The Pinnacle of Holiness D. L. Anderson, 2010-07 What Good Thing Must I Do to Enter Into Eternal Life? Almost 2,000 years ago, a rich younger ruler asked the Messiah this question. Messiah's response was revolutionary. He simply commanded the young ruler to go onto perfection. This verse and countless others prove this statement - perfection is the only manner in which we will enter into eternal life. From this reality evolves 2 central questions: 1. What does it mean to be perfect? 2. How do we achieve perfection? Quite simply, perfection is measured by our success at executing the will of the Father. We are only able to do so by first achieving holiness. By analyzing the 16 primary degrees of holiness, we will understand every facet of perfection, as well as deduce the correlation between all the principle components of scriptural theology. For example, what are your views on sin? Do you know that sinners can not inherit eternal life? Do you know that the Holy Spirit gives us power to make a clean break from both sin and our sinful nature? Furthermore, have you ever considered the lack of miracles, healing, signs, and wonders in our world? The Gospel is filled with them, although only a handful of believers wrought these works. As for us, we have millions of believers worldwide and still aren't doing a fraction of their works. Needless to say, the church circuit is filled with many spiritual deficits that will only begin to be resolved when each member fulfills the Greater Commission and goes on to perfection. In this book, I will address many of these deficits and show how they are only resolved by holiness. By the end of it, you will be prepared to set your foot upon the path to perfection and become heir to eternal life.

Plateau to Pinnacle Erin Tamberella, 2015-01-14 Plateau to Pinnacle is the story of Luke, a veteran financial advisor who's been in the business for 10 years. Luke always assumed he'd be a million-dollar producer but hits a plateau that ends up lasting for years. He's grown complacent and comfortable until a devastating event shatters his entire world. Feeling lost and wondering how he'll ever recover, he meets a powerful yet mysterious mentor, Victor Guise. Victor teaches Luke how to systematize his business, and together they lay the foundation he needs to reach the goal he'd all but abandoned. Luke learns much more than just business from his enigmatic mentor. As Victor helps Luke recognize and believe in his own potential again, his business changes and in the process, so does he. The book is content-rich and advisor-friendly. It pulls the content from each chapter into an easy-to-follow, step-by-step checklist for systematizing the advisor's practice.

Pinnacle City Carter Matt, Titchenell Fiona J. R., 2018-08-14 Pinnacle City is many things to many people. To some it is a glittering metropolis, a symbol of prosperity watched over by the all-star superhero team, the Pinnacle City Guardians. Beyond the glitz and glamour, there is another city, one still feeling the physical and economic damage of the superhero-villain battles of generations past. The lower class, immigrants, criminals, aliens, sorcerers, and non-humans alike call this city home, looking to make a living, which is becoming increasingly difficult as the two sides of the city seem prepared to boil over into a violent conflict. Private investigator Eddie Enriquez, born with the ability to read the histories of objects by touch, still bears the scars of his time as a youthful minion for a low-level supervillain, followed by stints in prison and the military. Though now trying to live a straight-and-narrow life, he supports a drinking problem and painkiller addiction by using his powers to track down insurance cheats. When a mysterious woman enters his office asking him to investigate the death of prominent non-human rights activist Quentin Julian, a crime the police and heroes are ignoring, he takes the case in the hopes of doing something good. Superhero Kimberly Kline has just hit it big, graduating from her team of young heroes to the Pinnacle City Guardians with the new codename of Solar Flare. With good looks, powers that include flight, energy manipulation, superhuman strength, durability, and speed, as well as a good family name, the sky is the limit for her. Upbeat, optimistic, and perhaps a little naïve from the upper-crust life she was raised in, she hopes to make her family, and the world, proud by being the greatest superhero she can be . . . but things aren't always as they seem. From the minds of Matt Carter and Fiona J. R. Titchenell, Pinnacle City is a pulpy, throwback noir of yesteryear, where two unlikely people from opposite sides of the track must team up to do good in a world full of so much bad.
