Live Nude Girl Kathleen Rooney,2010-07-01 Collects essays about the years the author spent as a professional nude model.

Kathy The Nudie Girl Ardor,2013-06-01 Kathy was a normal, shy girl. Then one day she started to experiment with her wardrobe. Before she knew it Kathy was doing all sorts of unusual things. You might say that Kathy enjoys the great outdoors in a way most nature lovers haven't even thought of. At first it started out in the privacy of her own home. Then, somehow, it got out of control. It got waaaaay out of control. Before long Kathy found herself doing things in public that she never, ever, thought she'd do. Thankfully Colleen is there to keep lookout for her. Of course when the two of them got caught one day, in the mall, by another friend of Kathy's things jump to an entirely different level. The problem is the more trouble Kathy finds herself in, the more Colleen embarrasses and humiliates her, the more Kathy likes it. Kathy is exposed to things, and places, she's never even considered before. Kathy is exposed to all sorts of new things in the mall, in the park, in her very own neighborhood and then for the grand finale her old friend introduces her a brand new way to work. Try the free sample chapter for a true feel of what Kathy is really about. The entire story is 54,337 words that will expose you to a whole new way to see the world.

The Last of the Live Nude Girls Sheila McClear,2011-07-25 A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (The Daily Beast) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

Rembrandt and the Female Nude Eric Jan Sluijter,Rembrandt Harmenszoon van Rijn,2006 Rembrandt's extraordinary paintings of female nudes—Andromeda, Susanna, Diana and her Nymphs, Danaë, Bathsheba—as well as his etchings of nude women, have fascinated many generations of art lovers and art historians. But they also elicited vehement criticism when first shown, described as against-the-grain, anticlassical—even ugly and unpleasant. However, Rembrandt chose conventional subjects, kept close to time-honored pictorial schemes, and was well aware of the high prestige accorded to the depiction of the naked female body. Why, then, do these works deviate so radically from the depictions of nude women by other artists? To answer this question Eric Jan Sluijter, in *Rembrandt and the Female Nude*, examines Rembrandt's paintings and etchings against the background of established pictorial traditions in the Netherlands and Italy. Exploring Rembrandt's intense dialogue with the works of predecessors and peers, Sluijter demonstrates that, more than any other artist, Rembrandt set out to incite the greatest possible empathy in the viewer, an approach

that had far-reaching consequences for the moral and erotic implications of the subjects Rembrandt chose to depict. In this richly illustrated study, Sluijter presents an innovative approach to Rembrandt's views on the art of painting, his attitude towards antiquity and Italian art of the Renaissance, his sustained rivalry with the works of other artists, his handling of the moral and erotic issues inherent in subjects with female nudes, and the nature of his artistic choices.

Top Sex Stories Marcus C Hanlon, 2017-11-28 ***** Yea, that's great! I really like it sexy.. ***** Hot Hot **** Awesome Book, fantastic Stories ***** Cool There weren't many people around, and those who were there disappeared into the tiny bistros around noon to grab a bite to eat and drink a cup of coffee. That's how we got to walk around without any interruptions and look at the offered goods. After a while, we reached a tent offering jewelry and goldsmith's works. It was a sort of dark tent made of dark blue linen. The front was lifted halfway and there was a table covered in velvet next to the entrance, where they offered the most beautiful pieces. There were countless ear rings, necklaces, broches, and rings. My darling looked at the pieces, but apparently didn't find what she was looking for. She picked up every item, studied it intently, testing it out on her arm or the back of her hand to see if it matched her color. A thin golden chain caught my eye; as thin as a necklace but much longer. I asked the owner - a stocky Frenchman with a beret - what it was and he covered his hand with his mouth while he explained that it was certainly a belly chain that could be worn around the naked stomach of a beautiful lady like mine. I showed my darling the item and she was over the moon. She took the chain in her tiny hands and felt it. It was light; a piece of work recounting a tale of impressive craftsmanship. Should I put this on?, she beamed in question. I agreed. She lifted her dress high above her breasts and asked me to put the chain on her. She wore neither panties nor a bra. I wrapped my arms around her naked stomach and carefully closed the chain. It hung loosely down her belly and the end dangled in front of her naked vagina. She artfully rotated her hips and the little chain went flying. Her breasts swayed, together with her soft round behind. She looked down her body and studied the jewelry intently. But she wanted to take an even closer look at how the chain decorated her body, so she pulled the dress over her head, draped it carefully over the table in front of us and was now standing completely naked in front of the tent. Then she lifted both arms up to the head and bent them at the elbows, so that her hands grabbed the back of her head. She looked at herself, then at me, and asked: What do you think?, and turned in a slow circle before me. The chain dangled around her stomach and she grinned like a little kid. Ce bien, the seller said in a business-like, very convincing tone. Then he lifted his index finger as if he were thinking, shortly thereafter disappearing into his tent. Love Life of a Naked Girl A. D. Rowen, 2019-01-07 If being best friends with a naked girl was an experience, just wait until you try dating her! Kind-hearted Lisa and exuberant exhibitionist Becky were best friends since childhood, and now they are officially an item. But Becky shows no signs of reigning in her enthusiasm for nudism and public nakedness, and two girls are finding it isn't easy to maintain a relationship over long distances while they study at university. Add to the mix a charming caddish photographer, a riotous rock band, a young couple eager to experiment, and an organisation of serious naturists, and you have a potential recipe for disaster. Now, will the very thing that brought Becky and Lisa together be what

drives them apart? The sequel to the hit 'Best Friends with a Naked Girl'

The Naked Woman Desmond Morris, 2005 Internationally bestselling author and world-famous human behaviorist Desmond Morris turns his attention to the female form, taking the reader on a guided tour of the female body from head to toe. Highlighting the evolutionary functions of various physiological traits, Morris's study explores the various forms of enhancement and constraint that human societies have developed in the quest for the perfect female form. This is very much vintage Desmond Morris, delivered in his trademark voice: direct, clear, focused, and communicating what is often complex detail in simple language. In *THE NAKED WOMAN*, Desmond builds on his unrivalled experience as an observer of the human animal while tackling one of his most fascinating and challenging subjects to date. -- Publisher description.

The Female Nude Lynda Nead, 2002-09-11 Anyone who examines the history of Western art must be struck by the prevalence of images of the female body. More than any other subject, the female nude connotes 'art'. The framed image of a female body, hung on the walls of an art gallery, is an icon of Western culture, a symbol of civilization and accomplishment. But how and why did the female nude acquire this status? *The Female Nude* brings together, in an entirely new way, analysis of the historical tradition of the female nude and discussion of recent feminist art, and by exploring the ways in which acceptable and unacceptable images of the female body are produced and maintained, renews recent debates on high culture and pornography. *The Female Nude* represents the first feminist survey of the most significant subject in Western art. It reveals how the female nude is now both at the centre and at the margins of high culture. At the centre, and within art historical discourse, the female nude is seen as the visual culmination of enlightenment aesthetics; at the edge, it risks losing its respectability and spilling over into the obscene.

Adventures of a Naked Girl Song Courson,2013-03-28 Applepeel tells her own exuberant story. It has been said that this is maybe the sexiest book ever, but certainly the richest, deepest, funniest, most beautiful, most civilized, most good-natured sexy book ever. The claim is that it started as an amusement for a girlfriend, who had said Let's write some pornography. This apparently is why it starts so badly, and takes off as Applepeel comes alive in the hands of her creator or creators. Some readers advise starting at the chapter called Scrubbed, or even in the middle at the Bellywedding, and then you won't be able to stop. And readers argue as to which of the three Battles of the Britches is best. The text was sent to an astronomical publisher, who accepted the fool book because it contains so much about the moon.

The Digital Female Nude Peter Adams,2010 With guidance covering the various aspects of nude photography, including approaching and interacting with models, planning locations and exploring photographic styles, this book showcases some of the author's most commanding black and white work - and some colour work too. It gives a glimpse behind the scenes of his photo shoots.

Thai Girl Naked Noi Thawattana,2022-10-12 The real truth about Thai women A Thai woman is more than a sex machine, a money extractor, or a ruthless scammer. Noi Thawattana was a Bangkok prostitute, working in hostess lounges, massage parlors, and go-go bars. After marrying an American man and moving to the United States, she wrote Thai Girl Naked to expose the life of a Thai bargirl through her own voice and from her own eyes. Thai Girl Naked is a rare look at the reality of Thai prostitution, and more generally at women in Thailand, without the beer goggles, cultural ignorance, and male bravado of tourists' memoirs. Noi Thawattana knows the business and the life, and also knows foreigners' misconceptions. As a former bargirl now studying journalism, Noi is uniquely qualified to tell a Thai woman's story, in a readable and entertaining form.
