Dynasty of Evil: Star Wars Legends (Darth Bane) Drew Karpysyn, 2011-06-28
The future of the dark side hangs in the balance in the stunning conclusion to the Darth Bane series. Twenty years have passed since the Sith and their endless rivalries were eradicated and replaced with the Rule of Two. Darth Bane now reigns alongside his young acolyte, Zannah, who must study and train in the dark side of the Force until the time comes to strike down her master and claim the mantle for herself. But Bane's brutal new regime has one potential fatal flaw—how will their legacy continue if an apprentice fails to raise their blade in combat? The only solution must be for the Dark Lord of the Sith to rediscover a long-forgotten secret of the order—the key to immortality. Bane's doubt spurs his young apprentice into action, and Zannah vows to destroy her master at any cost. After he mysteriously vanishes, she tracks him across the galaxy to a desolate desert outpost, where the fate of the dark side will be forged by a final fight to the death.

The Big Finish Brooke Fossey, 2021-03-23 One of Goodreads Top 25 Feel-Good and Escapist Books to Read in Quarantine as seen in USA Today “[A] funny, winning debut.”—People “Delightfully quirky and endearing...an absolute pleasure to read!”—#1 New York Times bestselling author Emily Giffin Meet Duffy, an old curmudgeon who lives in an assisted living home. Meet Josie, a desperate young woman who climbs through his window. Together, they’re going to learn it’s never too late—or too early—to change your ways. For Duffy Sinclair, life boils down to one simple thing: maintaining his residence at the idyllic Centennial Assisted Living. Without it, he’s destined for the roach-infested nursing home down the road—and after wasting the first eighty-eight years of his life, he refuses to waste away for the rest. So, he keeps his shenanigans to the bare minimum with the help of his straight-laced best friend and roommate, Carl Upton. But when Carl’s granddaughter Josie climbs through their bedroom window with booze on her breath and a black eye, Duffy’s faced with trouble that’s sticking around and hard to hide—from Centennial’s management and Josie’s toxic boyfriend. Before he knows it, he’s running a covert operation that includes hitchhiking and barhopping. He might as well write himself a one-way ticket to the nursing home...or the morgue. Yet Duffy’s all in. Because thanks to an unlikely friendship that becomes fast family—his life doesn’t boil down the same anymore. Not when he finally has a

chance to leave a legacy. In a funny, insightful, and life-affirming debut, Brooke Fossey delivers an unflinching look at growing old, living large, and loving big, as told by a wise-cracking man who didn't see any of it coming.

Public relations professionals are operating in an increasingly challenging and complex environment. Pressures from outside the organisation include new accountabilities, empowered stakeholders, increased public cynicism and a new communication landscape. Internally, there are increasing demands to demonstrate a strategic contribution, alongside a requirement to coach and counsel senior managers exposed to these environmental pressures. This revised and updated edition provides a framework to enable public relations professionals to clearly articulate and demonstrate their own contribution to organisational effectiveness, while also setting out the specific capabilities public relations leaders must exhibit to operate at the highest levels of the organisation. This edition further develops the pioneering approach to integrating thinking around public relations, leadership, and strategy. It has been updated comprehensively to address contemporary

developments and introduce new research and fresh perspectives from the authors. New to this edition are insights from Chief Executives on what they expect from public relations leaders and a comprehensive set of capabilities which scope the demanding role of professionals at the top of their game. Concise and practical, this textbook is suitable for MBA and other postgraduate and executive education qualifications in Public Relations and Corporate Communications – especially for those students who wish to pursue a successful career as a professional public relations specialist, able to operate strategically at the top of successful organisations.
