**Paranormal Agency** Sophia Alexandra,2009-02-17 A black image engulfed the television screen for a full second, revealing narrowed slits over black pupils and a wide mouth. Alison McCarthy had seen it before. It was the face of death. Ever since the traumatic death of her little sister when she was sixteen, Alison has had a special gift—the ability to see the dead. After opening her own business, McCarthy's Paranormal Agency, Alison is frequently summoned to use her abilities to investigate hauntings and exorcise poltergeists. She is hired by Joshua Burt, who pleads with her to help convince his sister Emily that her house is not haunted. He fears that because of a traumatizing experience, his sister is hearing and seeing things that aren't really there. As Alison begins her investigation, she begins to notice strange and unnatural things happening that go far beyond the normal realm of the dead. Meanwhile, the ghost of Gregory Jones is following Alison around and soon partners with her to solve Emily's case. As Alison struggles to understand the larger mysteries that surround her, she is only just beginning to understand the power of the Soulless.

**The Paranormal Detection Agency** Anne Brooke,2016-12-26 When paranormal investigator Jack Atkinson meets new client Aaron Riley, he doesn't expect the attraction he feels for the man. Neither does he expect the haunting Aaron describes and which Jack is determined to solve.After their first meeting, the two men begin a passionate affair, which Jack is keen to continue. However, Aaron's attentions are focused on the need to rid himself of his ghosts and soon Jack discovers family secrets can run deeper than even he imagined. Will the truth destroy Jack and Aaron's budding relationship, or are they strong enough to survive it?Reviews: The characters are fun. They are well developed, and you get to like them. They are as believable as a paranormal investigator and the man who falls for him can be. And I have to say the suspense of the book, the drama, finding the answers to the questions the haunting brings about is fun, and well done in the tradition of some of the mystery writers of our time. I really enjoyed The Paranormal Detection Agency, and recommend it for a quick, fun read that is not just like everything else. You will like it! (From a review at GGR Reviews)Anne Brooke created an amazing cast of characters for The Paranormal Detection Agency. Each had their own particular brand of snark. At the same time, they were each quite capable when the going got tough. The ending was unexpected but the finale was glorious. Take in The Paranormal Detection Agency by Anne Brooke and see for yourself. (From a review at Sensual Reads)The Paranormal Detection Agency is an entertaining read. Ghost, crazy family, and handsome men; what paranormal fan could pass it up? ... I love the relationship between Jack and Aaron. I look forward to reading more books by Ms. Brooke.
