Homecoming Sue Ellen Frye, 2008-06 You are invited to Homecoming at Bethel Baptist Church in Shadyside, NC. The service promises an inspiring sermon and unexpected comedy. Get ready to enjoy a covered dish meal and to learn some of the cooks' recipes. After Homecoming, meet Estelle who sees a Naked Man in a distant yard. Next observe a beekeeper and his wife who care for The Last Swarm and spend a morning with Constance who insists on perfection in Still Life. Finally travel with two retirees who downsize and learn when to let go in Granny's Bowling Ball. EXCERPT FROM Homecoming Loretta Wiseman moved the coconut cake one more time. It took up almost a whole shelf in the refrigerator. Thank goodness tomorrow is Homecoming Sunday, she thought. I won't have to shift the milk carton and tea pitcher around this Tupperware cake holder anymore. Folks at Bethel Baptist looked forward to Loretta's coconut cake on Homecoming Sunday. Tuesday night she had mixed the shredded coconut, sugar, and sour cream. On Wednesday she made the cake layers and stacked them with the coconut filling. Then, it was a four-day wait. Keeping her husband Luke away from the cake was almost as much trouble as making room

for it in the refrigerator. Loretta pulled a package of Mom & Pop's country ham from behind the Tupperware cake cover. She balanced it on a carton of eggs in her right hand and closed the refrigerator. Loretta had worked at The Posy Patch until noon. Saturday was usually her day off, but there was a big funeral at the Presbyterian Church tomorrow. She had spent the morning making the casket spray of red roses and baby's breath. It was one of the biggest ones she had ever done. Loretta filled a pot with water and placed it on the large rear burner of her aging electric stove. She punched the high button. The eggs could boil while the ham was frying. Tomorrow morning she would get up early to devil the eggs, bake biscuits for the ham, and cook two packages of limas she had frozen back in July. Mandy, her daughter, would be coming tomorrow morning with her fruit salad. Mandy lived in Winston-Salem with her boyfriend Richard. Loretta and Luke liked Richard, a Wake Forest Law School graduate, but they did not approve of Mandy living with him. Four years ago when Mandy told her parents she was moving into Richard's new house, Loretta and Luke had raised a fuss. It was worse than when Mandy decided to transfer from a small Baptist college to the University in Chapel Hill. That university was where she picked up so many of her liberal ideas. Mandy came home telling Loretta and Luke which wine to drink with chicken, pork, or beef. Iced tea or strong coffee had always been good enough for them. She talked about abortion rights, women's rights, and gay rights. Luke and Loretta thought she sounded like a leftist. Their daughter

did have a good paying job thanks to the interview her college arranged with a bank. Until she landed that position, Mandy had vowed she would go to New York City to find a job. Loretta and Luke were thankful their only child did not end up in the North. Winston-Salem was only an hour and a half away. Mandy had not spent a night under her parent's roof in four years. Luke had made it clear to his daughter she would not share a bed in his house with a man who was not her husband. You're twenty-three. Why don't you get married? he had asked her. We're not ready. We want to make sure this'll work. Mandy had explained. As Loretta fried ham for her biscuits, she thought of her daughter's words. She was past being angry and hurt with Mandy. But she really didn't understand today's young people. Seemed like they were not ready to face the real world. The phone rang and interrupted her thoughts. She glanced at the stove clock and saw its hands at 5:30. Luke's calling to find out what's for supper, thought Loretta. Her hands ached. He'd have to be happy with a BLT tonight. He could save his appetite for Homecoming. Hello, Loretta said as sh

Brand Portfolio Strategy David A. Aaker, 2020-03-24 In this long-awaited book from the world's premier brand expert and author of the seminal work *Building Strong Brands*, David Aaker shows managers how to construct a brand portfolio

strategy that will support a company's business strategy and create relevance, differentiation, energy, leverage, and clarity. Building on case studies of world-class brands such as Dell, Disney, Microsoft, Sony, Dove, Intel, CitiGroup, and PowerBar, Aaker demonstrates how powerful, cohesive brand strategies have enabled managers to revitalize brands, support business growth, and create discipline in confused, bloated portfolios of master brands, subbrands, endorser brands, cobrands, and brand extensions. Renowned brand guru Aaker demonstrates that assuring that each brand in the portfolio has a clear role and actively reinforces and supports the other portfolio brands will profoundly affect the firm's profitability. Brand Portfolio Strategy is required reading not only for brand managers but for all managers with bottom-line responsibility to their shareholders.

Claire Fontaine Crime Fighter Tracey Enright, 2007-04-01 A Novel of Life and Death...and Shoes Claire Fontaine is sassy, sexy, sophisticated, and rich. Their entire relationship, in fact, is one big difference of opinion, and the results are hilarious. Now Henry has been hired to investigate the murder of a young woman who liked to party. Claire helps (or hinders, depending on your point of view) when she can drag herself away from her Brentwood mansion and the James Bond-like hunk who lives next door. As Claire and Henry try to trace the victim's last known companions, they stumble across streets that the rich and famous desperately try to hide. If you like sleuths who are stylish, seductive, and full of great fun, then Claire Fontaine is the crime fighter for you.

Free Style Linda Nieves-Powell, 2008-03-18 I realized that no matter how much I wanted the past to remain intact, what was would never be again. We all got older. We all moved on. And maybe things were supposed to change... Funny,

intelligent, and, above all, relevant, *Free Style* is an inspiring novel about two thirtysomething married moms -- one who is separated and the other whose marriage is hanging on by a thread. They decide to escape their to-do lists to revisit their past at Club 90, a nightclub they frequented in the early nineties. There they meet up with old friends and lost loves and dance their troubles away to Lisa Lisa and C&C Music Factory. But when they're hit with a shocking dose of reality, they must decide whether to stay in the past or move on. More than just a fun read, *Free Style* explores serious issues that women grapple with all the time -- keeping romantic relationships alive, dealing with unexpected illness, single motherhood, and the need to come to terms with the past.

Life Lessons from the Little Red Wagon Ronald E. Simmons,2023-03-21 Who would have thought that one of the most popular childhood toys held so many of life's answers. In *The Little Red Wagon*, prolific business leader and public servant Ron Simmons invites you to leave ordinary behind and glide into the richly meaningful life you were intended to live. From his humble beginnings in the rural

South to the heights of influence as an entrepreneur, finance executive, and three-term member of the Texas House of Representatives, Simmons mines the depths of his triumphs and travails to provide a wealth of applicable insights. Whether you're out front holding the wagon's handle, shifting the direction from inside, riding along as cargo, or pushing from the rear, the place you occupy will set your course toward more of the same or to bold adventure. Simmons has learned that it isn't a lack of talent or ability that often holds us back. It's the lure of the safe, comfortable path that threatens to keep us stuck in a rut of fear and negativity, speeding along with no clear destination, or passively catching a ride instead of taking initiative and action.
