Mark R. Waseka

Paradise Quest Mark R. Waseka,2017-12-27 My story begins in 1971 when alcohol was first introduced to me at 5 years of age and quickly progresses to the 1990's when drugs became a predominate force in my life. With the combination of alcohol, drugs and untreated depression in control, the thought of Suicide stood on the other side of the revolving door and at the forefront of my life on a day to day basis. Though suicidal ideations were a constant during my earlier years, it wasn't until my later years that the ideations became reality with multiple attempts to sit at my Lord's table and experience the ultimate Paradise. My story consists of a vast array of experiences primarily in the Florida Keys. A life of Hedonism led to multiple suicide attempts, several of which my survival can only be attributed to 100% Divine Intervention. It wasn't until my final attempt failed that I truly found God and began my walk with Him down the narrow road to salvation. My destiny, that my Lord and Savior designed for my life before I was ever conceived has begun to unfold. I believe, as a direct result of my vast past experiences with constant trials, temptations, tribulations and the wisdom gained thereof my Lord is finally able to utilize me to help change the lives of many people and society at large.

The Battle for Paradise Jeremy Evans,2015-10-01 CORRECTION: Regarding the book, The Battle for Paradise by Jeremy Evans, the following correction has been made on page 163 in paragraph three (3) to wit: “Weston once worked in concert with government officials in a pre-planned sting operation, complete with marked bills: Weston, whose role in the operation involved paying a bribe to the Golfito mayor for a concession and then documenting the bribe as a way to expose the mayor as a corrupt government official, was a former cocaine dealer, according to Dan, and someone who illegally acquired possession of his sawmill property.” Pavones, a town located on the southern tip of Costa Rica, is a haven for surfers, expatriates, and fishermen seeking a place to start over. Located on the Golfo Dulce (Sweet Gulf), a marine sanctuary and one of the few tropical fjords in the world, Pavones is home to a legendary surf break and a cottage fishing industry. In 2004 a multinational company received approval to install the

world's first yellowfin tuna farm near the mouth of the Golfo Dulce. The tuna farm as planned would pollute the area, endanger sea turtles, affect the existing fish population, and threaten the world-class wave. A lawsuit was filed just in time, and the project was successfully stalled. Thus began an unlikely alliance of local surfers, fishermen, and global environmental groups to save a wave and one of the most biodiverse places on the planet. In *The Battle for Paradise*, Jeremy Evans travels to Pavones to uncover the story of how this ragtag group stood up to a multinational company and how a shadowy figure from the town's violent past became an unlikely hero. In this harrowing but ultimately inspiring story, Evans focuses in turn on a colorful cast of characters with an unyielding love for the ocean and surfing, a company's unscrupulous efforts to expand profits, and a government that nearly sold out the perfect wave.

Ways to Paradise Michael Loewe, 2022-04-30 First published in 1979, in *Ways to Paradise* Michael Loewe, an internationally recognised authority on Han China, assesses a wealth of archaeological evidence in an attempt to uncover the attitudes of the pre-Buddhist Chinese to matters relating to death and hereafter. Dr Loewe examines in particular three major subjects of Han art and iconography: a recently found silk painting from Central China dating from around 168 BC; the numerous bronze mirrors of the so-called TLV pattern that came into fashion at the beginning of the Christian era, and which are especially rich in cosmological symbolism; and the representations of the Queen Mother of the West which appear as a leading motif of Chinese art from perhaps a century later. These Dr Loewe sets within a framework of contemporary literature and historical incident to create a wonderfully vivid picture of religious life and thought in this early and fascinating period of Chinese history which was to contribute so much to later developments in Far Eastern Philosophy, religion and art.

Haunted by Paradise James Bernard Murphy, 2021-01-07 The Bible today is weaponized by both liberals and conservatives, side cherry-picking their favorite verses. Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates—why even the devil quotes Scripture? If so, you will enjoy this book. *Haunted by Paradise* reveals the unity and coherence of the Bible in the light of paradise. The Bible begins in Eden and ends in the new Jerusalem—in between, the Bible is haunted by the memory of paradise lost and the hope for paradise regained. With paradise as the interpretive key, Murphy unlocks biblical ethics. He shows that there is no Old Testament ethics or New Testament ethics—only a unified

biblical ethics. In sixteen short chapters, this book addresses urgent moral questions about issues ranging from capital punishment to war, including divine justice, homosexuality, marriage, nature, racism, patriarchy, and work. In each chapter, Murphy shows how the Bible negotiates the tension between divine ideals and human realities.

They were warned not to meddle in the affairs of below, but in the face of planetary disaster choices are made. Choices beckon that could destroy what has been held so long in secret even as a brighter future for some is promised. All choices have consequences, but few have the responsibility of purpose to make the right ones. Samantha has found herself in the unenviable position of being exclusively wanted by the government to take part in an exploratory science expedition that she considers not to be a wise move on her part. prejudice, she follows what she believes are the expectations of her family and marries a suitable young man. In *A Quest For Paradise*, Jina's marriage takes a turn for the worst as her husband begins to abuse her, both physically and emotionally. Just when she may stand a second chance at true love, presumptions once again drive her and Grant apart. After a heartbreaking death in the family, Jina launches out on her own to rediscover who she is as a person and to build the confidence her volatile marriage had stolen from her. The Quest for Paradise Saba Risaluddin,2014-05-02 One of the fundamental myths is that of the lost paradise; the past as a Golden Age. In certain spiritual traditions, the lost paradise is imagined as a garden. In others it is an ideal landscape where all is in order, beautiful and fruitful. With the passage of time, in some traditions it also came to stand for the life to come. *The Quest for Paradise* is well-illustrated with reproductions of paintings, mosaics and textiles on the theme of gardens and the paradise legends.
