Beverly Butler

**My Sister's Keeper – Movie Tie-In** Jodi Picoult, 2009-05-19 A teen-ager who was conceived so she could be a bone marrow transplant for her cancer-stricken older sister files a lawsuit against her family.

My Sister's Keeper Jodi Picoult, 2007-01-19 New York Times bestselling author Jodi Picoult tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness. New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people. Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness. Anna is not sick, but she might as well be. By age thirteen, she has undergone countless surgeries, transfusions, and shots so that her older sister, Kate, can somehow fight the leukemia that has plagued her since childhood. The product of preimplantation genetic diagnosis, Anna was conceived as a bone marrow match for Kate -- a life and a role that she has never challenged...until now. Like most teenagers, Anna is beginning to question who she truly is. But unlike most teenagers, she has always been defined in terms of her sister -- and so Anna makes a decision that for most would be unthinkable, a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves. *My Sister's Keeper* examines what it means to be a good parent, a good sister, a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are, if that quest makes you like yourself less? Should you follow your own heart, or let others lead you? Once again, in *My Sister's Keeper*, Jodi Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.

**My Sister's Keeper** Margaret Moorman, 2002 When Margaret Moorman's older sister, Sally, was first hospitalized with schizophrenia in 1959, her family denied the truth to neighbors, friends -- and even themselves. Not until thirty years later, when their mother's death made her Sally's sole caretaker, did Margaret face the truth. Now, in this poignant memoir, she tells the brave story of her struggle to come to grips with the legacy of her sister's devastating disease and its effect on her own life and on her entire family. Margaret reveals her fears that she too would become ill and her ambivalence about having a family of her own. She writes about the difficulties of assuming the responsibility for Sally's care while trying to manage her own career, relationships, and the birth of her first child. And she tells how she and Sally finally learned to negotiate their relationship and accept each

other. Candid, moving, and ultimately healing, *My Sister's Keeper* is a heartwarming story about two sisters and their love for each other. Hallmark has presented *My Sister's Keeper* as a film starring Kathy Bates, Elizabeth Perkins, and Lynn Redgrave. Book jacket.

*My Sister's Keeper* Bill Benners, 2010-09-01 Ever since his younger sister Martha woke him early one Sunday morning holding a Rubik's Cube in the palm of her hand with all the colored squares in perfect alignment, in some backward way, twelve-year-old Richard Baimbridge became his sister's motivation. If she saw me give up on anything, regardless of how insignificant-forgetting a phone number, finding the right nut to fit a bolt, or fixing a broken toy-she'd go after it with fanaticism and would not give up until she'd figured it out. Being better than Richard challenged Martha and when she succeeded, it fulfilled her. Richard was proud of her, but not like their Dad. Their Dad loved it. It seemed the more Martha outdid Richard, the more he liked it. By the time Richard left home at eighteen, there was a gap between his father and him that an ocean couldn't fill. But when Martha is brutally attacked while investigating the rape and attempted murder of a thirteen-year old for the News & Observer, Richard Baimbridge moves back to his hometown of Wilmington, North Carolina, to assist his family in caring for his sister and comes face to face with his tormented past and a dark family secret. Despised by his father and haunted by his past, he fights to stay above the flood of childhood trauma while longing to return to the life he'd built in New York City. But when the police exhaust all leads in his sister's case, wheelchair-bound Martha refuses to let her case die and, with Richard as her legs, insists on continuing the investigation herself, drawing Richard into the darker side of Wilmington - a place of greed, violence, and murder - where he, himself, becomes a primary murder suspect.

**Am I My Sister's Keeper?** S. Stephens, 2005 From the time Elise was fifteen years old, she knew she was different and that society did not embrace her difference. While in high school, Elise existed on the edge of the dating game. After graduating college she makes a decision to change her life. She wants to be the daughter her parents have always wanted. Elise terminates all of her old friendships, dates and becomes engaged to a well-respected young man. For some reason her engagement wedges a gap between Elise and her younger sister. But Elise is too concerned with changing her life to fix things with her sister. Then Elise meets a young woman who makes her question the path she's chosen. As Elise fluctuates between conflicting emotions, her indecisiveness alienates her family and sends her sister on a path of destruction. A tragedy forces Elise to rethink her decisions and accept that she is the master of her fate. S. Stephens has written a mournful yet optimistic story about overcoming the pressures of society. She

explores one woman's turmoil and the emotional havoc it caused in her life. The secondary characters were pivotal to the story, in their attitudes about people's views on alternative lifestyles. The writing, characterizations and pace of the story are good. I applaud Ms. S. for this honest, emotional, and penetrating view of family influence and self-worth: she is an author who bears watching. -aNN Brown, Rawsistaz Reviewer Grab your blanket, a cup of steaming hot whatever you drink, and this book, curl up on the sofa, and spend the day wrapped up in Am I My Sister's Keeper? -Shameal K. Nelson, Nghosi Books.com Reviewer A story of self love, sister love, and the family ties, which threaten our ability to be true to ourselves. S. Stephens has created an insightful and entertaining story that takes us into the life of a woman who must come to terms with her sexuality and face the responsibility that she has a role model to others. A page turner and must read for people from all walks of life. -Shonia Brown, Author of A Deeper Lover

**My Sister's Keeper** Ted Allan,1976-12-15 In a tight, dramatic, two-character, two-act play Ted Allan, one of Canada's best-known playwrights, challenges us to think again about love and guilt, about madness and normalcy. My Sister's Keeper was first produced at the 1976 Lennoxville Festival in Quebec. (an earlier version, entitled 'I've Seen You Cut Lemons,' had been directed by Sean Connery at the Fortune Theatre in London in 1970.) It is a play about sensitivity and about victims; about what we do to each other and particularly about what society does to women; about what makes us able to love and what prevents us from allowing ourselves to love. One day 'schizophrenic' Sarah arrives--to stay--at the London flat of her successful, 'normal' brother. The ensuing confrontations lead us, when we can catch our breath, to ask just who it is that is insane, and why?

**Son of Rosemary** Ira Levin,2010-04-20 The sequel to the New York Times bestseller Rosemary's Baby: a thrilling, cautionary tale of the troubling forces that war within each of us. The modern master of suspense Ira Levin returns to the horror of his 1967 groundbreaking novel Rosemary's Baby with this darkly comic sequel set at the dawn of the millennium. Thirty-three years ago, Rosemary gave birth to the Devil's child while under the control of a satanic cult of witches. Now the year is 1999, and humanity dreads the approaching twenty-first century, desperately in search of a savior for this troubled world. In New York City, Rosemary's son Andy is believed to be that savior. But is he the force of good his followers accept him to be? Or is he his father's son? Rosemary and Andy will be reunited in a battle of wills that shall decide the fate of humanity—and keep readers on the edge of the seats until the final page.

The Gilded Hour Sara Donati,2015-09-01 The international bestselling author of Where the Light Enters presents a remarkable epic about two

female doctors in nineteenth-century New York. The year is 1883, and in New York City, Anna Savard and her cousin Sophie—both graduates of the Woman’s Medical School—treat the city’s most vulnerable, even if doing so puts everything they’ve strived for in jeopardy... Anna’s work has placed her in the path of four children who have lost everything, just as she herself once had. Faced with their helplessness, Anna must make an unexpected choice between holding on to the pain of her past and letting love into her life. For Sophie, an obstetrician and the orphaned daughter of free people of color, helping a desperate young mother forces her to grapple with the oath she took as a doctor—and thrusts her and Anna into the orbit of anti-vice crusader Anthony Comstock, a dangerous man who considers himself the enemy of everything indecent and of anyone who dares to defy him. With its vivid depictions of old New York and its enormously appealing characters, *The Gilded Hour* is a captivating novel by an author at the height of her powers.

*Handle with Care* Jodi Picoult, 2022-02-22 Every expectant parent insists the same thing: they simply want a healthy baby. Charlotte and Sean O’Keefe wanted the same but instead, their lives are made up of sleepless nights, mounting bills, pity from other parents, and haunting what-ifs. Yet, in other ways, their daughter Willow is a perfect child. Smart as a whip, beautiful, brave, and kind, Willow is Willow, in sickness and in health. Everything changes, though, after a series of events forces Charlotte and Sean to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow’s illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more: what constitutes a valuable life?--from amazon.com

**House Rules** Jodi Picoult, 2010-04-03 From the #1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister’s Keeper*, *The Storyteller*, and more, comes a “complex, compassionate, and smart” (*The Washington Post*) novel about a family torn apart by a murder accusation. When your son can’t look you in the eye...does that mean he’s guilty? Jacob Hunt is a teen with Asperger’s syndrome. He’s hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he’s always showing up and telling the cops what to do. And he’s usually right. But when Jacob’s small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob’s behaviors are hallmark Asperger’s, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob’s mother, it’s a brutal

reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? *House Rules* is "a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise" (People).

**Double Helix** Nancy Werlin, 2005-05-05 Eighteen-year-old Eli discovers a shocking secret about his life and his family while working for a Nobel Prize-winning scientist whose specialty is genetic engineering.

*My Sister's Keeper* Shirley Lord, 1993 When wealthy cosmetics mogul Louise Towers is brutally attacked in her New York mansion, her friends realize that the perpetrator must be someone close to her. 25,000 first printing. \$25,000 ad/promo.

*My Sisters Keeper* Mavis Applewater, 2015-01-02 Nothing is ever easy for policewoman Jenny Jacobs. She just wants to be in love. Sound simple? Well, there's a catch. She wants to be deeply in love with someone who is also deeply in love with her. Jenny must face the past and the present when she discovers her lover's infidelity and her first love walks back into her life. Her life becomes even more complicated when old feelings surface for her first love -- the woman who broke her heart as a teenager, then entered the church and became Sister Rachel. In her third published book, Mavis Applewater brings to the printed page a perfect combination of heat and romance, with just the right amount of adventure. Second Edition, revised and re-edited.

**My Sisters' Keeper** Leslie Poles Hartley, 1970

**My Sister's Keeper** Beverly Butler, 1985-07-01 In the north woods of Wisconsin following a forest fire that destroys their town in 1871, 17-year-old Mary James forms a new respect for her older sister.

**Nineteen Minutes** Jodi Picoult, 2009-05-01 The startling and poignant story of the aftermath of a tragic high school shooting, from the bestselling author of *My Sister's Keeper* and *The Pact*;

**My Sister's Keeper**, 2017-10-09 The whole truth about Whitney Houston & what really happened to her and her baby girl, Bobbi Kristina Brown!

**My Sister's Keeper** R. V. Cassill, 2019-01-22 A dark, psychological journey worthy of Dostoyevsky. - Cleveland Plain Dealer

*I Am My Sister's Keeper* Amarin Trichanh, 2020-08-08 In *I Am My Sister's Keeper*, Amarin Trichanh details vignettes of her journey in the United

States Army when at the beginning she tried to ignore and avoid sexual harassment only eventually to confront and expose it. Spanning thirteen years, including two tours to Iraq and one tour to Afghanistan, Amarin illustrates the numerous ways that the sexual coercion and exploitation of female soldiers was made possible at every level of command. A victim of military sexual abuse herself, Amarin advocates for the mental, emotional, and physical security and safety and women in the Armed Forces.

**Amityville – My Sister's Keeper** Micky Sexton, 2016-05-28 The Amityville Horror backstory that no one knew about -- UNTIL NOW. The truth roared from my pen when I wrote this book. The legend around the Amityville house and the story of what happened to George and Kathy Lutz has been told in countless movies, books and interviews. But, the REAL story has never been told. Kathy Lutz was my sister and George Lee Lutz was my brother-in-law. This book is a memoir about the days and months that led up to those fateful 28 days that my sister and her husband spent in the hell house that became known as the Amityville Horror. For anyone who wants to know the whole story, and find out what really happened, this book is a must-read. If you have ever lost a loved one into the darkness of the occult. If you have ever questioned your own beliefs. If you believe that there are no versions of the truth ... you need to read this book. In life and in death, some choices have lasting consequences -- terrible consequences. From the beginning of time mankind has never truly embraced the truth. Some, when faced with the truth, may deny it, despise it, even attack it ... but that doesn't change it.

### **My Sister's Keeps Book Review: Unveiling the Power of Words**

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **My Sister's Keeps**, a literary masterpiece that delves deep into the significance of words and their effect on our lives.
