experience and collective processes. The book offers those studying political theory a way for conceptualizing the subjective within the political; it offers mental health clinicians and researchers a model for including political and historical realities in their psychological assessments and treatments; and it provides anthropologists with a model for theorizing culture in which psychological experience and political facts become understandable and explainable in terms of, rather than despite each other. Meaning, Madness, and Political Subjectivity provides an original interpretative methodology for analysing culture and psychosis, offering compelling evidence that not only normal human experiences, but also extremely abnormal experiences such as psychosis are anchored in and shaped by local cultural and political realities.

Being a Quran Tag Girl Ayesha Syahira, 2019-03-25 Do you know that exhausting feeling of searching high and low for a true meaningful love and life purpose of this life? "That was exactly how I feel about the Quran. I was so busy finding happiness and love to fill the emptiness in my heart. None worked. Until I found the Quran." Building a relationship with Quran cannot happen in one day. It will take years. It will be a long journey of trying to fall in love with the Quran, but it will be worthwhile.

My Isl@m Amir Ahmad Nasr, 2013-06-11 Amir Ahmad Nasr is a young Muslim man with something explosive in his hands: a computer connected to the Internet. And it has the power to help ignite a revolution and blow apart the structures of ignorance and politicized indoctrination that too often still imprison the Muslim mind. Part memoir, part passionate call for liberty, reason and doing work that matters, My Isl@m tells the tale of how the internet opened the eyes and heart of a once fearful young Muslim to a world beyond the dogmatism of his upbringing, and recounts his transformation into a defiant digital activist. In his honest, provocative, and courageous debut, Nasr—a popular Afro-Arab Sudanese blogger—steps out from behind the curtain of anonymity and emerges as a voice of a new generation of tech-savvy liberal Muslims. Set in war-ravaged Sudan, oil-rich Qatar, multi-cultural Malaysia, the United States, Turkey and the new frontiers of cyberspace, My Isl@m is a fascinating prelude to the Arab Spring and a disarming and uplifting tale of doubt, soul-searching, Islam, and finding freedom in the Middle East and the rest of the Muslim world. A poignant, honest, and uplifting memoir of how blogging and the internet opened the eyes and heart of one young Muslim man to a world beyond his religious fundamentalist upbringing.

Life, the Universe & the Quran Dr. Saddique, 2011-05-24 So you think theres no point in reading Holy Scriptures? -too complicated, probably all made up by humans and time-consuming? Science & Religion at odds with each other? Impossible to figure out the meaning of life? The Grand Design by Stephen Hawking all that you need to know? - think again..... Would you believe me if I said that the Quran (written in the 7th century) actually CONFIRMS the immaculate conception of Jesus and that there is a whole chapter devoted to Mary ? Would you believe that the Quran actually CONFIRMS the previous revelations in the original Torah and Gospel/s ? How would you feel if you discovered that there are many astronomical, cosmological, scientific and embryological details in the Quran, and that they are accurate to the present day? And that many of them were written centuries before they were scientifically proven—including the Big Bang and the expansion of the Universe? Furthermore, in the Quran, God actually STATES that He did NOT make the Universe because He was bored and actually mentions the specific reasons why he made Mankind. Allah (God) also states that it is up to the individual to make his/her mind up about His existence and that no-one can be forced to be a believer. The original title for my book was going to be Everything you wanted to know about the Quran but were afraid to ask (!) but for such a book I think humour should take second place to a more solid title, especially considering the subject matter. This book is timely in that it looks at what the Quran says about Terrorism and openly, and without bias, discusses all the above and other important topics about the Quran and Islam (-see 'Contents') including questioning some verses of the Quran (with respect). This book is up to date, including scientifically, and no household should be without a copy.

Our Stories, Our Lives Wahida Shaffi, 2009 This book presents the stories of 20 women from Bradford between the ages of 14 and 80. It offers an intricate mosaic of the experiences, views and hopes of these women and in so doing emphasises the power of people's lives to aid deeper debate and understanding and gives voice to an important and often marginalised group.
