*Nicholas Nixon* Nicholas Nixon, Museum of Modern Art (New York, N.Y.), 1988 The contemporary American photographer Nicholas Nixon is the subject of a major exhibition at The Museum of Modern Art from September 15 to November 13, 1988. Organized by Peter Galassi, curator, Department of Photography, NICHOLAS NIXON: PICTURES OF PEOPLE presents approximately 120 black-and-white photographs surveying Nixon's work of the past decade. In this work Nixon has brought fresh conviction to the idea that sympathetic pictures of ordinary people can address the deepest human values. - Excerpt from MoMA Press Release August 1988 (see link).

**Nikon D5100** Rob Sylvan, 2011-07-17 Nikon's much-anticipated D5100 camera is here. This new model replaces the popular D5000 and creates a nice bridge between the more beginner-level D3100 and the high-end D7000. This book has one goal: to teach D5100 owners how to make great shots using their new Nikon camera. Users learn how to use the D5100 to create the type of photos that inspired them to buy the camera in the first place. Everything in the book is in service of creating a great image. Starting with the top ten things users need to know about the camera, photographer Rob Sylvan carefully guides readers through the operating features. Owners get practical advice from a pro on which settings to use when, great shooting tips, and even end-of-chapter assignments.

**The Brown Sisters** Nicholas Nixon, 1999 The Brown Sisters presents a photographic project as compelling in effect as it is simple in conception: four women, 25 years. Each year since 1975 photographer Nicholas Nixon has made a group portrait of his wife and her three sisters facing the camera in the same order: Heather, Mimi, Bebe, and Laurie. The series now measures a quarter century in the lives of the sisters, who in 1975 ranged in age from 15 to 25; each picture is dense with allusions to the year of experience that separates it from the one before.

**Much Loved** Mark Nixon,2013-10-29 Award-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. MuchLoved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer’s studio led to a small sensation on the Internet when a few of the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can’t help but think back to childhood and its earliest companions who asked for nothing and gave a lot back. Praise for Much Loved: “Much Loved is impossibly endearing in its entirety.” —Brain Pickings
