*Cape May Monarch Butterflies (Cape May Book 7)* Claudia Vance, 2021-10-30 October is approaching, and it's the perfect time to be in Cape May, where thousands of monarch butterflies stop during their famous migration south for the winter. A Pittsburgh gardening club has rented out the entire Seahorse Inn to see the monarch butterflies, but the problem is Margaret and Liz are not prepared for the viewing activities that were promised to them. On top of scrambling to come up with ways for the group to see the butterflies, a hurricane looms, headed straight down the coast towards Cape May. In the midst of the chaos, Dave wonders if he and Margaret will ever get around to planning their wedding. Meanwhile, Sarah is in for a rude awakening when she and Chris attempt to ride the hurricane out inland at Chris's parents' house. Donna and Dale agreed to start over with their relationship, and their first order of business is to redo their first date—but how many redos will it take? In Book 7 of the Cape May Series, ride out the hurricane, experience the wonder of the monarch butterfly migrations, and take in the beauty of the shore town while everyone discovers things have a way of working themselves out. This is Book 7 in the Cape May series. It is recommended to start at Book 1, The Cape May Garden.
