NYANKOPON and NYANKONTON - RA and RAIT Odwirafo Kwesi Ra Nehem Ptah Akhan, NYANKOPON and NYANKONTON - RA and RAIT In this publication we correct the false notion that the Supreme Being and the Creator and Creatress are one and the same. Afurakanu/Afuraitkaitnut (Africans~Black People) have always understood that the Great Mother and Great Father function together as One Divine Unit – the Supreme Being. The most ancient name for the Great Mother and Great Father is Amenet and Amen as shown in ancient Khanit (Nubia) and Kamit (Egypt). Amenet and Amen are called Nyamewaa and Nyame in Akan culture. It is Amenet-Amen as the Great Being who direct Ra and Rait, the Creator and Creatress to create the Universe. This reality is one that Afurakani/Afuraitkaitnit (African) people can and have verified via our direct interaction with Amenet, Amen, Ra and Rait over tens of thousands of years. This reality is thus woven into the fabric of our cultural and religious expressions inclusive of the manner in which we articulate cosmology. This was true in ancient Khanit and Kamit and is true in Akan culture – in its authentic expression. Because of the corruptive influence of the pseudo-religions of the whites and their offspring, many Afurakanu/Afuraitkaitnut (Africans) have attempted to force-fit our cosmology into the foolish and invalid notion of monotheism. The whites and their offspring manufactured the idea of monotheism for political purposes. They sought to lure Afurakanu/Afuraitkaitnut (Africans) away from communicating with the actual Abosom (Deities) who are connected to us by blood, for they understood and understand that as long as we connect with the Abosom, we will be directed to overthrow the whites and their offspring and eradicate the perverse influence they have imprinted upon our culture worldwide. They therefore sought to erase the memory of the various Abosom and put forward the idea that there is only one, male 'god' who the whites are the representatives of. This would cause the brainwashed amongst us to believe that if we fought against the whites, we would be fighting against the 'will of god'. This was the only means by which the whites and their offspring believed that they could control Afurakanu/Afuraitkaitnut (Africans) after invading our countries and communities. It has taken them thousands of years to spread this false notion, gaining success only within the last 100+ years on a major scale. Akan nations who have fallen under the corrupt influence of the whites and their offspring have attempted to conflate the Creator with the Supreme Being, while eliminating the reality of the Great Mother and the Creatress altogether. Thus Nyankopon (Ra) is fused with and said to be a 'title' of Nyame (Amen) in Akan culture. Moreover, Nyankonton (Rait) and Nyamewaa (Amenet) are forgotten altogether. In this publication we restore the truth about Nyankopon and Nyankonton as Ra and Rait – the Creator and Creatress of the Universe and their relationship as Servants of Nyamewaa and Nyame (Amenet and Amen). We have also included an appendix which demonstrates that strands of the authentic cosmology still exist within the culture

irrespective of the corrupt influence of the pseudo-religions of christianity, islam, judaism, etc. This is expressed through two Anansesem (Ananse stories) which feature Nsia – the Mother of Nyankopon.

The Akan Doctrine of God J.B. Danquah, 2014-01-02 First Published in 1968. In pursuance of this objective, he calls forth his philosophical training and indulges in metaphysical and ethical speculation. The effects of this are evident in the whole book, whether in his discussion of the nature of the supreme Being or in his exposition of Akan ethical thought.

Memoir of an Executive Admiral Ba Raji, 2014-09-12 Memoir of an Executive Admiral is an insight into the career of retired Rear Admiral Bodunrin Raji in a mostly military-ruled Nigeria from 1975 to 2011. The story is told over a thirty-five-year period of the authors voluntary service in the Nigerian Navy. The pursuit of professionalism in the Nigerian Navy is relayed as a function of training and deployment, but not necessarily devoid of risks, intrigues, and occasional humour. A career in any chosen profession is fraught with challenges in a democracy where the subjugation of military to civil authority is taken for granted. The challenges are not only accentuated, but many careers were prematurely terminated through compulsory retirement or, in extreme cases, death by execution during the military rule in Nigeria. To successfully pursue and attain the highest professional level and rank in the Nigeria Armed Forces in the period spanned is not a mean achievement. In telling his story, retired Rear Admiral Raji provides answers to curious minds on the level of professionalism in the officer cadre of the Nigerian Armed Forces, inspires youths aspiring to join the officer cadre of navies, encourages serving officers, and advises them on preparations for life after retirement. Memoir of an Executive Admiral is educative and inspiring.
