

Polsky

Andrew Joseph Polsky

Elusive Victories Andrew J. Polsky,2012-05-30 On April 4, 1864, Abraham Lincoln made a shocking admission about his presidency during the Civil War. I claim not to have controlled events, he wrote in a letter, but confess plainly that events have controlled me. Lincoln's words carry an invaluable lesson for wartime presidents, writes Andrew J. Polsky in this seminal book. As Polsky shows, when commanders-in-chief do try to control wartime events, more often than not they fail utterly. In *Elusive Victories*, Polsky provides a fascinating study of six wartime presidents, drawing larger lessons about the limits of the power of the White House during armed conflict. He examines, in turn, Lincoln, Woodrow Wilson, Franklin D. Roosevelt, Lyndon Johnson, Richard Nixon, George W. Bush, and Barack Obama, showing how each gravely overestimated his power as commander-in-chief. In each case, these presidents' resources did not match the key challenges that recur from war to war. Both Lincoln and Johnson intervened in military operations, giving orders to specific units; yet both struggled with the rising unpopularity of their conflicts. Both Wilson and Bush entered hostilities with idealistic agendas for the aftermath, yet found themselves helpless to enact them. With insight and clarity, Polsky identifies overarching issues that will inform current and future policymakers. The single most important dynamic, he writes, is the erosion of a president's freedom of action. Each decision propels him down a path from which he cannot turn back. When George W. Bush rejected the idea of invading Iraq with 400,000 troops, he could not send such a force two years later as the insurgency spread. In the final chapter, Polsky examines Barack Obama's options in light of these conclusions, and considers how the experiences of the past might inform the world we face now. *Elusive Victories* is the first book to provide a comprehensive account of presidential leadership during wartime, highlighting the key dangers that presidents have ignored at their peril.

How I Am a Jew Howard W. Polsky,2002 *How I Am a Jew* documents the life-long journey of author Howard Polsky as he struggles to maintain his cultural Jewish heritage in the context of his American homeland. This experience of one particular individual is the story of many Americans. Most people living in the U.S. were born abroad or have parents or grandparents, who were born abroad and share the effort described in this book to make meaning of their roots on the road to integrate the different parts of their identities.

I Sold Andy Warhol (Too Soon) Richard Polsky,2009-09-15 In early 2005, Richard Polsky decided to put his much-loved, hard-won Warhol Fright Wig, up for auction at Christie's. The market for contemporary art was robust and he was hoping to turn a profit. His instinct seemed to be on target: his picture sold for \$375,000. But if only Polsky had waited . . . Over the next two years, prices soared to unimaginable heights with multimillion-dollar deals that became the norm and not the exception. Buyers and sellers were baffled, art dealers were bypassed for auction houses, and benchmark prices proved that trees really do grow to the sky. Had the market lost all reason? In *I Sold Andy Warhol (Too Soon)*, Polsky leads the way through this explosive, short-lived period when the art world became the art market. He delves into the behind-the-scenes politics of auctions, the shift in power away from galleries, and the search for affordable art in a rich man's playing field. Unlike most in the art world, Polsky is not afraid to tell it like it is as he negotiates deals for clients in New York, London, and San Francisco and seeks out a replacement for his lost Fright Wig in a market that has galloped beyond his means. A compelling backdoor tell-all about the strange and fickle world of art collecting, *I Sold Andy Warhol (Too Soon)* takes an unvarnished look at how the industry shifted from art appreciation to monetary appreciation. From the Hardcover edition.

The Art Prophets Richard Polsky,2011-10-25 In *The Art Prophets*, Richard Polsky introduces us to influential late twentieth-century dealers and tastemakers in the art world. These risk takers opened doors for artists, identified new movements, and resurrected art forms that had fallen into obscurity. In this distinctive tour, Polsky offers an insightful and engaging dialog between artists and the visionaries who paved their way. Table of contents Ivan Karp and Pop Art Stan Lee and Comic Book Art Chet Helms, Bill Graham, and the Art of the Poster John Ollman and Outsider Art Joshua Baer and Native American Art Virginia Dwan and Earthworks Tod Volpe and Ceramics Jeffrey Fraenkel and Photography Louis Meisel and Photorealism Tony Shafrazi and Street Art

I Bought Andy Warhol Richard Polsky,2005-01-10 A private art dealer pulls back the curtain of his industry through the tale of a twelve-year quest to obtain an Andy Warhol painting, a journey spanning the 1980s and 1990s in a fascinating and bizarre industry few get to experience firsthand. Reprint. 30,000 first printing.

Save Our Stream Colin Polsky,2017-11-15 One summer morning, Annie and her brother Bradley venture down to a nearby stream to play, but find the water murky and devoid of frogs and minnows. They hear a splashing sound behind them, and are startled to see their neighbor, Ms. Carson, approaching them, wearing rubber boots and carrying a box of test tubes. It turns out Ms. Carson is an aquatic ecologist whose job it is to test the health of local streams. After Annie mentions all the green slime found in the stream, Ms. Carson explains that it is the result of a build up of algae caused by excessive amounts of nutrients flowing into the stream. Ms. Carlson and the kids then gather some water samples in test tubes, to which they add special chemicals that reveal that the water contains excessive amounts of phosphorous and nitrogen. Ms. Carlson explains that

these are derived from fertilizer and pesticides that their neighbors have been using to excess. Upon hearing this news, Annie and Bradley begin a special campaign to get their neighbors to reduce the amount of chemicals they use in their lawns and gardens, which results in a healthier stream the following year.

This is How I Find Her Sara Polsky, 2013-09-01 The Best Children's Books of the Year 2014, Bank Street College Sophie has always lived her life in the shadow of her mother's bipolar disorder: monitoring medication, making sure the rent is paid, rushing home after school instead of spending time with friends, and keeping secrets from everyone. But when a suicide attempt lands Sophie's mother in the hospital, Sophie no longer has to watch over her. She moves in with her aunt, uncle, and cousin—a family she's been estranged from for the past five years. Rolling her suitcase across town to her family's house is easy. What's harder is figuring out how to rebuild her life. And as her mother's release approaches and the old obligations loom, Sophie finds herself torn between her responsibilities toward her mother and her desire to live her own life, Sophie must decide what to do next.

Thoughts of Being Daniel Polsky, 2015-01-16 Daniel Polsky, shines his introspective light as well as his empathy and belief in the power of the human spirit through the character portraits, odes to loved ones, and thoughts about life and suffering (like that of the Holocaust and 9-11.) He exposes the irony and humor of life, but also its loneliness and emptiness. The brutally honest essays in the second half of the book display the author's penetrating insight regarding love and the human condition. They are the result of, to borrow a phrase from the author, the maturing of the wine of life.

Richard Polsky, Paintings. Jeff Shapiro, Ceramics Richard Polsky, Jeff Shapiro, Roseline Koener Art Gallery, 1999

The Rise of the Therapeutic State Andrew Joseph Polsky, 1991 Assuming that marginal citizens cannot govern their own lives, proponents of the therapeutic state urge casework intervention to reshape the attitudes and behaviors of those who live outside the social mainstream. Thus the victims of poverty, delinquency, family violence, and other problems are to be normalized. But normalize, to Andrew Polsky, is a term that jars the ear, as well it should when we consider what this effort is all about. Here he investigates the broad network of public agencies that adopt the casework approach.

RUSSIA'S NEW MARTYRS – Vol. 3 od 3 Michael Polsky,

Hustlers, Beats, and Others [sound Recording] Ned Polsky, Ranging from pool hustling to pornography, this book analyzes deviant branches of American life, dispels misconceptions about them, and throws new light on sociological theory and method. Each chapter radically dissents from one or more mainstream opinions about deviance. The first chapter examines the alleged causes for the decline of American poolrooms and finds them wanting, traces the rise and fall of poolrooms to historical changes in America's social structure, and cogently dissects the recent poolroom revival. The second chapter, reports a field study of a deviant occupation, pool hustling, describing the hustler's work situation and career from recruitment to retirement. In revealing how pool hustlers, although dedicated wholly to a vocation that merely breaks unenforced gambling laws, frequently supplement their income by means of outright felonies, the author develops a new theory of crime as moonlighting. The third chapter sharply criticizes our criminology textbooks for avoiding the study of uncaught adult criminals in their natural environments. It demonstrates such research to be both necessary and practical with career felons as well as moonlighters. The author describes field techniques he has used with career felons, offers new findings gleaned by means of these techniques, and answers moral objections to such research. The forth chapter presents the first genuinely empirical study of the beat delinquent sub-culture, in which the author corrects some journalistic views such as that most beats are exhibitionists and some sociological ones such as that retreatist drug-users can meet neither legitimate nor criminal success norms. The final chapter, on the sociology of pornography, holds that the courts are wrong to claim that naturalistic erotic art is non-pornographic, and wronger still to claim that hard-core pornography is, in Mr. Justice Brennan's words, utterly without redeeming social importance. The author's unusual blend of--Provided by publisher.

RUSSIA'S NEW MARTYRS – Vol. 1 od 3 Michael Polsky,

The Eisenhower Presidency Andrew J. Polsky, 2015-11-30 This book offers candid assessments of the Eisenhower presidency and lessons we can apply in examining presidents today. The contributors, including many noted Eisenhower and presidency scholars, consider Eisenhower's leadership style, strategic vision, approach to civil rights and the economy, reactions to crises at home and abroad, and more.

The Rise of the Therapeutic State Andrew J. Polsky, 1993-07-26 Assuming that marginal citizens cannot govern their own lives, proponents of the therapeutic state urge casework intervention to reshape the attitudes and behaviors of those who live outside the social mainstream. Thus the victims of poverty, delinquency, family violence, and other problems are to be normalized. But normalize, to Andrew Polsky, is a term that jars the ear, as well it should when we consider what this effort is all about. Here he investigates the broad network of public agencies that adopt the casework approach.

The Photographic Invention of Whiteness Stephanie Polsky,2023-07-28 Focusing on the creation of the concept of Whiteness, this study links early photographic imagery to the development and exploitation that were common in the colonial Atlantic World of the mid-to-late nineteenth century. With the advent of the daguerreotype in the mid-nineteenth century, White European settlers could imagine themselves as a supra-national community, where the attainment of wealth was rapidly becoming accessible through colonisation. Their dispersal throughout the colonial territories made possible the advent of a new representative type of Whiteness that eventually merged with the portrayal of modernity itself. Over time, the colonisation of the Atlantic World became synonymous with fascination itself within a European mind fixated upon both a racially subordinated world and the technical media through which it was represented. In the intervening centuries, images have acted as a medium of the imaginary, allowing for ideas around classification and the measurement of value to travel and to situate themselves as universal means. Contemporary societies still grapple with the residues of race, gender, class, and sexuality first established by the contrived mores of this representational medium, and those who were racialised by the camera as objects of fascination, curiosity, or concern have remained so well into the post-digital era. The book will be of interest to scholars working in history of photography, art history, colonialism, and critical race theory.

Sustainable Communities on a Sustainable Planet Brent Yarnal,Colin Polsky,James O'Brien,2009-09-24 Scientists and policymakers have realised that localities are central to addressing the causes and consequences of global environmental change. The goal of the Human-Environment Regional Observatory project (HERO) was to develop the infrastructure necessary to monitor and understand the local dimensions of global change. This book presents the philosophy behind HERO, the methods used to put that philosophy into action, its results, and the lessons learned from the project. HERO used three strategies: it developed research protocols and data standards for collecting data; it built a web-based networking environment to help investigators share data, analyses and ideas from remote locations; and investigators field-tested these concepts by applying them in diverse biophysical and socioeconomic settings - central Massachusetts, central Pennsylvania, southwestern Kansas, and the US-Mexico border region of Arizona. The book highlights the unique focus of HERO regarding thinking and acting on complex, integrative, and interdisciplinary global change science at local scales, and is valuable for global change scientists.

RUSSIA'S NEW MARTYRS – Vol. 2 of 3 Michael Polsky,

You Can Write a Play! Milton E. Polsky,2002-02-01 Do you have an idea for a play? A situation or experience from your home or work life? Fantasy? With helpful clear examples taken from his own experiences in teaching directing and playwriting Milton Polsky shows how to find and shape a dramatic idea and bring it to fruition. In addition to providing many practical exercises suggestions and tips he discusses and illustrates with examples from established playwrights the importance of giving shape to your idea so that what is in your head and heart can be expressed to the fullest. To facilitate this creative process there are What if? Just for You Playwright's Page sections; diagrams journal exercises; and for this revised edition end of chapter Suggested Activities for the Classroom (solo and group); additional appendices including one on feedback; and over 50 new photos. This invaluable and basic guide to writing plays is ideal for teachers students camp counselors community theatre leaders and for anyone who knows there's a play inside trying to get out]

Boneheads Richard Polsky,2011 Features information about pachycephalosaurs, plant-eaters that walked on their hind legs and had thick, bony skulls, presented by the Paleontology Department of the Museum of the Rockies at Montana State University in Bozeman. The text is based on an article that originally appeared in the October/November 1996 issue of Falcon Magazine.

Polsky Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has be much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Polsky**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Polsky Introduction

Polsky Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Polsky Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Polsky : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Polsky : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Polsky Offers a diverse range of free eBooks across various genres. Polsky Focuses mainly on educational books,

textbooks, and business books. It offers free PDF downloads for educational purposes. Polsky Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Polsky, especially related to Polsky, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Polsky, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Polsky books or magazines might include. Look for these in online stores or libraries. Remember that while Polsky, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Polsky eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Polsky full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Polsky eBooks, including some popular titles.

FAQs About Polsky Books

1. Where can I buy Polsky books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Polsky book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Polsky books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.

Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Polsky audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Polsky books for free? Public Domain Books: Many classic books are available for free as theyre in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
