*Researching a Posthuman World* Catherine Adams, Terrie Lynn Thompson, 2016-11-16 This book provides a practical approach for applying posthumanist insights to qualitative research inquiry. Adams and Thompson invite readers to embrace their inner - and outer - cyborg as they consider how today's professional practices and everyday ways of being are increasingly intertwined with digital technologies. Drawing on posthuman scholarship, the authors offer eight heuristics for "interviewing objects" in an effort to reveal the unique - and sometimes contradictory - contributions the digital is making to work, learning and living. The heuristics are drawn from Actor Network Theory, phenomenology, postphenomenology, critical media studies and related sociomaterial approaches. This text offers a theoretically informed yet practical approach for asking critical questions of digital and non-digital things in professional and personal spaces, and ultimately, for considering the ethical and political implications of a technology mediated world. A

thought-provoking and innovative study, this book will be of great interest to scholars and researchers of technology studies, digital learning, and sociology.

Redeeming Your Time Jordan Raynor, 2021-10-19 Manage your time the way Jesus managed his with a biblical antidote to swamped to-do lists and hurried schedules. “A highly practical road map.”—Mark Batterson, New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work-life balance, the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach. The reason for our struggle is that productivity and time-management systems focus on individual habits rather than more meaningful and lasting lifestyle changes. But as it turns out, there is a better way to reach our full potential. We don’t need just another approach to changing our habits. What we need is an operating system that takes into account the full scope of our lives. In these pages, bestselling author Jordan Raynor presents this system, using seven powerful time- management principles drawn from the example of how Jesus lived: 1. Start with the Word: Find meaningful connection with the author of time daily. 2. Let Your Yes Be Yes: Accept only the commitments you can fulfill. 3. Dissent from the Kingdom of Noise: Create room for silence, stillness, and reflection. 4. Prioritize Your Yeses: Confidently maintain your commitments. 5. Accept Your “Unipresence”: Focus on one important thing at a time. 6. Embrace Productive Rest: Live the God-designed rhythms of rest which are productive for our goals and souls. 7. Eliminate All Hurry: Embrace productive busyness while ruthlessly eliminating hurry from our lives. With these principles, you’ll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today. More than that, you’ll discover corresponding practices that will help you embrace the best, most Christlike version of yourself

possible: purposeful, present, and wildly productive.

*The Last Post* Renée Carlino,2019-08-20 In this evocative and poignant novel from the USA TODAY bestselling author of *Blind Kiss* and *Wish You Were Here*, a young widow in the midst of grieving her late husband through Facebook posts learns to heal and fall in love again. "See you on the other side." Laya Marston's husband, Cameron, a daredevil enthusiast, always said this before heading off on his next adventure. He was the complete opposite of her, ready and willing to dive off a cliff-face, or parachute across a canyon—and Laya loved him for it. But she was different: pragmatic, regimented, devoted to her career and to supporting Cameron from the sidelines of his death-defying feats. Opposites attract, right? But when Cameron dies suddenly and tragically, all the stages of grief go out the window. Laya becomes lost in denial, living in the delusion that Cameron will come back to her. She begins posting on his Facebook page, reminiscing about their life

together, and imagining new adventures for the two of them. Micah Evans, a young and handsome architect at Laya's father's firm, is also stuck--paralyzed by the banal details of his career, his friendships, and his love life. He doesn't know what he's looking for, only that there is someone out there who can bring energy and spirit to the humdrum of his life. When Micah discovers Laya's tragic and bizarre Facebook posts, he's determined to show Laya her life is still worth living. Leaving her anonymous gifts and notes, trying to recreate the sense of adventure she once shared with her late husband, Micah finds a new passion watching Laya come out of the darkness. And Laya finds a new joy in the experiences Micah has created for her. But for Laya, letting another man in still feels like a betrayal to her late husband. Even though Micah may be everything she could wish for, she wonders if she deserves to find happiness again. Written with Renée Carlino's signature "tender and satisfying" (Taylor Jenkins Reid, author of *Maybe in Another Life*) prose, this warm and compassionate novel shows us how powerful the courage to love and live again truly is.

Engaging and wise, psychologist Elliot Hammond tempts Melanie to question everything, including her marriage. But that's ridiculous. Dr. Hammond isn't even...real. Melanie's husband, Craig, has his own problems, including a recession that's threatening his business. Waning finances, a looming home foreclosure, and a wife who's checked out emotionally, has Craig feeling as though he's carrying his burdens alone. When his client, the beautiful and single Serena Buchanan, offers him a solution to his financial woes, he's tempted by more than her offer of a business solution. At a

crossroads, Melanie and Craig seem headed in opposite directions. As Melanie runs away from her problems by escaping into her own fictional world, Craig dives into his struggles, seeking God for strength and healing for his marriage. Ultimately, Melanie must choose whether she'll check out completely, or allow her characters to lead her home.

When an injury leaves Hanna Thompson without her last year of memories, she wakes to a perfect life—right down to an engagement ring from her unrequited love, Max Hallowell. But each day makes her question if she has the life she always wanted or if she's been living a lie. As she searches for answers, every path leads to rocker Nate Crane. And Nate wants her for himself. “Sexy, twisty and utterly addictive...Clear your schedule. An amazing read!” -NYT Bestselling Author Kendall Ryan *LOST IN ME* The last thing I remember is having drinks at Brady’s and trying to avoid eye-contact with my life-long crush—the gorgeous, unattainable Maximilian Hallowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I’ve dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost...perfect. But the deeper I immerse myself into this new world of mine—planning a wedding to a man I don't remember dating, attempting to run a business I don't remember starting—the clearer it becomes that nothing is as it seems. Do I have the life I’ve always wanted or is it a facade propped up by secrets I don't even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. *FALL TO YOU* Torn

between two men... When I woke up after the accident, I couldn't remember anything from the last year—including my relationship with Max Hallowell or anything about Nate Crane. Now my memories are returning, but instead of answering my questions, they're leaving me with more. The man who broke my heart and wants to be my future... Max is all I ever wanted, and now he wants to marry me. He'll do everything he can to fill my life with love, family, and security. I need those things now more than ever. But can I trust him? The man who stole my heart and wants to let me go... Nate never made me promises, and I never asked him to. I'd been on the rebound, looking for a distraction, and he made me feel beautiful and wanted when I needed to feel those things most. He says he has to let me go, but what if I can't let go of him? With every revelation and every passing day, I feel more like Alice down the rabbit hole. I'm falling. Who will catch me? ALL FOR THIS What if you would never remember the day you made the most important decision of your life? That's what they're telling me about the day of my accident—the day I put on Max's ring and chose him over Nate. I'm counting on the wisdom behind a decision I don't remember making. Max is amazing—sexy, sweet, and kind. I was starting to believe happily-ever-after might be in my future after all. Then the unthinkable happened and my world imploded. If I'm going to make this work with Max, I need my missing memories, or at least answers from about those five days before my accident. But what does my future hold if those answers aren't anything like I imagined?
