The Ghosts of Plaka Beach Stylianos Perrakis,2006 Sixty years after the end of World War II Stylianos (Stelios) Perrakis, Greek-born finance professor who has lived most of his life in Canada, went back to Greece to investigate a traumatic event in his family's history that colored his childhood years. The circumstances surrounding the kidnapping and murder of his maternal uncle by a Communist death squad in May 1944, in the Argolida region of the Greek Peloponnese, were cloaked in mystery, never discussed openly by family members. Using trial transcripts, interviews with survivors and with people involved in his uncle's kidnapping, and such primary materials as unpublished diaries and family correspondence, Perrakis managed to document the full sequence of events that led up to this family tragedy. He then widened his focus to draw out the implications of this particular event, painting an intimate picture of a prosperous middle-class provincial world faced with extraordinary challenges that it was unable to overcome.

Last Days in Plaka Henriette Lazaridis,2024-04-09 An immersive and multifaceted novel—The Talented Mr. Ripley by way of Elena Ferrante—that explores the lies at the heart of an old woman's identity and the desperation of a young woman's struggle to belong. Today's Athens is a city of contradictions and complexity—it is grand and scruffy, ancient and modern, full of strivers, refugees and old-timers—and nowhere more so than the neighborhood of Plaka, where the Parthenon looms overhead and two women grapple with what is right and what is true, and how to live your life when you are running out of time. Searching for connection to her parents' heritage, Greek-American Anna works at an Athens gallery by day and makes street art by night. Irini is elderly and widowed, once well-to-do but now dependent on the charity of others. When the local priest brings the two women together, it's not long before they form an unlikely bond. Anna's friends can't understand why she spends so much time with the old woman, yet Anna becomes more and more consumed by Irini's tales of a glamorous past. As they join the priest's tiny congregation to study the Book of Revelations in preparation for a pilgrimage to Patmos, Anna sinks deeper into Irini's stories of an estranged daughter and lost wealth and the earthquake damage to her noble home. Looking for revelation of her own, and driven by a sense that time is running out, Anna makes a decision that puts her in peril, exposes Irini's web of lies, and compels Anna to confront the limits of her own forgiveness.

The Ghosts of Plaka Beach Stylianos (Stelios) Perrakis, Stylianos (Stelios),2006-03 Sixty years after the end of World War II Stylianos (Stelios) Perrakis, Greek-born finance professor who has lived most of his life in Canada, went back to Greece to investigate a traumatic event in his family's history that colored his childhood years. He then widened his focus to draw out the implications of this particular event, painting an intimate picture of a prosperous middle-class provincial world faced with extraordinary challenges that it was unable to overcome. This is a book full of haunting images that far transcend the boundaries of family history. There are resistance fighters who turn into mass murderers, German troops who rescue innocent hostages slated for execution, entire communities who join the fight against the Communist resistance. There are also unexpected outbreaks of generosity and compassion. As distinguished Yale professor Stathis Kalyvas writes in the foreword, 'Don't be fooled by the small scale of the Ghosts of Plaka Beach, its modest ambition, and the author's claim that he has not written a history book. This is as rigorous and thoroughly researched a history book as they come; it is also much more insightful than most.'
