*Fatal Truth, SEALs of Shadow Force Romantic Suspense Series, Book 1* Misty Evans, 2022-01-14 \*\*First in a thrilling military romance series by USA TODAY bestselling author Misty Evans! She's an investigative reporter hell-bent to uncover the truth... Feisty television host Savanna Bunkett exposes government cover-ups on her award-winning show, *The Bunk Stops Here*. When she digs into a rumor about a top-secret government project that's producing "super soldiers" for the president, she suddenly finds herself on an assassin's hit list. He's the man who has to keep the

truth hidden... Navy SEAL Lieutenant Trace Hunter is the only soldier to survive Project 24. After refusing a direct order from the president, he was branded a traitor, and his career imploded after the sexy reporter turned him into a national headline. He now works undercover for Shadow Force International, a secret group of former SEALs helping those who have nowhere else to turn, using his enhanced skills to fight for justice and protect the innocent. His first assignment? Protect Savanna from the one man who wants them both dead—the president. One wrong move and they'll be silenced forever... Helping Savanna is the last thing Trace wants to do, but her unwavering determination to expose the president's dark truth matches his own. She's his one chance to set the record straight, and he's her only chance at survival. When their mutual enemy closes in, can they put the past behind them and trust each other? Even if it means losing their hearts in the process? Or will secrets, lies, and forbidden passions cost them everything? About the series: Shadow Force International: A group of former SEALs, abandoned by the United States and labeled as rogue operatives, now work as a black ops team performing private intelligence, security, and paramilitary missions for those who have nowhere else to turn. Some of them find romance along the way

and lose their hearts protecting those they love at all costs.
