3DIY Ray Zone, 2013-05-02 A must-have read for anyone looking to take their independently-produced film or video into the 3rd dimension. The text features technical, practical, and inspirational insight from the visionaries who've been producing 3D film and video for decades, not just in the recent past. They offer low-cost techniques and tricks they've been implementing themselves for years. A variety of styles are discussed, from full CG to time lapse - even a film made during a freefall skydive jump! The filmmakers discuss * Options for on-set playback * Preparing for final playback in various formats * Adapting existing technology to your needs * Post production software choices * Working with computer graphics in 3D This book includes 3D glasses and a companion YouTube channel featuring the work of the filmmakers featured in the book (which you can view in 3D with the glasses), as well as the opportunity for you to upload your own videos for critique and feedback from the author and others. 3D glasses are not included in the purchase of the e-book of 3-DIY. If you have purchased the e-book, and would like a pair of 3D glasses, please contact the publisher at Dennis.McGonagle@taylorandfrancis.com

Seeing Red Cars Laura Goodrich,2011 Surely you've experienced something like this: you buy a red car, and suddenly red cars appear everywhere. Why? Because you're focusing on red cars - and you get more of whatever you focus on. But much of the time, consciously and unconsciously, we dwell on what we don't want, and that's what we get. Drawing on the latest scientific research, Laura Goodrich shows you how to stop fixating on negatives and rewire your brain to focus on positive outcomes. Unique and practical exercises - including a free online toolkit - and dozens of enlightening real

- life stories help you identify what you truly want so that it drives everything you do. And Goodrich shows how Seeing Red Cars can build organizational cultures in which employees are playing to their passions and strengths, focusing on what they want, and achieving breakthrough results.

Library as Safe Haven Deborah D. Halsted, Shari C. Clifton, Daniel T. Wilson, 2014 Libraries have always played a special role in times of disaster by continuing to provide crucial information and services. The Stafford Act of 2011, a federal government directive, designates libraries as among the temporary facilities delivering essential services, making a Continuity of Operations Plan imperative for libraries. Peppered with informative first-person narratives from librarians recounting emergency situations, Halsted, Clifton, and Wilson cover such topics as: An eight-step approach to developing a risk assessment plan How to draft a one-page service continuity plan Information on how to use mobile devices and social media effectively in times of disaster Sample disaster plans, along with model exercises, manuals and customizable communications Published in cooperation with the Medical Library Association (MLA), this nuts-and-bolts resource will enable libraries of all kinds to do their best while planning for the worst.

Disrupt You! Jay Samit,2015-07-07 In today's volatile business landscape, adaptability and creativity are more crucial than ever. It is no longer possible-or even desirable-to learn one set of job skills and to work your way up the ladder. At the same time, entrepreneurs with great ideas for new products or technologies that could change the world often struggle to

capture the attention of venture capital firms and incubators; finding the funding necessary to launch a start-up can feel impossible. The business leaders of our future must anticipate change to create their own opportunities for personal satisfaction and professional success. In *Disrupt You!*, Jay Samit, a digital media expert who has launched, grown, and sold start-ups and Fortune 500 companies alike, describes the unique method he has used to invent new markets and expand established businesses. Samit has been at the helm of businesses in the ecommerce, digital video, social media, mobile communications, and software industries, helping to navigate them through turbulent economic times and guide them through necessary transformation so that they stay ahead of the curve. In *Disrupt You!*, he reveals how specific strategies that help companies flourish can be applied at an individual level to help anyone can achieve success and lasting prosperity-without needing to raise funds from outside investors. Incorporating stories from his own experience and anecdotes from other innovators and disruptive businesses-including Richard Branson, Steve Jobs, Elon Musk, YouTube, Circ du Soleil, Odor Eaters, Iams, Silly Putty, and many more-Samit shows how personal transformation can reap entrepreneurial and professional rewards.*Disrupt You!* offers clear and empowering advice for anyone looking to break through; for anyone with a big idea but with no idea how to apply it; and for anyone worried about being made irrelevant in an era of technological transformation. This engaging, perspective-shifting book

demystifies the mechanics of disruption for individuals and businesses alike.
