Free Play Stephen Nachmanovitch,1991-05-01 Free Play is about the inner sources of spontaneous creation. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy: the joy of making art in all its varied forms. An international bestseller and beloved classic, Free Play is an inspiring and provocative book, directed toward people in any field who want to contact, honor, and strengthen their own creative powers. Stephen Nachmanovitch, a pioneer in free improvisation, integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity, drawing on unusual quotes, amusing and illuminating anecdotes, and original metaphors. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. Free Play brings us into direct, active contact with boundless creative energies that we may not even know we had.

Making a Play Abbi Glines,2019-08-20 The fifth book in the #1 New York Times bestselling Field Party series—a southern soap opera with football, cute boys, and pick-up trucks—from USA TODAY and New York Times bestselling author Abbi Glines. Ryker Lee is finally enjoying his senior year—he has great friends, hangs out with hot girls, and is on track to get a football scholarship that will set him up for college. Despite this, a small part of him wonders if there’s more to life than parties and meaningless hookups—and if football even means as much to him as it does to his fellow teammates. And when he meets the new girl at school, his world totally changes... Aurora McClay is new to Lawton. She’s grateful that her twin brother, Hunter, is the star of the football team and can help her adjust to her new school, but she’s not grateful at how overprotective he is over every person she meets. Just because she’s deaf does not mean people have to treat her differently. When she meets Ryker Lee, the two of them spark an instant and intense chemistry, one that proves to be controversial not only because of Ryker’s reputation as a player, but also because of Aurora and Hunter’s father’s bigoted views about who Aurora can and can’t date. Aurora and Ryker know in their hearts that they are meant for each other. But can their relationship endure the turmoil of rumors and prejudice?

The Play Elle Kennedy,2019-10-07 A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year’s distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there’s nothing in the rulebook that says I can’t be friends with a woman. And I won’t lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she’s got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she’s making a play for me. Avoiding her is impossible. We’re paired up on a yearlong school project, but I’m confident I can resist her. We’d never work, anyway. Our backgrounds are too different, our goals aren’t aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

A Playbook for Habitual Excellence Mark Graban, 2020-09-09 Every leader aspires to be excellent, to inspire excellence, and to lead a great organization. The question, of course, is how to achieve these goals. One possible path is to understand and learn from leaders whose principles and practices have demonstrated the how. One such leader is Paul H. O'Neill, Sr. (1935-2020), former U.S. Treasury Secretary, former CEO of Alcoa, and a person who impacted U.S. healthcare policy and played an integral role throughout Value Capture's history. Paul would often ask other leaders, What do you want your legacy to be? He asked that as a way to get people to think well beyond themselves at that moment, and think of what they could influence and build in themselves and others for a better future. One element of Paul's legacy is the speeches that he gave over the years, sharing his experiences as a leader, to try to provide other leaders with guidance on how to achieve goals of excellence. A Playbook for Habitual Excellence: A Leader's Roadmap from the Life and Work of Paul H. O'Neill, Sr. collects a few of Paul's most notable speeches and Senate testimony. The principles that were Paul's True North are made clear, and hopefully, will help light the path that you take as a leader. We hope you find his words to be inspiring, informative, and useful. All royalties are being donated to one of Paul's favorite causes, The Neighborhood Academy.

Free-to-Play Christopher A. Paul, 2020-10-13 An examination of free-to-play and mobile games that traces what is valued and what is marginalized in discussions of games. Free-to-play and mobile video games are an important and growing part of the video game industry, and yet they are often disparaged by journalists, designers, and players and pronounced inferior to games with more traditional payment models. In this book, Christopher Paul shows that underlying the criticism is a bias against these games that stems more from who is making and playing them than how they are monetized. Free-to-play and mobile games appeal to a different kind of player, many of whom are women and many of whom prefer different genres of games than multi-level action-oriented killing fests. It's not a coincidence that some of the few free-to-play games that have been praised by games journalists are League of Legends and World of Tanks.

The Death of the Playground Kurt Philip Behm, 2009-02-26 The Death Of The Playground talks about the tragic loss of 'Free-Play' in America. Our Public Playgrounds were the places where it all happened, where developing boys could learn together to, : First sit and watch and learn from those older : Truly become an important part of a group and fit in : Make up their own games and improvise : That to have friends you must first be a friend : Handle disappointment and that life isn't always fair : Realize that all great things take time : To become part of something bigger than just themselves THIS ONE WAS MOST IMPORTANT ! On the Playground, they did all of this without DIRECT Parent or Adult supervision. They made up their own rules of play, picked their own games, decided for themselves what was fair, and learned to live with the consequences. All of this doesn't mean Parents weren't involved; they were. They just weren't over-involved! Kids raised with their parents doing everything for them, then 'grow up' and want their government to do the same thing. I think we all know where that road leads. America's Corporations desperately need the developing titans, like the ones that fought and won two World Wars, created the powerful multi-national corporations, and wrote the great books of the 20th century. The chain connecting boyhood to manhood is now broken. Let me take you back to find the missing link. Revisit with me the Playground of my childhood, and share with me the pure joy and magic of my 8 years of 'Free-Play.' It's not too late to recapture that magic for our children, but we have to act and we have to act soon. Kurt Philip Behm Website:
