Smitten Kitchen Every Day Deb Perelman,2017-10-24 NEW YORK TIMES BEST SELLER • From the best-selling author of *The Smitten Kitchen Cookbook*—this everyday cookbook is “filled with fun and easy ... recipes that will have you actually looking forward to hitting the kitchen at the end of a long work day” (Bustle). A happy discovery in the kitchen has the ability to completely change the course of your day. Whether we’re cooking for ourselves, for a date night in, for a Sunday supper with friends, or for family on a busy weeknight, we all want recipes that are unfussy to make with triumphant results. Deb Perelman, award-winning blogger, thinks that cooking should be an escape from drudgery. *Smitten Kitchen Every Day: Triumphant and Unfussy New Favorites* presents more than one hundred impossible-to-resist recipes—almost all of them brand-new, plus a few favorites from her website—that will make you want to stop what you’re doing right now and cook. These are real recipes for real people—people with busy lives who don’t want to sacrifice flavor or quality to eat meals they’re really excited about. You’ll want to put these recipes in your Forever Files: Sticky Toffee Waffles (sticky toffee pudding you can eat for breakfast), Everything Drop Biscuits with Cream Cheese, and Magical Two-Ingredient Oat Brittle (a happy accident). There’s a (hopelessly, unapologetically inauthentic) Kale Caesar with Broken Eggs and Crushed Croutons, a Mango Apple Ceviche with Sunflower Seeds, and a Grandma-Style Chicken Noodle Soup that fixes everything. You can make Leek, Feta, and Greens Spiral Pie, crunchy Brussels and Three Cheese Pasta Bake that tastes better with brussels sprouts than without, Beefsteak Skirt Steak Salad, and Bacony Baked Pintos with the Works (as in, giant bowls of beans that you can dip into like nachos). And, of course, no meal is complete without cake (and cookies and pies and puddings): Chocolate Peanut Butter Icebox Cake (the icebox cake to end all icebox cakes), Pretzel Linzers with Salted Caramel, Strawberry Cloud

Cookies, Bake Sale Winning-est Gooney Oat Bars, as well as the ultimate Party Cake Builder—four one-bowl cakes for all occasions with mix-and-match frostings (bonus: less time spent doing dishes means everybody wins). Written with Deb's trademark humor and gorgeously illustrated with her own photographs, *Smitten Kitchen Every Day* is filled with what are sure to be your new favorite things to cook.

**Boston Roomie** Melissa Belle, 2019-07-30 A Roommates-to-Lovers Romance. I need a safe place to crash for the summer. Only one problem—this place comes with a roommate. A sexy, chiseled, Italian chef roommate... Diego The last time I dated someone, I got burned. Literally. And I'm a chef. I'm used to a little heat in the kitchen. But I want something that isn't going to flame out in one night. Then beautiful and brilliant Shohanna becomes my roommate. Our chemistry is scorching, and no matter how much I try to ignore the flames, the fire between us grows bigger. My summer just got a hell of a lot more interesting. Because now I have to prove—to a woman who trusts no one—that every man who came before was an appetizer, and I'm the full course meal to make her mouth water, her heart melt, and her legs shake. Shohanna I want Diego. I never want any man, not after the last one burned my heart black. But I want Diego. And when we end up being roomies for the summer, I can barely keep my hands off of him. So what do I do when it's too hot in the kitchen to ignore the heat? A summer fling is not what I want. I want to heal from the devil in my past, focus on my job, and stop the nightmares. So a summer fling is not on my list of goals. But maybe it's just what I need...

**Make Way for Ducklings** Robert McCloskey, 1999-02-01 Robert McCloskey's unusual and stunning pictures have long been a delight for their fun as well as their spirit of place.—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a favorite of millions. This classic tale of the famous Mallard ducks of Boston is available for the first time in a full-sized

paperback edition. *Make Way for Ducklings* has been described as one of the merriest picture books ever (The New York Times). Ideal for reading aloud, this book deserves a place of honor on every child's bookshelf. This delightful picture book captures the humor and beauty of one special duckling family. ... McClosky's illustrations are brilliant and filled with humor. The details of the ducklings, along with the popular sights of Boston, come across wonderfully. The image of the entire family proudly walking in line is a classic.—The Barnes & Noble Review The quaint story of the mallard family's search for the perfect place to hatch ducklings. ... For more than fifty years kids have been entertained by this warm and wonderful story.—Children's Literature

**Marathon Woman** Kathrine Switzer,2017-04-04 In 1967, Kathrine Switzer was the first woman to officially run what was then the all male Boston Marathon, infuriating one of the event's directors who attempted to violently eject her. In what would become an iconic sports image, Switzer escaped and finished the race. This was a watershed moment for the sport, as well as a significant event in women's history. Including updates from the 2008 Summer Olympics, the paperback edition of *Marathon Woman* details the life of an incredible, pioneering athlete, and the lasting effect she's had on women's sports. Switzer's energy and drive permeate the pages of this warm, witty memoir as she describes everything from the childhood events that inspired her to succeed to her big win in the 1974

New York City Marathon, and beyond.
