Saga is a Facebook and mobile app game from King. It is a match 3 puzzle game that rivals other games from King namely Candy Crush Saga, Papa Pear Saga and Pet Rescue Saga. There are many similarities between the games like matching similar items or color to eliminate them and getting points for every game to be converted to stars. The star point system is present in every King game. If you do well and you finish the level in style then you will get 3 out of 3 stars. You need at least 1 star to complete a level. Pepper Panic Saga is a game that will test your wits and your patience. It requires not just a formidable strategy but also a lot of patience to try and try a level until you get it.
