Nik's Revenge Road Trip Mixtape Jack Swift, 2017-03-10 Nik is a recovering junkie with some heavy baggage. When sober life fails to inspire, he trades in his 9 to 5 for the open road. Armed with a gun and the perfect mixtape, he's out to settle some scores. But revenge is more complicated than he expected. For one thing, his car is haunted. Plus his 12 Step sponsor keeps calling him, and it's getting hard to keep his lies straight. Then a monster bag of heroin practically falls into his lap, which Nik finds... distracting. Worst of all, his targets don't even have the grace to be straight-up monsters. It's a lot to deal with-- especially when, between the flashbacks and the nightmares, Nik can hardly tell the past from the present...

There's Something About Nik Sara Hantz, 2017-02-13 Nik Gustafsson has a secret: He's not really Nik Gustafsson. He's not a spy. He's not crazy. He's just the son and heir to one of the most important families in Europe—one where duty always comes first. And his posh, too-public life is suffocating him. So when he gets the chance to attend boarding school in America, pretending to be an average exchange student is too big of a temptation to pass up. Then he literally runs into Amber on campus. And she hates him at first sight. It's kind of exhilarating to be hated for who he is, not for his family name or his wealth. Maybe if he turns up the charm and turns down the aloof mask he habitually wears, he can win her over. Even though a bad past experience has made her swear off dating this year. But the more he gets to know her, the more uncomfortable he is keeping things from her. Because Nik Gustafsson has a secret. And it's a big one. Disclaimer: This Entangled Teen Crush book contains a hot boy who's the strong and silent type, a studious girl who refuses to believe in fairy-tale romance, and one epic secret that could be disastrous if it comes to light.

Nik III Michael LaMantia,2021-04 Nik III follows the exciting journey of a young man, Nicholas III, and his three companions in reclaiming his lost heritage as one of the last heirs to the Romanov dynasty and, in the process, taking on a global syndicate that threatens the free peoples of the earth. As Nik and his companions take on new challenges in reclaiming his lost heritage, they make new friends for the cause along the way. John Kennedy, a group of special Orthodox priests, Opus Dei, secret Royalist, the redneck Noonans, and some Scandinavian women become friends and assist their Great Awakening movement.
