Serve 'N' Protect Tee O'Fallon, 2021-09-20

Ambushed and left for dead, U.S. Secret Service K-9 Officer Markus York is on the mend and laying low in a safe house while his team tracks down his attacker. But Markus isn't good at sitting still. Even with his K-9, Ghost, for company, he gets restless and decides now is the perfect time to do some repairs around the house...and inadvertently tears open his wounds. Fresh out of a bad relationship that ended after a car accident left her with limited mobility, freelance accountant Cassidy Morgan has sworn off men. At least, that's the plan. Until a frantically barking dog leads her to a neighbor's house where she finds a mysterious man out cold and bleeding on the floor...and mumbling things like "no, they'll find me" when she tries to call an ambulance. Yeah, that's not at all concerning. Despite Markus's surly attitude, Cassidy senses there's something else at work beneath his rugged, keep-your-distance exterior. Whatever it is, it's sexy as hell. With someone still trying to kill him, Markus doesn't want an innocent to get hurt, let alone take care of him. If only his dog wasn't crazy in love with her. If only the chemistry between Markus and Cassidy didn't explode whenever they were in the same room. If only Cassidy wasn't a target now, too.

Trap 'N' Trace Tee O'Fallon, 2020-06-15 For wealthy socialite Katrina Vandenburg, business meetings and charity galas are all part of her orderly, structured world—one that gets blown to hell after finding two dead bodies in the same day. The police think she was in the wrong place at the wrong time. FBI Special Agent Dayne Andrews thinks otherwise. Dayne and his K-9, Remy, are tracking a cold-blooded killer, and that trail...leads straight to Kat. Kat and her rescue shelter—the Canine Haven—are the only common denominators between the murders, and Dayne is convinced she's dead center in the killer's sights. Protecting her will test every ounce of his steely resolve. She's the most intriguing woman he's ever met. And everything he shouldn't want. Too bad neither of them seem to have gotten the memo. And they need to focus on catching a killer now more than ever. Because if Dayne and Remy fail in their mission, nothing will stand between Kat and the killer's deadly blade.
