David Fleming

Breaker Boys David Fleming, 2007-10-01 From ESPN's David Fleming, the epic tale of the Pottsville Maroons, the NFL's greatest team and the stolen 1925 championship. Born in the heart of Pennsylvania coal country, built by an eccentric owner, molded by a visionary coach, and led by hardscrabble miners like legendary running back Tony The Human Howitzer Latone (pictured on cover), the Maroons took the NFL by storm. Even after Pottsville defeated the Chicago Cardinals in what was viewed as the 1925 NFL championship game, fans wanted more. In an epic battle described as The Greatest Football Game Ever Seen the Maroons challenged a team of all-stars from the University of Notre Dame, featuring the legendary Four Horsemen. At a time when college ball was still king, the underdog Maroons turned the football world upside down, defeating Notre Dame 9-7 on a last-second field goal. Pottsville's stunning victory legitimized the fledgling NFL, but it also destroyed the town and team that made it all possible. Claiming the Maroons had violated league rules by playing Notre Dame, the NFL suspended Pottsville and awarded the 1925 championship to the Cardinals. For 90 years, fans of the Pottsville Maroons - the team Red Grange said was the most ferocious he ever faced - have fought to correct the worst injustice in NFL history and return the 1925 title to its rightful owners. With Breaker Boys, the Maroons' remarkable story is told at last.

Record Breakers of the NFL Howard Liss, 1975 Describes thirteen performances by teams and individual players that set records in professional football.

How to Speak Football Sally Cook, 2016-09-06 From ankle breaker" to "zebra," *How to Speak Football* includes over 125 football terms paired with amusing illustrations that decode the words and phrases that fly around the field. The "Sidelines" sections sprinkled throughout the book will teach you fun trivia about the history of the sport, the stories behind football players' nicknames, the most famous touchdown celebrations, and much more! The terms included in the book range from the well-known, like "blitz" and "punt," to the more uncommon such as: -Alligator arms: A term coaches, players, and television commentators frequently use to describe—and disparage—a receiver who keeps his arms protectively tucked in close to his ribs, instead of stretched out to catch the ball. -Chain gang: The officials on the sideline who hold the yardage and down markers. -Pancake: A forceful block, usually by an offensive lineman, tight end, or fullback, that sets an opposing lineman completely on his back, taking him out of play. A fantastic blend of funny anecdotes and entertaining bits of history and trivia, this is the perfect gift book for all the football lovers in your life, fantasy football fanatics, or any of the growing number of fans who are gravitating toward this exciting sport!

Gamebreakers of the NFL. Bill Gutman, 1973 Profiles of seven notable football players of the NFL: Alan Page, George Blanda, Larry Little, Jim Plunkett, Jan Stenerud, Bruce Taylor, Willie Lanier.

Tom Brady vs. the NFL Sean Glennon, 2016-09-15 Showcasing one of professional football's best players, this book spotlights the life and career of gridiron great Tom Brady. More than just a biography, it relates Brady's story while also establishing his prominent place in NFL history. By examining his skills and statistics in a variety of categories and comparing him to other great quarterbacks—including Peyton Manning, Joe Montana, Bart Starr, Johnny

Unitas, Roger Staubach, Aaron Rodgers, and more—the guide makes a strong case for Brady as football's best signal caller. Along the way, his best moments as a Patriot are revisited, from championship seasons spanning from 2001 to 2015, to his favorite receivers, to his relationship with legendary coach Bill Belichick and the Deflategate scandal in 2015. With detailed sidebars on Brady's celebrity status, fashion sense, much-talked-about hair, and supermodel wife, this revised and updated edition is a must-have for faithful New England fans and pro football buffs alike.

Game Breakers James Gigliotti, 2009-07 Fifteen players who can turn the game around--they always know where the football is and they'll do what they have to do to either take it away or take it to the end zone.

Td Terrell Davis, Adam Schefter, 1998-08-28 On a sun-filled January day, running back Terrell Davis stood atop a fire truck that slowly wound through downtown Denver during the Broncos' Super Bowl victory parade while 650,000 raucous fans were chanting TD! TD! TD! It was a moment of exhilaration and accomplishment for Terrell, whose record-setting, three-touchdown performance against the Green Bay Packers earned him the Super Bowl XXXII MVP. As he waved and gave the Mile High Salute, Terrell couldn't help but think of how unbelievable it all was, how it had taken so much to get to this shining moment. If I were to jump outside my body and get a chance to read my life story, I would say, 'Man, that's amazing.' I've never heard, seen, or read a story like this--never. Terrell had faced hurdles that make carrying a football seem easy in comparison. There were blinding migraine headaches that had haunted him from the age of seven and almost removed him from the Super Bowl; a capricious father, who toughened Terrell in unorthodox ways, yet helped mold him into the person and player he is today; an arrest in college that could have cost him everything he ever wanted; a contentious relationship with his head coach at the University of Georgia that made him more determined than ever. At Lincoln High School, before being switched to fullback during his senior year, Terrell was a nose guard, attracting scant attention from colleges. At Long Beach State, his college of choice, the football program folded two seasons after Terrell arrived. At Georgia, Terrell

saw his stock and reputation almost irreparably damaged, all leading to him becoming the 196th player and 21st running back selected in the 1995 NFL draft. Finally, in his rookie year with the Broncos, he battled from being a sixth-string running back to starter in the span of only one summer. Not since his Pop Warner days, when he was known as Boss Hogg, was he thought of as a go-to guy, and now, here he was, one of the NFL's top players. **TD: Dreams in Motion** is a candid and surprising autobiography, unlike any sports book. It takes you on a journey through Terrell's life and into his mind and heart. It explains how Terrell has been able to maintain the edge that others have lost. It spells out the origins of the Mile High Salute that became a nationally recognized sports symbol and celebration. It discusses the unique relationship he shares with his mother, a remarkable and compassionate woman. Perhaps most important, **TD: Dreams in Motion** is inspirational. It helps you understand why Terrell has been able to persevere while others he has known have veered off the road. Terrell will overwhelm you not with his moves on the football field, but with his words on the page. Searing and gut-wrenching, lighthearted and funny, honest and real, this is Terrell Davis's own story, the memoirs of a champion.

Great Running Backs of the NFL Jack J. Hand, 1966

The 1963 Chicago Bears Charles N. Billington, 2023-12-08 This thorough examination of the 1963 NFL Championship chronicles the trials and triumphs of Chicago's historically most neglected champions against the economic, social, legal and human-interest backdrop of professional football in the 1960s. The Bears and their legendary owner/coach George Halas adjusted to the increased revenue of the television era and the behind-the-scenes drama of a gambling scandal, while developing into one of the greatest teams of the pre-Super Bowl era. Their tumultuous rise and tragic deterioration are covered in detail.

Football Record Breakers Bill Gutman, 1989-08 Here is an action-packed, photo-filled guide sure to please every young sports fan. From the oldest records of sports greats to performances by current players, it tracks the offensive and defensive achievements of teams and individuals in single games as well as over a season or career.

NFL Unplugged Anthony L. Gargano, 2010-08-20 Blood, guts, and glory-veteran players reveal the NFL you never see on TV Behind every glittering NFL game on television is a world of happy pain for a hundred men. **NFL Unplugged** lets you see that world through the eyes of the pros who live and sweat in it. Here are the places the cameras don't go: the locker room where coaches' speeches can deflate or motivate, the huddle where fart jokes vie with playcalling, the training camp where locusts and heat conspire to break the strongest bodies and shake the most

determined minds. Now you can experience it all up close and unplugged. Draws on firsthand accounts of more than thirty players and coaches from teams across the NFL, including Mark Schlereth, Bill Romanowski, Kevin Long, Kyle Turley, John Gruden, Hugh Douglas, Jon Runyan, and Michael Strahan An unvarnished look at everything from training camp and broken dreams, conditioning and injuries, and camaraderie and hazing to the quest to gain a competitive edge and the exhilarating triumphs of the game Written by one of the top figures in sports radio, Anthony Gargano of Philadelphia's 610-WIP From the injuries that never heal and the money that never lasts to the memories and the glory that never fade, NFL Unplugged shows the unbridled brutality and sheer brilliance of the game.
