How Can I Talk If My Lips Don't Move? Tito Rajarshi Mukhopadhyay, 2011-04-01 An astounding new work by the author of *The Mind Tree* that offers a rare insight into the autistic mind and how it thinks, sees, and reacts to the world. When he was three years old, Tito was diagnosed as severely autistic, but his remarkable mother, Soma, determined that he would overcome the “problem” by teaching him to read and write. The result was that between the ages of eight and eleven he wrote stories and poems of exquisite beauty, which Dr. Oliver Sacks called “amazing and shocking.” Their eloquence gave lie to all our assumptions about autism. Here Tito goes even further and writes of how the autistic mind works, how it views the outside world and the “normal” people he deals with daily, how he tells his stories to the mirror and hears stories back, how sounds become colors, how beauty fills his mind and heart. With this work, Tito—whom Portia Iversen, co-founder of Cure Autism Now, has described as “a window into autism such as the world has never seen”—gives the world a beacon of hope. For if he can do it, why can’t others? “Brave, bold, and deeply felt, this book shows that much we might have believed about autism can be wrong.”—Boston Globe

**Mirror Girls** Kelly McWilliams, 2022-02-08 A thrilling gothic horror novel about biracial twin sisters separated at birth, perfect for fans of Lovecraft Country and The Vanishing Half As infants, twin sisters Charlie Yates and Magnolia Heathwood were secretly separated after the brutal lynching of their parents, who died for loving across the color line. Now, at the dawn of the Civil Rights Movement, Charlie is a young Black organizer in Harlem, while white-passing Magnolia is the heiress to a cotton plantation in rural Georgia. Magnolia knows nothing of her racial heritage, but secrets are hard to keep in a town haunted by the ghosts of its slave-holding past. When Magnolia finally learns the truth, her reflection mysteriously disappears from mirrors—the sign of a terrible curse. Meanwhile, in Harlem, Charlie's beloved grandmother falls ill. Her final wish is to be buried back home in Georgia—and, unbeknownst to Charlie, to see her long-lost granddaughter, Magnolia Heathwood, one last time. So Charlie travels into the Deep South, confronting the land of her worst nightmares—and Jim Crow segregation. The sisters reunite as teenagers in the deeply haunted town of Eureka, Georgia, where ghosts linger centuries after their time and dangers lurk behind every mirror. They couldn't be more different, but they will need each other to put the hauntings of the past to rest, to break the mirrors' deadly curse—and to discover the meaning of sisterhood in a racially divided land.

*Cheating Death* Kenneth M. Valentine, 2024-04-16 “Everyone, and I mean everyone, will give you advice on which way to go with your life. Friends, acquaintances, classmates, teammates, your friends' friends, family, teachers, counselors, and neighbors will nose into your business. They will want to help you with everything from how to dress, to how to act. They will tell you what and where to eat, where to go and what to do. Before you know it, your whole life will be planned out for you, by someone else. If you are susceptible to influencers, choose your influences wisely. “Not all advisors, or advice, is equal. In fact, some of the advice coming your way courtesy of well-meaning friends or family may be downright awful. Truly wise and useful advice will come from very few. The world will give you the same crummy advice it gives everyone. “Get fame. Pursue fortune. More is better!” The world consistently perpetuates the lie, that fame and fortune will make you happy. “The world lies. Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ. Only God can fill that God-shaped space within us. The world keeps trying, and people keep following the siren-song down the wide path to happy destruction. “Happy is hard to define. I have determined that Happy is an elusive place. All of the world's unfulfilled and dissatisfied people will call you to the same wide path, life-plan they followed—and expect a different result? I challenge you to take the narrow road. I urge you to trust in the Lord in all your decision making.”

Through the Magic Mirror Anthony Browne, 2010 A young boy steps through his mirror into a world which looks the same but is slightly different.

*The Mirror Thief* Martin Seay, 2016-05-10 A globetrotting, time-bending, wildly entertaining masterpiece hailed by the New York Times Book Review as Audaciously well written...the book I was raving about to my friends before I'd even finished it. Publishers Weekly raved that with near-universal appeal . . . Seay's debut novel is a true delight, a big, beautiful cabinet of wonders that is by turns an ominous modern thriller, a supernatural mystery, and an enchanting historical adventure story. Set in three cities in three eras, The Mirror Thief calls to mind David Mitchell and Umberto Eco in its mix

of entertainment and literary bravado. The core story is set in Venice in the sixteenth century, when the famed makers of Venetian glass were perfecting one of the old world's most wondrous inventions: the mirror. An object of glittering yet fearful fascination—was it reflecting simple reality, or something more spiritually revealing?—the Venetian mirrors were state of the art technology, and subject to industrial espionage by desirous sultans and royals world-wide. But for any of the development team to leave the island was a crime punishable by death. One man, however—a world-weary war hero with nothing to lose—has a scheme he thinks will allow him to outwit the city's terrifying enforcers of the edict, the ominous Council of Ten . . . Meanwhile, in two other Venices—Venice Beach, California, circa 1958, and the Venice casino in Las Vegas, circa today—two other schemers launch similarly dangerous plans to get away with a secret . . . All three stories will weave together into a spell-binding tour-de-force that is impossible to put down—an old-fashioned, stay-up-all-night novel that, in the end, returns the reader to a stunning conclusion in the original Venice . . . and the bedazzled sense of having read a truly original and thrilling work of art.

**Mango, Mambo, and Murder** Raquel V. Reyes,2021-10-12 Cuban-American cooking show star Miriam Quiñones-Smith becomes a seasoned sleuth in Raquel V. Reyes's Caribbean Kitchen Mystery debut, a savory treat for fans of Joanne Fluke and Jenn McKinlay. Food anthropologist Miriam Quiñones-Smith's move from New York to Coral Shores, Miami, puts her academic career on hold to stay at home with her young son. Adding to her funk is an opinionated mother-in-law and a husband rekindling a friendship with his ex. Gracias to her best friend, Alma, she gets a short-term job as a Caribbean cooking expert on a Spanish-language morning TV show. But when the newly minted star attends a Women's Club luncheon, a socialite sitting at her table suddenly falls face-first into the chicken salad, never to nibble again. When a second woman dies soon after, suspicions coalesce around a controversial Cuban herbalist, Dr. Fuentes--especially after the morning show's host collapses while interviewing him. Detective Pullman is not happy to find Miriam at every turn. After he catches her breaking into the doctor's apothecary, he enlists her help as eyes and ears to the places he can't access, namely the Spanish-speaking community and the tawny Coral Shores social scene. As the ingredients to the deadly scheme begin blending together, Miriam is on the verge of learning how and why the women died. But her snooping may turn out to be a recipe for her own murder.

*Speak: The Graphic Novel* Laurie Halse Anderson,2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. Speak up for yourself—we want to know what you have to say. From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.
