Paradise Quest Mark R. Waseka,2017-12-27 My story begins in 1971 when alcohol was first introduced to me at 5 years of age and quickly progresses to the 1990's when drugs became a predominate force in my life. With the combination of alcohol, drugs and untreated depression in control, the thought of Suicide stood on the other side of the revolving door and at the forefront of my life on a day to day basis. Though suicidal ideations were a constant during my earlier years, it wasn't until my later years that the ideations became reality with multiple attempts to sit at my Lord's table and experience the ultimate Paradise. My story consists of a vast array of experiences primarily in the Florida Keys. A life of Hedonism led to multiple suicide attempts, several of which my survival can only be attributed to 100% Divine Intervention. It wasn't until my final attempt failed that I truly found God and began my walk with Him down the narrow road to salvation. My destiny, that my Lord and Savior designed for my life before I was ever conceived has begun to unfold. I believe, as a direct result of my vast past experiences with constant trials, temptations, tribulations and the wisdom gained thereof my Lord is finally able to utilize me to help change the lives of many people and society at large.

The Battle for Paradise Jeremy Evans,2015-10-01 **CORRECTION:** Regarding the book, The Battle for Paradise by Jeremy Evans, the following correction has been made on page 163 in paragraph three (3) to wit: "Weston once worked in concert with government officials in a pre-planned sting operation, complete with marked bills: Weston, whose role in the operation involved paying a bribe to the Golfito mayor for a concession and then documenting the bribe as a way to expose the mayor as a corrupt government official, was a former cocaine dealer, according to Dan, and someone who illegally acquired possession of his sawmill property." Pavones, a town located on the southern tip of Costa Rica, is a haven for surfers, expatriates, and fishermen seeking a place to start over. Located on the Golfo Dulce (Sweet Gulf), a marine sanctuary and one of the few tropical fjords in the world, Pavones is home to a legendary surf break and a cottage fishing industry. In 2004 a multinational company received approval to install the world's first yellowfin tuna farm near the mouth of the Golfo Dulce. The tuna farm as planned would pollute the area, endanger sea turtles, affect the existing fish population, and threaten the world-class wave. A lawsuit was filed just in time, and the project was successfully stalled. Thus began an unlikely alliance of local surfers, fishermen, and global environmental groups to save a wave and one of the most biodiverse places on the planet. In The Battle for Paradise, Jeremy Evans travels to Pavones to uncover the story of how this ragtag group stood up to a multinational company and how a shadowy figure from the town's violent past became an unlikely hero. In this harrowing but ultimately inspiring story, Evans focuses in turn on a colorful cast of characters with an unyielding love for the ocean and surfing, a company's unscrupulous efforts to expand profits, and a government that nearly sold out the perfect wave.

Ways to Paradise Michael Loewe,2022-04-30 First published in 1979, in Ways to Paradise Michael Loewe, an internationally recognised authority on Han China, assesses a wealth of an archaeological evidence in an attempt to uncover the attitudes of the pre-Buddhist Chinese to matters relating to death and hereafter. Dr Loewe examines in particular three major subjects of Han art and iconography: a recently found silk painting from Central China dating from around 168 BC; the numerous bronze mirrors of the so-called TLV pattern that came into fashion at the beginning of the Christian era, and which are especially rich in cosmological symbolism; and the representations of the Queen Mother of the West which appear as a leading motif of Chinese art from perhaps a century later. These Dr Loewe sets within a framework of contemporary literature and historical incident to create a wonderfully vivid picture of religious life and thought in this early and fascinating period of Chinese history which was to contribute so much to later developments in Far Eastern Philosophy, religion and art.

Haunted by Paradise James Bernard Murphy,2021-01-07 The Bible today is weaponized by both liberals and conservatives, side cherry-picking their favorite verses. Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates—why even the devil quotes Scripture? If so, you will enjoy this book. Haunted by Paradise reveals the unity and coherence of the Bible in the light of paradise. The Bible begins in Eden and ends in the new Jerusalem—in between, the Bible is haunted by the memory of paradise lost and the hope for paradise regained. With paradise as the interpretive key, Murphy unlocks biblical ethics. He shows that there is no Old Testament ethics or New Testament ethics—only a unified biblical ethics. In sixteen short chapters, this book addresses urgent moral questions about issues ranging from capital punishment to war, including divine justice, homosexuality, marriage, nature, racism, patriarchy, and work. In each chapter, Murphy shows how the Bible negotiates the tension between divine ideals and human realities.

The Quest for Paradise Jane Hall Fitz-Gibbon; Andrew Fitz-,2012-08-31 Life for Dr. Owen Breese-Jones—ex-British army officer, turned philosophy professor—seems tranquil enough. That is, until the day a painting is stolen from the prestigious Queen's University in the north east of England. Breese-Jones is soon embroiled in theft, murder and mystery as, with local crime reporter Sineade Callaghan, he tries to uncover the truth of the missing painting. Set against the tangled life of the university, the story contains strong characterization—from the implacable Harold 'Birty' Birtles, university head porter, to Professor Jake Jackson—"Hell, I'm the only liberal from Texas," and dour Geordy Detective Sergeant John Fisher; from the imperturbable third-wave feminist Dr. Julia Baxter, to Hashemi Motallebi, Iranian grad-student, pursuing the American dream, and Father Brian Flannery, Irish priest turned hermit and Breese-Jones's friend and confidante.

A Quest for Paradise Mary Nicholas,Mary Avers,2018-02-06 The first two books of the Paradise Series, Pretentious Paradise and A Quest For Paradise, follow the story of Jina Kinney, a daddy's girl, raised among the elite of

Charleston. After losing her high school love to presumptions and prejudice, she follows what she believes are the expectations of her family and marries a suitable young man. After a few years of tranquil marriage, her steady way of life is presented with unexpected twists and tribulations as her long-ago lover, Grant, moves to the same area as herself and befriends her husband. Throughout the chapters and chance meetings, the prejudice and harsh feelings she once harbored toward Grant dissolve into a confusing tangle of love and distrust. Meanwhile, her marriage begins to sour as she and her husband lose sight of anything they may have had in common years before. Torn between doing right by her marriage and the passion that had never died between herself and Grant, Jina begins to lose faith and hold on her perfect world as well as losing sight of who she is and any self-love she once had. In *A Quest For Paradise*, Jina's marriage takes a turn for the worst as her husband begins to abuse her, both physically and emotionally. In a winter storm, Justin's violence reaches its peak and in a moment of panic and bloodshed, she loses a close friend. The shamble is enough for her to make a bolt for freedom but almost costs her own life as well. Just when she may stand a second chance at true love, presumptions once again drive her and Grant apart. After a heartbreaking death in the family, Jina launches out on her own to rediscover who she is as a person and to build the confidence her volatile marriage had stolen from her. Through the rescue of a close friend, a chance meeting with a divulging character, and the freedom she finds on the island of Galveston, Jina finally rids herself of the weight and shackles of presumptions and stands another chance at love...but this time, she may have two to choose between - the past or the present.

The Quest For Paradise John Ashton, 2001-10-23 In every culture, in every epoch, human beings have yearned for heaven -- the dwelling place of the gods, mirror of our hopes and desires. Now, in *The Quest for Paradise*, renowned scholar John Ashton and his colleague Tom Whyte offer an intriguing look at how we have thought of and envisioned heaven and the afterlife, from the ancient cultures of Egypt, Greece, and Rome, to the Christians, Jews, Buddhists, Hindus, and Muslims, as well as the indigenous peoples of the Americas, Australia, and Africa. Lavishly illustrated with extensive depictions of heaven in art from around the world, and drawing on scriptures, myths, epics, poems, novels, philosophy, and other writings from many cultures, *The Quest for Paradise* illuminates the vast spectrum of beliefs about the world beyond. The book also explores the concept of utopia, or paradise on earth, from the perspective of such diverse thinkers as H.G. Wells, D.H. Lawrence, Margaret Mead, and Aldous Huxley. Ashton and Whyte present a fascinating array of ancient and modern views of heaven. Included are extraordinary inhabitants and geographical features, representing scenes from works such as *The Odyssey*, the Bible, the Quran, and the Sukhavativyuha Sutras, and from the works of writers such as Hesiod, Ovid, Virgil, Dante, Milton, and Yeats, highlighting both the diversity and the universality of reflection on heaven.

Dostoyevsky's Critique of the West Bruce K. Ward, 2010-10-30 Not much attention has been given to Dostoyevsky's concern with the crisis of the modern West, although allusions to almost every aspect of Western civilization—including the political, economic, and social dimensions—are present in his literary works and abound in his secondary writings. This book points the way to a better understanding of the apparent contradiction

between Dostoyevsky's concern with the highest reaches of human spirituality and at the same time with the most detailed developments in domestic and international politics. Ward argues that the apparent polarization of religious thought and political analysis of the West are held together for Dostoyevsky in his search for the best human order. He demonstrates not only that Dostoyevsky's observations about the West constitute a coherent critique intimately related to the deepest aspects of his thought, but also that these can be rendered more systematic and explicit. What results is an incisive account of both the religious and the political thought of Dostoyevsky, which helps clarify what Dostoyevsky can teach us about the modern situation of the Western world and about the problem of human order in general, for, as the author states, it was Dostoyevsky's great virtue as a thinker always to see the pressing issues of his particular time and place in the light of the 'everlasting problems.'
