Global Advertising in a Global Culture Thomas H. P. Gould, 2015-12-16

Globalization stems from many sources, but as Thomas Gould makes clear, advertising is a primary driver of trans-global cultural change. Gould argues that advertising often carries unfiltered and unblocked cultural messages in addition to commercial speech; as such, it not only builds consumer demand to open new markets but also changes consumer expectations and values. At the same time, the evolution of increasingly targeted mobile and social marketing is transforming local and regional cultures into a new mix of global branding and individualized micro-space. Gould examines how advertising professionals negotiate these rocky and quickly-changing cultural terrains. He also explores how advertising—an increasingly global form of communication—is becoming a platform for change at the individual level, and as a direct consequence, at the social and political levels.

**Digital Entertainment Superguide** , Audio and video content is all around us. And these days much of it comes not from TV cables, satellite dishes, and radio antennas, but from our digital devices around the house, streaming over the Internet and local networks. And that's why we created the Digital Entertainment Superguide, a primer with everything you need to know to get started. This book walks you through how to set up your home network and choose the right hardware—set-top boxes, smart TVs, media center computers, streaming speakers, remote controls, and more—for your needs. Like to watch TV shows and movies but not sure where to find what? We've got you covered with a guide to streaming video sources for your TV or mobile devices. We don't leave music lovers out either, as we help you choose the best streaming audio service. Do you want Mog, Rdio, Rhapsody, Slacker, or Spotify? How much does each service cost? Which sounds best? We answer all those questions and more in the pages that follow. Finally, if you're wondering how to move audio and video around the house—stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send video from a computer to your beautiful wall-mounted HDTV—you've come to the right place. We'll even show you how to use your smartphone or tablet to control it all. So read on, and let the fun begin!

**Sleep to Win!** Haley A. Davis, Dr. James B. Maas, 2013-01-22 Professional hockey player Mike Greenza was a first-round draft pick out of Cornell University, full of youth, talent, and unlimited potential. Midway through his second NHL season, that potential is still unrealized. He and his team struggle, scraping the bottom of their division. A chance comment by Greenza's little sister, Britt, changes everything. Reacting to her brother's moodiness and fatigue, she reminds him of former professor Dr. Jim Maas, who had been an advisor to his Cornell team and a nationally renowned sleep coach. Told as a fable and filled with performance-enhancing scientific facts for athletes of every level in all sports, *Sleep to Win* follows Greenza as the season unfolds. He reconnects with Maas, author and world renowned sleep researcher, who schools him in the latest sleep research as it applies to athletes, including the exact amount of sleep athletes need; how a specific sleep stage actually enhances what is practiced; a way to heal (and prevent) injury with extra rest; and the elements of the perfect pre-game nap. Soon, Mike is skating better and scoring more, his teammates are jumping on the sleep-to-win bandwagon, his coach is becoming a believer, and the entire team is climbing out of the cellar and into the Stanley Cup playoffs a testament to the power of sleep.

Together, these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today, providing an invaluable print or online resource for student researchers.

Dan Versus Nature Don Calame, 2019-04-09 From screenwriter Don Calame comes another outrageously funny and raunchy tale of teen boys whose plans go awry – this time, on a survivalist camping trip. Shy and scrawny Dan Weekes spends his time creating graphic novels inspired by his dream girl and looking out for his mom as she dates every man in the state of California. Then his mom drops a bomb: she and her latest beau, Hank, are engaged, and she's sending her "two favorite men" on a survivalist camping trip to "bond." Determined to trick Hank into showing his true – flawed – colors on the trip, Dan and his nerdy germaphobe best friend, Charlie, prepare a series of increasingly gross and embarrassing pranks. But the boys hadn't counted on a hot girl joining their trip or on getting separated from their wilderness guide—not to mention the humiliating injuries Dan suffers in the course of terrorizing his stepdad-to-be. With a man-hungry bear on their trail, no supplies, and a lot of unpleasant itching going on, can Dan see his plan through now that his very survival depends on Hank?

*TBD- NHL Hockey Championships* Donna Eyring,Joe Funk,2009-06 Despite the youthful and talented trio of Sidney Crosby, Evgeni Malkin, and Marc-Andre Fleury, a second consecutive Stanley Cup run looked out of the question for the 2008–2009 Pittsburgh Penguins. Offseason free-agency defections left the reshaped team struggling and outside a playoff spot at midseason. Then a well-timed coaching change shook the squad out of its doldrums and pushed the young stars to peak performance. The result was a masterful run into and through the postseason, culminating in a dramatic seven-game series win over the Red Wings. *Comeback Kids* is a must-have for every Penguins fan as it traces the ups and downs of this riveting season and celebrates a hard-earned championship that just a short time ago seemed beyond Pittsburgh's grasp.

The Down Goes Brown History of the NHL Sean McIndoe,2019-11-05 Sean McIndoe of *Down Goes Brown*, one of hockey's favourite and funniest writers, takes aim at the game's most memorable moments--especially if they're memorable for the wrong reasons--in this warts-and-all history of the NHL. The NHL is, indisputably, weird. One moment, you're in awe of the speed, skill and intensity that define the sport, shaking your head as a player makes an impossible play, or shatters a longstanding record, or sobs into his first Stanley Cup. The next, everyone's wearing earmuffs, Mr. Rogers has shown up, and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went. That's just life in the NHL, a league that often can't seem to get out of its own way. No matter how long you've been a hockey fan, you know that sinking feeling that maybe, just maybe, some of the people in charge here don't actually know what they're doing. And at some point, you've probably wondered: Has it always been this way? The short answer is yes. As for the longer answer, well, that's this book. In this fun, irreverent and fact-filled history, Sean McIndoe relates the flip side to the National Hockey League's storied past. His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game, allowing you to laugh even when your team is the butt of the joke (and as a life-long Leafs fan, McIndoe takes the brunt of some of his own best zingers). *The Down Goes Brown History of the NHL* is the weird and wonderful league's story told

as only Sean McIndoe can.

*The Official NHL Hockey Treasures, Centennial Edition* Dan Diamond, 2017-11 Hockey's long and colourful history deserves special treatment and this is the perfect way of displaying it. Published to coincide with and celebrate the centenary of the National Hockey League, this fully revised and updated edition--in a brand new format--of The Official NHL Hockey Treasures tells the rich and fascinating history of hockey through hundreds of photographs and an exhaustively researched and lucid text. The origin and evolution of hockey, especially the professional game in North America are explored, as are the great players, famous games and illustrious teams. But where this title really scores is through its awe-inspiring collection of 25 items of facsimile memorabilia, which have been inserted into four printed bags affixed inside the book. These documents have all been reproduced in such a way that you will feel as if you have the very originals in your hand. The artefacts include 90-yearold newspaper reports from the NHL's first games, letters from the President of the NHL, player contracts--including Gordie Howe's deal to play with his two sons on the Hartford Whalers--collectible hockey cards, and much, much more. Divided into eight sections, The Official NHL Hockey Treasures offers a refreshing perspective of this fast-moving and thrilling sport through--simultaneously--historical narrative and features.
