

Picture Arts

Landon Palmer

Putting the Arts in the Picture Nick Rabkin, Robin Redmond, 2004 Across the country, schools that integrate the arts into the fabric of the school day and across the curriculum defy educational odds and expectations. These schools demonstrate that the arts are profoundly cognitive and engaging and that arts integration is a strategy within the reach of schools even in the poorest communities. *Putting the Arts in the Picture* makes a powerful and original argument for placing the arts at the center of educational renewal. The authors investigate the success of arts integrated schools and the programs that have supported them, and explain why arts integration has such cognitive power. *Putting the Arts in the Picture* places arts integration within the long arc of efforts to realize the democratic promise of public education and examines how other nations have mobilized the arts to focus young people's need to learn and grow. Throughout, the authors suggest practical strategies--for educators, policymakers, school reformers, philanthropists, and parents--that can make arts integration broadly available to the children who need it most.

When Women Wrote Hollywood Rosanne Welch, 2018-06-19 This collection of 23 new essays focuses on the lives of female screenwriters of Golden Age Hollywood, whose work helped create those unforgettable stories and characters beloved by audiences--but whose names have been left out of most film histories. The contributors trace the careers of such writers as Anita Loos, Adela Rogers St. Johns, Lillian Hellman, Gene Gauntier, Eve Unsell and Ida May Park, and explore themes of their writing in classics like *Gentlemen Prefer Blondes*, *Ben Hur*, and *It's a Wonderful Life*.

Practical Art of Motion Picture Sound David Lewis Yewdall, 2012 ADR and looping --

Latina/o Communication Studies Today Angharad N. Valdivia, 2008 This book brings together contemporary and exciting research within communication and Latina/o studies. Written in a clear, accessible manner and based on original research drawn from a broad range of paradigms - from textual analysis to reception studies and political economy - *Latina/o Communication Studies Today* provides an invaluable resource and excellent case studies for those already conducting research and teaching in Latina/o communication studies. The media studied include radio, television, cinema, magazines, and newspapers.

The Stardom Film Karen McNally, 2020-12-08 Since the earliest days of the movie industry, Hollywood has mythologized itself through stories of stardom. A female protagonist escapes the confines of rural America in search of freedom in a western dream factory; an ambitious, conceited movie idol falls from grace and discovers what it means to embody true stardom; or a fading star confronts Hollywood's obsession with youth by embarking on a determined mission to reclaim her lost fame. In its various forms, the stardom film is crucial to understanding how Hollywood has shaped its own identity, as well as its claim on America's collective imagination. In the first book to focus exclusively on these modern fairy tales, Karen McNally traces the history of this genre from silent cinema to contemporary film and television to show its significance to both Hollywood and broader American culture. Drawing on extensive archival research, she provides close readings of a wide range of films, from *Souls for Sale* (1923) to *A Star is Born* (1937 and 1954) and *Judy* (2019), moving between fictional narratives, biopics, and those that occupy a

space in between. McNally considers the genre's core set of tropes, its construction of stardom around idealized white femininity, and its reflections on the blurred boundaries between myth, image, and reality. The Stardom Film offers an original understanding of one of Hollywood's most enduring genres and why the allure of fame continues to fascinate us.

Words about Pictures Perry Nodelman,1990-08-01 A pioneering study of a unique narrative form, Words about Pictures examines the special qualities of picture books--books intended to educate or tell stories to young children. Drawing from a number of aesthetic and literary sources, Perry Nodelman explores the ways in which the interplay of the verbal and visual aspects of picture books conveys more narrative information and stimulation than either medium could achieve alone. Moving from baby books, alphabet books, and word books to such well-known children's picture books as Nancy Ekholm Burkert's Snow White and the Seven Dwarfs, Gerald McDermott's Arrow to the Sun, Maurice Sendak's Where the Wild Things Are, and Chris Van Allsburg's The Garden of Abdul Gasazi, Nodelman reveals how picture-book narrative is affected by the exclusively visual information of picture-book design and illustration as well as by the relationships between pictures and their complementary texts.

Evenings With Cary Grant Nancy Nelson,2002 Now in paperback, this is a sublime and candid look at the man named Archie Leach who transformed himself by sheer willpower, work, talent and perseverance into the incomparable Hollywood star, Cary Grant. Timed for release just after the Cary Grant Centennial, the 100th Anniversary of his birth on January 18, 2004, this book reveals not only the debonair, witty leading man but the humble, shy and vulnerable human being. Forget the other Grant books, this is it. Superb' - Kirkus Reviews 'A standout biography' - Philadelphia Inquirer'

MGM Style Howard Gutner,2019-09-17 MGM Style is an overview of the career and achievements of Hollywood's most famous art director. Cedric Gibbons was the supervisor in charge of the art department at Metro-Goldwyn-Mayer film studios from its inception in 1924 until Gibbons chose to retire in 1956. Lavishly illustrated with over 175 pristine duotone photographs, the vast majority of which have never before been published, this is the first volume to trace Gibbons' trendsetting career. At its height in the late 1930s and early 1940s, Gibbons was regularly acknowledged by his peers as having shaped the craft of art direction in American film; his work was recognized as representing the finest in motion picture sets and settings. Gibbons and his associates constructed the villages, towns, streets, squares and edifices that later appeared in hundreds of films, and whose mixed architecture stood in for army camps and the wild west, Dutch New York and Dickensian London, ancient China and modern Japan. Inspired by the work of Le Corbusier and the Bauhaus masters, as well as the 1925 Exposition Internationale des Arts Décoratifs et Industriels Modernes in Paris and Frank Lloyd Wright's experiments with open planning, Gibbons championed the notion that movie decor should move beyond the commercial framework of the popular cinema

Rock Star/Movie Star Landon Palmer,2020-06-30 During the mid-1950s, when Hollywood found itself struggling to compete within an expanding entertainment media landscape, certain producers and studios saw an opportunity in making films that showcased performances by rock 'n' roll stars. Rock stars eventually found cinema to be a useful space to extend their creative practices, and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect

multiple media properties. Indeed, casting rock stars for film provided a tool for bridging new relationships across media industries and practices. From Elvis Presley to Madonna, this book examines the casting rock stars in films. In so doing, *Rock Star/Movie Star* offers a new perspective on the role of stardom within the convergence of media industries. While hardly the first popular music culture to see its stars making the transition to screen, the timing of rock's emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change. At the same time, a post-star-system film industry provided a welcoming context for rock stars who have valued authenticity, creative autonomy, and personal expression. This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new - ideal media laborers whose power lies in the fact that they are rarely recognized as such. Combining star studies with media industry studies, this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries. It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used.

Jack Lord Sylvia D. Lynch, 2018-03-22 Before his rise to superstardom portraying Detective Steve McGarrett on the long-running police drama *Hawaii Five-0*, Jack Lord was already a dedicated and versatile actor on Broadway, in film and on television. His range of roles included a Virginia gentleman planter in *Colonial Williamsburg (The Story of a Patriot)*, CIA agent Felix Leiter in the first James Bond movie (*Dr. No*) and the title character in the cult classic rodeo TV series *Stoney Burke*. Lord's career culminated in twelve seasons on *Hawaii Five-0*, where his creative control of the series left an indelible mark on every aspect of its production. This book, the first to draw on Lord's massive personal archive, gives a behind-the-scenes look into the life and work of a TV legend.

Hollywood: The Movie Lover's Guide Richard Alleman, 2013-03-06 The classic guide to who-did-what-where in Los Angeles, on- and off-screen, including: Film & TV locations: the Hollywood Hills house where Barbara Stanwyck seduced Fred MacMurray in *Double Indemnity*...the funky apartment building where William Holden lived in *Sunset Boulevard*...the exotic Frank Lloyd Wright mansion that's housed everyone from Harrison Ford in *Blade Runner* to David Boreanaz on TV's *Buffy the Vampire Slayer*...the landmark Art Deco former department store that has doubled for a glamorous hotel in *Topper* (1936) and an elegant nightclub in *The Aviator* (2004)... the Halloween and Nightmare on Elm Street houses... the *Seinfeld* and *Alias* apartment buildings... the Six Feet Under funeral home...The Brady Bunch and Happy Days houses...the Charlie's Angels office...the real Melrose Place...and many more VIP tours: from legendary studios like Warner Bros., MGM (now Sony Pictures), and Universal to movie-star homes like Barbra Streisand's former Malibu compound... Crime scenes and scandal spots: the driveway where Sal Mineo was murdered, the Nicole Brown Simpson condo, the Sharon Tate estate, Marilyn Monroe's last address, the Beverly Hills Mansion where Bugsy Siegal was rubbed out...the Hollywood hotel where Janice Joplin O.D.'d... Plus: Remarkable new museums...Superstar cemeteries...Historic hotels...Hip clubs and restaurants....Fabulous restored movie palaces... Spectacular movie star

mansions and château apartments... Taking movie lovers behind the gates of the exclusive, often hidden world of Tinsel Town, Hollywood: The Movie Lover's Guide is the ultimate insider's guide to L.A.'s reel attractions.

Behind the Picture British Academy Wolfson Research Professor Department of the History of Art Martin Kemp, Martin Kemp, Emeritus Professor of the History of Art Martin Kemp, 1997-01-01 Considers the business of picture-making in the Renaissance. In particular, the text discusses the role of the artist and the functions of works of art in relation to their various kinds of audience.

The Art of Eric Carle Eric Carle, 2021-03-09 Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

Movies Magnificent: 150 Must-See Cinema Classics John Reid, 2005-09 Few people would argue with the films selected for detailed notices and reviews in this book. Many of the movies are award-winners, and most chalked up impressive figures at the box-office. Who would dispute the inclusion of Citizen Kane or Rebecca or The Best Years of Our Lives? However, along with The Yearling and Reap the Wild Wind and Hello, Frisco, Hello, I've also included a few surprises. A magnificent publication. -- Rodney Bourke in International Movie Making (April 2006).

Classical Film Violence Stephen Prince, 2003 Examines the interplay between the aesthetics and the censorship of violence in classic Hollywood films from 1930 to 1968, the era of the Production Code, when filmmakers were required to have their scripts approved before they could start production. A stylistic history of American screen violence that is grounded in industry documentation. [back cover].

Hillbilly Anthony Harkins, 2003-11-20 In this pioneering work of cultural history, historian Anthony Harkins argues that the hillbilly-in his various guises of briar hopper, brush ape, ridge runner, and white trash-has been viewed by mainstream Americans simultaneously as a violent degenerate who threatens the modern order and as a keeper of traditional values of family, home, and physical production, and thus symbolic of a nostalgic past free of the problems of contemporary life. Hillbilly signifies both rugged individualism and stubborn backwardness, strong family and kin networks but also inbreeding and bloody feuds. Spanning film, literature, and the entire expanse of American popular culture, from D. W. Griffith to hillbilly music to the Internet, Harkins illustrates how the image of the hillbilly has consistently served as both a marker of social derision and regional pride. He traces the corresponding changes in representations of the hillbilly from late-nineteenth century America, through the great Depression, the mass migrations of Southern Appalachians in the 1940s and 1950s, the War on Poverty in the mid 1960s, and to the present day. Harkins also argues that images of hillbillies have played a critical role in the construction of whiteness and modernity in twentieth century America. Richly illustrated with dozens of photographs, drawings, and film and television stills, this unique book stands as a testament to the enduring place of the hillbilly in the

American imagination. Hillbilly received an Honorable Mention, John G. Cawelti Book Award of the American Culture Association.

Visual Encyclopedia DK,2020-10-27 Packed with facts and illustrations, this landmark book offers a reliable, visually stunning, and family-friendly alternative to online information sources. This fully illustrated encyclopedia is the antidote to the internet. It's an expertly written and beautifully presented reference for a world overloaded with unreliable information. From quantum physics to the square of the hypotenuse, Ancient Rome to the depths of the oceans, this is your one-stop knowledge shop for the digital age-clear, simple, accurate, and unbiased. This book is a comprehensive guide to a huge range of human knowledge and includes over 4,000 images to bring information vividly to life. Its format is accessible to a wide range of readers, so it's ideal for a variety of ages, for home study-or simply for browsing for fun. Parents and teachers can be confident that children won't see any unwanted content. Visual Encyclopedia is the ultimate easy-to-read family guide to science, nature, space, history, art, technology, leisure, culture, and more. The information is organized thematically for simple navigation, and clear signposting makes it easy to follow connections between subjects. For family, for study, for the simple pleasure of discovery, here is a trustworthy source of knowledge and enjoyment.
