

Obama Dancing

RJ Shavelson

Obama Jan Spivey Gilchrist, 2009 In this picture book, best friends Breyna and Emily have always heard the grown-ups talk about the historic moments they witnessed in their pasts. So when the girls hear about the possibility of history being made on November 4, 2008, they plan a special sleepover at Breyna's house. Breyna's parents and grandparents help to make the night memorable. Grandpa popped popcorn that sounded like tiny crickets dancing, tap, tap, tap. The girls enjoy a wonderful historic night together that ends in the announcement of the First African American President of the United States of America. Award-winning illustrator/artist Jan Spivey Gilchrist creates a stunning picture book using poetic language and vibrant watercolors to depict what became one of America's most historic moments.

Obama: An Intimate Portrait Pete Souza, 2017-11-07 Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza's behind-the-scenes images

and stories in this #1 New York Times bestseller -
- with a foreword from the President himself.
During Barack Obama's two terms, Pete Souza was
with the President during more crucial moments
than anyone else -- and he photographed them all.
Souza captured nearly two million photographs of
President Obama, in moments highly classified and
disarmingly candid. Obama: An Intimate Portrait
reproduces more than 300 of Souza's most iconic
photographs with fine-art print quality in an
oversize collectible format. Together they
document the most consequential hours of the
Presidency -- including the historic image of
President Obama and his advisors in the Situation
Room during the bin Laden mission -- alongside
unguarded moments with the President's family, his
encounters with children, interactions with world
leaders and cultural figures, and more. Souza's
photographs, with the behind-the-scenes captions
and stories that accompany them, communicate the
pace and power of our nation's highest office.
They also reveal the spirit of the extraordinary
man who became our President. We see President
Obama lead our nation through monumental
challenges, comfort us in calamity and loss, share
in hard-won victories, and set a singular example
to be kind and be useful, as he would instruct his
daughters. This book puts you in the White House
with President Obama, and is a treasured record of
a landmark era in American history.

Barack Hussein ObamaFew Are Chosen

Sam, 2012-10-02 Barack Hussein Obama Few Are Chosen. The Obama Nativity Spirit and Remembered Stories is an inspired book written about Barack Hussein Obama, President of the United States of America. The book consists of several topics that I hope the reader will find enlightening. It is a look backwards, in that I tell the audience about the segregated South and a look forward, the place where we must strive to be. Nevertheless, I hope that each individual will enjoy reading my book, which incorporates biography, humor, historical facts, scripture, and religious beliefs. It is not an attack on anyone or any group. It is intended to be an eye-opener in that it deals with several

topics that relate to the President including birth, patriotism and religion. Each chapter discusses what I believe is an American peoples concern. Some people might see my book as a book on race relations and to some degree it is, but gently. There are thirteen chapters. In Chapter Five I discuss the forty year prophesy of the coming of Barack Obama; while in Chapter Seven I discuss the struggles of African Americans then and now, the African American churches, including Rev. Wright, Rev. Dr. Martin Luther King (among other things); Chapter Nine, Forcing Scared Against The President discusses how the politicians work overtime to portray President Obama illegitimately to the American Public, and Chapter Ten, disputes the assertion that Barack Obama is a radical (Really?); Chapter Eleven, Will the Real Mr. Speaker Stand, questions the heart of John Boehner and Chapter Twelve, Guess Whos Coming To The Tea Party warns the Tea Party that they could very easily become the terror group of the past. Chapter One, I Saw An Angel is the foundation for the book and how it all got started.

Michelle Obama Elizabeth Lightfoot, 2018

Michelle Obama Amelie von Zumbusch, 2010-01-15 A short biography of Michelle Obama.

Michelle Obama: Meet the First Lady David Bergen Brophy, 2009-06-16 This biography for young readers focuses on Michelle Obama's youth. A good supplementary source for home and classroom use, especially as the now former First Lady's book *Becoming* brings her renewed attention. Follow the story of a hardworking girl growing up on the South Side of Chicago and how she inspires our nation to believe in the American Dream that her life exemplifies. In her own stirring words: America should be a place where you can make it if you try. Written by David Bergen Brophy, this in-depth biography for young readers captures the

heart and soul of the First Lady behind the campaign for change.

Yes We Did Lawrence Jackson, 2019-10-22 Eight years in the White House went by so fast. That's why I'm so grateful that Lawrence was there to capture them. I hope you enjoy his work as much as I do. --From the foreword by Barack Obama When Lawrence Jackson took the job as White House photographer in early 2009, he knew he'd have a front row seat to history. What he didn't expect was the deep personal connection he would feel, as a fellow African American, with the President of the United States. Yes We Did is filled with Lawrence's intimate photographs and reflections, as well as first-person recollections from President Obama, everyday citizens, and notable personalities including Bono, Stephen Curry, Valerie Jarrett, Admiral Mike Mullen, and others. The book is a celebration of the most inclusive and representative White House in history - where in between momentous and pivotal decisions, the President and First Lady opened the doors of the People's House to schoolkids, athletes, senior citizens, hip-hop artists, and more. For anyone who misses the humanity, grace, and undefinable cool factor of the Obama White House, this warm and inspiring book provides an affirming, proud, and focused lens on our history.

Laughing with Obama M. Sweeney, 2019-09-03 Laugh along with a spirited American presidency with this sequel to the best-selling Hugs from Obama Laughing with Obama is a photographic tribute to President Barack Obama's most clever, witty, and smile-worthy moments from his time in office and beyond. Re-experience the ear-to-ear grins and laughter that President Obama shared with the world, and reminisce about a presidential tenure that spread as much joy as it did optimism. Together with these uplifting photographs is a

collection of the most humorous one-liners, playful jokes, and good-natured quips to come from the 44th President of the United States. Enjoy this fun celebration of a presidency that was defined not just by leadership, integrity, and hope, but also by warmth, charisma, and laughter.

Obama Mania Yvonne Williams, 2008-11 Anything We Love Can Be Saved by Alice Walker. America I Love. Nothing can match the Euphoria of Obama Mania, the Mystique, the Vision, the Call for Change he can Deliver! Barack is challenging America to reclaim the American Dream. Barack calls for a new kind of politics, one of Hope, Change, Reform and Bipartisanship unity. Grounded in his inexorable faith in the founding principles of America, the Constitution. America is truly blessed to have a man with great wisdom, perception, and sound judgement.

Obama Jill Abramson, Vincent Alabiso, Toshiya Masuda, 2009 The remarkable story of Barack Obama's journey to the White House with award winning author contributions. Includes coverage of the inauguration and color photos.
