The Resurrection Of Barney Thomson Douglas

Lindsay,2013-12-05 ***This book is also available in THE BARBERSHOP SEVEN - the collected Barney Thomson novels***

At the end of MURDERERS ANONYMOUS, Barney Thomson's future seemed bleak. In fact, it seemed non-existent. However, for a reason that he can't quite get to the bottom of, he finds that he has a whole new lease of life as personal barber to the First Minister of the Scottish Executive. Unexpectedly thrown into the world of political intrigue and scandal, Barney's life is at least given some consistency when a serial killer begins to pick off members of the cabinet in a series of brutal (but very popular) murders. THE RESURRECTION OF BARNEY THOMSON is book 4 in the Barney Thomson series. Praise for THE LONG MIDNIGHT OF BARNEY THOMSON (book 1) This chilling black comedy unfolds at dizzying speed... an impressive debut novel. - Sunday Mirror

The plot, Russian literature fans, is a modern spin on Dostoyevsky's Crime and Punishment. The bloody ending, movie buffs, is pure Reservoir Dogs. - The Mirror This is pitch-black comedy spun from the finest writing. Fantastic plot, unforgettable scenes and plenty of twisted belly laughs. - New Woman Praise for THE BARBER SURGEON'S HAIRSHIRT (book 2): A mad, macabre romp with surreal characters and cutting black humour. -

The Sunday Mirror Gloriously over the top, very bloody and very, very funny. - Daily Telegraph A novel which is both genuinely silly and a fun read. - The Scotsman A flawless follow-up to an impressive debut, this is extremely well-written, highly amusing and completely unpredictable in its outrageous plot twists and turns. - The List Lindsay's burlesque thrills offer no sex, no drugs, no desperation to be cool. Just straightforward adult story; fantastic plot, classic timing and gleeful delight in the grotesque. With more talent than Irvine Welsh could dream of, Lindsay has crafted a macabre masterpiece where content lives up to style. - What's On

Scuba Professional Simon Pridmore, 2019-01-22 Scuba Professional introduces readers of Simon Pridmore's other books, Scuba Fundamental, Scuba Confidential and Scuba Exceptional to a whole new level of the sport. Whereas the other books focus on how to scuba dive, Scuba Professional looks at how diving is taught and how dive operations are conducted. Scuba Professional is an excellent source of out-of-the-box ideas and independent, objective advice for instructors and dive operators. It is also an indispensable guide for those aspiring to become dive professionals with chapters such as Do You Have What It Takes? and Which Training Agency? In short, this is everything you wanted

to know about working in scuba diving but never dared to ask. Scuba Professional is not only for professionals. Serious divers who take more than a passing interest in their hobby and want to know what goes on behind the scenes will be fascinated by the topics addressed and the insights offered. From a dive safety point of view, Simon looks at the bigger picture and, in a series of chapters on avoiding and handling accidents, sets out a framework for developing the safety culture within our sport. He also examines the present state of key aspects of the dive industry and speculates as to the future. There is quite simply nothing like this book: the ultimate backstage pass into the business of scuba. Jill Heinerth, Technical Instructor Trainer & Filmmaker Terrific, really good! Simon captures the key characteristics of the diving instruction milieu with insight and clarity.
