Understanding Adobe Photoshop Richard Harrington,2006-03-10 If you're exploring a career in digital imaging or design, then you're likely to encounter Photoshop along the way--you probably already have. But how well do you know it? Understanding Adobe Photoshop: Digital Image Concepts and Techniques goes beyond the school newspaper or internship and teaches you the fundamental digital imaging techniques in Adobe Photoshop and Photoshop Elements that you'll need to succeed both in the classroom and the workforce. While many Photoshop books focus on features, tools, or techniques, this book covers both the basics and delves into specific skills, tricks, and uses in multimedia. With a friendly style and interactive DVD-ROM, Richard Harrington covers digital imaging basics (correcting, editing, sharpening, retouching, and presenting photos) and shows you real-world projects and exercises, including: digital painting; designing a CD/DVD label, magazine cover, and advertisements; creating Web sites/animations; and more!

Understanding Adobe Photoshop CS6 Richard Harrington,2012-07-19 Photoshop is the foundation of every digital career. Many users think they know it, but in truth they have gaping holes in their training. This book covers what a professional truly needs to know about Photoshop. For students this book offers a chance to explore the program interactively. For professionals it provides a chance to add to their skill base. The book cuts through the clutter and is unique, focusing not just on digital photography, but also the Web, graphic design, and video. Readers will learn the essentials in correcting, editing, sharpening, retouching, and presenting photos as well as work on specific projects/exercises. Coverage of exciting C6 features includes: Content Aware Move, Blur Gallery, Video Editing, Nondestructive Cropping, Text Styles, Oil Paint, and many performance enhancements and shortcuts. The full-color book includes hand-on exercises and practice images as well as 109 new video training tutorials that expand on the lessons in the book. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for Where are the lesson files? Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
