PHARAOH Mark L. Cohen,1999 Strategies for managing food production, health, trade, and education Learn how to pay homage to the gods with magnificent temples and shrines Tips for inspiring your citizens with religious shrines and lavish festivals Step-by-step guides to building pyramids and mastabas Insights into dominating your enemies with powerful armies and battle-tested tactics Learn how to control the waterways and increase world trade

DES NOMS DU PHARAON COMME TRES AUTONOMES AU NOUVEL EMPIREÉathie Spieser,2000 This volume, comprising text, catalogue and images, gathers together the iconographic and written sources for the representation of the plethora of names for the Egyptian pharaohs. The discussion focuses on the name as an element of one’s personality, the distinction between representation and being, and the nature of the cartouche.

RAMESSES II, EGYPT’S ULTIMATE PHARAOH Peter J. Brand,2023-03-01 Warrior, mighty builder, and statesman, over the course of his 67-year-long reign (1279-1212 BCE), Ramses II achieved more than any other pharaoh in the three millennia of ancient Egyptian civilization. Drawing on the latest research, Peter Brand reveals Ramses the Great as a gifted politician, canny elder statesman, and tenacious warrior. With restless energy, he fully restored the office of pharaoh to unquestioned levels of prestige and authority, thereby bringing stability to Egypt. He ended almost seven decades of warfare between Egypt and the Hittite Empire by signing the earliest international peace treaty in recorded history. In his later years, even as he outlived many of his own children and grandchildren, Ramses II became a living god and finally, an immortal legend. With authoritative knowledge and colorful details Brand paints a compelling portrait of this legendary pharaoh who ruled over Imperial Egypt during its Golden Age.

THE GLORY OF THE PHARAOHS Arthur Edward Pearse Brome Weigall,1923

PHARAOH SETI I Nicky Nielsen,2018-09-30 Pharaoh Seti I ruled Egypt for only 11 years (1290-1279 BC), but his reign marked a revival of Egyptian military and economic power, as well as cultural and religious life. Seti was born the son of a military officer in northern Egypt, far from the halls of power in Memphis and Thebes. However, when the last king of the 18th dynasty, Horemheb, died without an heir, Seti's father was named king. He ruled for only two years before dying of old age, leaving Seti in charge of an ailing superpower. Seti set about rebuilding Egypt after a century of dynastic struggles and religious unrest. He reasserted Egypt's might with a series of campaigns across the Levant, Libya and Nubia. He despatched expeditions to mine for copper, gold, and quarry for stone in the deserts, laying the foundations for one of the most ambitious building projects of any Egyptian pharaoh and his actions allowed his son, Ramses the Great to rule in relative peace and stability for 69 years, building on the legacy of his father.

PHARAOH Margaret Maitland,2012 Pharaoh King of Egypt explores the ideals and realities of kingship in ancient Egypt, from the earliest rulers who unified the peoples along the Nile to the Roman emperors who governed a conquered Egypt. This book investigates the three main roles of the pharaoh- as head of state, as chief priest and as commander of the army. Examples of larger-scale sculptures, jewellery, tiles and bronze figurines examine the well-crafted, official image of the pharaohs, while papyri, weapons and letters expose the more complicated world of ancient kingship and reveal the unique individuals who held the throne, including women, foreigners and usurpers-- Book Jacket.
