Shoulder Season Christina Clancy, 2021-07-06 Named a Best Book of Summer by Good Morning America • CNN • Parade • EW • Travel & Leisure • PopSugar • New York Post • BuzzFeed • Brit & Co • SheReads • Women.com A dazzling portrait of a young woman coming into her own, the youthful allure of sex, drugs, and rock and roll, and what we lose—and gain—when we leave home. ONCE IN A LIFETIME, YOU CAN HAVE THE TIME OF YOUR LIFE The small town of Lake Geneva, Wisconsin is an unlikely location for a Playboy Resort, and nineteen-year old Sherri Taylor is an unlikely bunny. Growing up in neighboring East Troy, Sherri plays the organ at the local church and has never felt comfortable in her own skin. But when her parents die in quick succession, she leaves the only home she's ever known for the chance to be part of a glamorous slice of history. In the winter of 1981, in a costume two sizes too small, her toes pinched by stilettos, Sherri joins the daughters of dairy farmers and factory workers for the defining experience of her life. Living in the "bunny hutch"—Playboy's version of a college dorm—Sherri gets her education in the joys of sisterhood, the thrill of financial independence, the magic of first love, and the heady effects of sex, drugs, and rock and roll. But as spring gives way to summer, Sherri finds herself caught in a romantic triangle—and the tragedy that ensues will haunt her for the next forty years. From the Midwestern prairie to the California desert, from Wisconsin lakes to the Pacific Ocean, this is a story of what happens when small town life is sprinkled with stardust, and what we lose—and gain—when we leave home. With a heroine to root for and a narrative to get lost in, Christina Clancy's *Shoulder Season* is a sexy, evocative tale, drenched in longing and desire, that captures a fleeting moment in American history with nostalgia and heart.

The Lincoln Highway Amor Towles, 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill

Gates

Bachelors and Bunnies Carrie Pitzulo, 2011-05 Offering a surprising new take on a twentieth-century icon, *Bachelors and Bunnies* goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause.

Mad Gregg Hurwitz, 2014 Collects issues #16-21 of *BATMAN: THE DARK KNIGHT* and *BATMAN - THE DARK KNIGHT ANNUAL* #1.

Fallout Todd Strasser, 2015-05-12 “Combines terrific suspense with thoughtful depth. . . Riveting.” — *Kirkus Reviews* (starred review) In the summer of 1962, the possibility of nuclear war is all anyone talks about. But Scott’s dad is the only one in the neighborhood who actually builds a bomb shelter. When the unthinkable happens, neighbors force their way into the shelter before Scott’s dad can shut the door. With not enough room, not enough food, and not enough air, life inside the shelter is filthy, physically draining, and emotionally fraught. But even worse is the question of what will — and won’t — remain when the door is opened again.

No Logo Naomi Klein, 2000-01-15 What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands. Billy Bragg from the bookjacket.

The Handmaid's Tale Margaret Atwood, 2010-12-10 An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (*New York Times*). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

Playboy and the Making of the Good Life in Modern America Elizabeth Fraterrigo, 2009 In exploring the history of America’s most widely read and influential men’s magazine, Elizabeth Fraterrigo hones in on the values, style, and gender formulations put forth in its pages and how they gained widespread currency in American culture.

Song of the Sparrow Lisa Ann Sandell, 2008 She is Elaine of Ascolat, the Lady of Shalott. At sixteen, Elaine is beautiful and brave, with a temperament as fiery as her long red hair. She lives on Arthur’s army base with her father and brothers, the sole girl in a militaristic world of men. As she mends torn battle garments and heals wounds, Elaine often slips into daydreams, wishing the handsome Lancelot would see her as more than a tomboy. Then a new girl arrives, and Elaine is thrilled-- until Gwynivere proves to be cold and cruel. But when the two of them are thrown into a situation of gravest danger, they must band together in order to survive. Can Elaine find the strength to fight for the kingdom she has always believed in? This highly acclaimed novel is a beautiful contribution to the Camelot canon.

In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez’s *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, *New York Times*) Alvarez’s new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas

Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

You Play the Girl Carina Chocano, 2017-08-08 National Book Critics Circle Award Winner. “With dazzling clarity, [Chocano's] commentary exposes the subliminal sexism on our pages and screens.”—O, The Oprah Magazine As a kid in the 1970s and 80s, Carina Chocano was confused by the mixed messages all around her that told her who she could be—and who she couldn't. She grappled with sexed up sidekicks, princesses waiting to be saved, and morally infallible angels who seemed to have no opinions of their own. It wasn't until she spent five years as a movie critic, and was laid off just after her daughter was born, however, that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies. In *You Play the Girl*, Chocano blends formative personal stories with insightful and emotionally powerful analysis. Moving from Bugs Bunny to Playboy Bunnies, from Flashdance to Frozen, from the progressive '70s through the backlash '80s, the glib '90s, and the pornified aughts—and at stops in between—she explains how growing up in the shadow of “the girl” taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections. In the tradition of Roxane Gay, Rebecca Solnit, and Susan Sontag, Chocano brilliantly shows that our identities are more fluid than we think, and certainly more complex than anything we see on any kind of screen. “If Hollywood's treatment of women leaves you wanting, you'll find good, heady company in *You Play the Girl*.”—Elle

Down the Rabbit Hole Holly Madison, 2015-06-23 The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef's #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her *Girls Next Door* co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Low Rider, 2008

International Encyclopedia of Men and Masculinities Michael Flood, Judith Kegan Gardiner, Bob Pease, Keith Pringle, 2007-08-07 The International Encyclopedia of Men and Masculinities offers a comprehensive guide to the current state of scholarship about men, masculinities, and gender around the world. The Encyclopedia's coverage is comprehensive across three dimensions: areas of personal and social life, academic disciplines, and cultural and historical contexts and formations. The Encyclopedia: examines every area of men's personal and social lives as shaped by gender covers masculinity politics, the men's groups and movements that have tried to change men's roles presents entries on working with particular groups of boys or men, from male patients to men in prison incorporates cross-disciplinary perspectives on and examinations of men, gender and gender relations gives comprehensive coverage of diverse cultural and historical formations of masculinity and the bodies of scholarship that have documented them. The Encyclopedia of Men and Masculinities is composed of over 350 free-standing entries written from their individual perspectives by eminent scholars in their fields. Entries are organized alphabetically for general ease of access but also listed thematically at the front of the encyclopedia, for the convenience of readers with specific areas of interest.

Mother Warriors Jenny McCarthy, 2008 The best-selling author of *Louder Than Words* shares stories of support and healing as submitted by parents of autistic children from all over the country, in a volume that also touches on the author's own experiences as an advocate for her son. 200,000 first printing.

Murder Among Friends Candace Fleming, 2022-03-29 How did two teenagers brutally murder an innocent child...and why? And how did their brilliant lawyer save them from the death penalty in 1920s Chicago? Written by a prolific master of narrative nonfiction, this is a compulsively readable true-crime story based on an event dubbed the crime of the century. In 1924, eighteen-year-old college students Nathan Leopold and Richard Loeb made a decision: they would commit the perfect crime by kidnapping and murdering a child they both knew. But they made one crucial error: as they were disposing of the body of young Bobby Franks, whom they had bludgeoned to death, Nathan's eyeglasses fell from his jacket pocket. Multi-award-winning author Candace Fleming depicts every twist and turn of this harrowing case--how two wealthy, brilliant young men planned and committed what became known as the crime of the century, how they were caught, why they confessed, and how the renowned criminal defense attorney Clarence Darrow enabled them to avoid the death penalty. Following on the success of such books as *The Rise and Fall of Charles Lindbergh* and *The Family Romanov*, this acclaimed nonfiction writer brings to heart-stopping life one of the most notorious crimes in our country's history.

The Death of Bunny Munro Nick Cave, 2011-12-02 'I am damned,' thinks Bunny Munro in a sudden moment of self-awareness reserved for those who are soon to die. He feels that somewhere down the line he has made a grave mistake, but this realisation passes in a dreadful heartbeat and is gone—leaving him in a room at the Grenville Hotel, in his underwear, with nothing but himself and his appetites. Bunny Munro drinks too much, smokes too much and thinks of sex all the time. Following his wife's suicide, he takes his nine-years-old son on a trip to recover from the tragedy. But he is about to discover that his days are numbered. Dark, funny and raunchy, *The Death of Bunny Munro* is the story of a man full of emotional atyachar. Written in the high octane, charged prose that has made Nick Cave one of the world's most acclaimed lyricists, it is an unforgettable book.

Catch and Kill Ronan Farrow, 2019-10-15 One of the Best Books of the Year Time * NPR * Washington Post * Bloomberg News * Chicago Tribune * Chicago Public Library * Fortune * Los Angeles Times * E! News * The Telegraph * Apple * Library Journal In this newly updated edition of the meticulous and devastating (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow

exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. And it's the story of the women who risked everything to expose the truth and spark a global movement

Los Angeles Times Book Prize Finalist
 National Book Critics Circle Award in Autobiography
 Indie Bound #1 Bestseller
 USA Today Bestseller
 Wall Street Journal Bestseller

Shame Salman Rushdie, 2011-02-16 The novel that set the stage for his modern classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated wader of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation—"shamelessness, shame: the roots of violence." *Shame* is an astonishing story that grows more timely by the day.

The History of the English People, 1000-1154 Henry (of Huntingdon), 2002 Henry of Huntingdon's narrative covers one of the most exciting and bloody periods in English history: the Norman Conquest and its aftermath. He tells of the decline of the Old English kingdom, the victory of the Normans at the Battle of Hastings, and the establishment of Norman rule. His accounts of the kings who reigned during his lifetime—William I, Henry I, and Stephen—contain unique descriptions of people and events. Henry tells how promiscuity, greed, treachery, and cruelty produced a series of disasters, rebellions, and wars. Interwoven with memorable and vivid battle-scenes are anecdotes of court life, the death and murder of nobles, and the first written record of Cnut and the waves and the death of Henry I from a surfeit of lampreys. Diana Greenway's translation of her definitive Latin text has been revised for this edition.

Unveiling the Magic of Words: A Report on "**Playboy Bunny Logo Go Sms Themes**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Playboy Bunny Logo Go Sms Themes**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
