Julius Caesar

**The Victrola Book of the Opera** S. H. Dudley, Samuel Holland Rous, 1917

The Victor Book of the Opera , 1912

**Les sermons universitaires parisiens de 1230-1231** Marie-Madeleine Davy, 1931 Durant tout le Moyen-Age, la predication universitaire fait partie integrante de l'enseignement de la Faculte de theologie: nombre de manuels combinent elements techniques et recueils d'exemples disposes dans des cadres invariablement precis. Si l'on peut ainsi constater une analogie de structure entre les sermons, il reste neanmoins une certaine liberte dans le dosage des elements a utiliser, et c'est la ce qui fait la richesse du genre. Certes, il convient avant tout d'enseigner la religion et la morale, mais il ne s'agit pas d'un simple expose du dogme et des vertus. Au contraire, le theme doit etre interprete selon les circonstances et les auditoires, les sermons pouvant etre prononces devant des clerics, des vierges et des soldats . En cela la predication reste originale et, en nous offrant une peinture fidele de la societe contemporaine, elle deploie toutes les enluminures du symbolisme. Source d'informations doctrinales, historiques et litteraires, les sermons universitaires du XIIIe siecle font ici l'objet d'une etude exhaustive, completee par un large choix de textes.

**The Metropolitan Opera Stories of the Great Operas** John W. Freeman, Metropolitan Opera (New York, N.Y.), 1984 Here at last is the definitive opera story collection, the only one now authorized by the Metropolitan Opera. Written by the associate editor of Opera News magazine, the volume includes the complete plots of 150 different operas, biographical information on all of the 72 composers represented, easy access to the stories through both a table of contents and an index, and a foreword by Peter Allen.

**Opera Offstage** Milton Brener, 1997 Who inspired Carmen's fiery heroine? Was there a plot behind the hostile reception to the premiere of Madame Butterfly? What compromises did Richard Strauss make with the Nazi government to get Die Schweigsame Frau produced? Opera Offstage brings to light the intriguing tales behind twenty-seven of the greatest operas of all time. Milton Brener ignites new appreciation for these classics and their composers by revealing the histories and human circumstances surrounding their creation. You'll find the real-life stories behind many operas to be just as passionate, whimsical, and tragic as the operas themselves. Opera Offstage offers an entertaining way for new fans to get acquainted with opera, as well as a fresh look at some old favorites for lifelong aficionados.

**The Little Book of Opera** Duncan Bock, 1996 The Little Book of Opera is a collection of writings by enthusiasts, celebrating the sublime marriage of words and music that has dazzled audiences with an unparalleled parade of both high and low drama since the 16th century. Richly illustrated with archival images from the world's great opera houses and performances, the book makes an ideal gift for the devoted season ticket holder.

**Trouble in Tahiti** Leonard Bernstein, 1988

*Losing the Plot in Opera* Brian Castles-Onion, 2010-06-29 The world of opera is a mystery to some and a comedy to others, but it is deadly serious to the people who live and breathe it. Opera conductor Brian Castles-Onion has seen opera from all sides and has decided to step back and reflect on the great operas and on the people who bring them to the stage. In this book he offers light-hearted accounts of some of the best-known operas, spiced

with anecdotes and behind-the-scenes gossip, as well as his impressions of the famous stereotypes of the operatic world: emotional sopranos, bitchy tenors, incompetent choruses and rebellious orchestras. The operas may be tragic, but Brian's re-tellings of Tosca, La bohme, Turandot, Carmen, Madama Butterfly, La Traviata and more are hilarious - and strangely informative. The specialised worlds of Wagner and Gilbert & Sullivan do not escape his acid wit, and he also casts a wry eye over some of his fellow-conductors. Altogether, this is a book that will delight both the seasoned opera buff and the opera virgin: settle in your armchair and prepare to be entertained!

**A Second Book of Operas** Henry Edward Krehbiel,1917 Excerpt: ...vespers. Therefore a chorus. Not that we have anything to say that concerns the story in any way. Din, don That would suffice, but if you must have more: Let's to church. Din, don. All's right with love and the sunset. Din, don But mamma has her eye on the young folk and their inclination for kissing. Din, don Bells and pipes are echoed by the singers. Her husband is gone to the tavern for refreshment and Nedda is left alone. There is a little trouble in her mind caused by the fierceness of Canio's voice and looks. Does he suspect? But why yield to such fancies and fears? How beautiful the mid-August sun is Her hopes and longings find expression in the Ballatella
