My Comics Lindy Knowles,2019-07-27 Younger children can be overwhelmed by a huge book of blank pages to fill. Here is their very own book of blank comic pages in a size to encourage their imagination. Each page has a comic frame on the front and a dot grid on the back in case of bleed-through. Pencils or pencil colors are recommended for drawing. If you must use markers, place a piece of paper behind the sheet you are working on to prevent bleed-through to the next page. The Design of Dissent, Expanded Edition Milton Glaser,Mirko Ilic,Tony Kushner,Steven Heller,2017-09-05 Dissent is an essential part of keeping democratic societies healthy, and our ability as citizens to voice our opinions is not only our privilege, it is our responsibility. Most importantly, it is a human right, one which must be fervently fought for, protected, and defended. Many of the issues and conflicts visited in the first edition of this book remain vividly present today. They are reminders of how democracy and social change are often incremental, requiring patience, diligence, hope, and the continuing brave voices of designers whose skillful imagery emboldens in the face of struggle. The 160-plus new works in this edition document the Arab Spring, the Obama presidency, Occupy Wall Street, Black Lives Matter, the election of Donald Trump, Vladimir Putin’s continuing influence, the Women’s March, the ongoing refugee crises, the environment, and much more. This powerful collection, totaling well over 550 images, stands not only as a testament to the power of imagery, but also as an urgent call to action. This edition includes the original Foreword by Tony Kushner as well as Steven Heller's interview of Milton Glaser entitled, Dissenting Conditions.--provided by Amazon.com.

Gravetrancers M.L. Miller,2020-09-15 On a journey to track down the grave of their estranged father, Maribel and Anthony find their way to the Malort Cemetery, a strange, seemingly abandoned field of mostly unmarked tombs. There they encounter an eccentric clan of grave-robbers who've devised a highly-addictive drug made from human remains. What started out as an attempt to reconnect with the past becomes a descent into a psychedelic, neon-colored nightmare. Will Maribel and Anthony find their way through the hallucinogens or will they become the next hit? Written by M.L. Miller and featuring mind-shredding artwork by artist James Michael Whynot, Gravetrancers delivers a grisly grindhouse tale of taboo and terror. Collects issues 1-4.
