Meet the Poos from Pooville Melody Hobson,2016-05-02 Meet the Poos from Pooville is a book about our familys golden retrievers: Brady, Charlie, and Jaxson. The dogs have entertained us for many years, and our family would like to share our very special Poos with everyone.

**Yorkie-Poos** Jill C. Wheeler,2008-01-01 This book examines the Yorkie-Poo, a cross between a miniature or toy poodle and a Yorkshire terrier. The history, development and breed standards of the Yorkie-Poo's parent breeds are discussed. Genetics are introduced, as are inherited traits and their role in the dog's disposition, physical makeup, the possibility of illness in the dog, and allergic reactions in people. The Yorkie-Poos coat, color, size and how to care for a dog are also highlighted.

Bo's Boos & Poos Reviews Dale Benjamin Drakeford,2006-06 In Bo's Boos & Poos Reviews, readers of all ages will experience the growth of Bo as he meets the challenges of real and imagined life. The excitement of change from home to school, community and beyond, and the joy of friendship and mystery of neighbors are all fertile ground in a series of progressive short books (boos) and poems (poos). Together they comprise the next generation of Boo's Blackboard Book (which is provided here in appendix form). The book endeavors to address current educational intentions in critical thinking while providing an entertaining read.

**Meet The Poo's** Rob Renee,2013-10 Meet The Poo's is a story about Peter Poo and his family. Peter is a shy Poo and wants to ride the Flush Flume in the Toilet Swimming Pool like the rest of his family. Sarah wishes he would peep out at the right time, but he is so shy he pops his head out shyly at some inconvenient times. Meet The Poo's is written to help parents of children that have a sometimes unexplained and seemingly irrational fear of passing a poo or using the toilet. It is written to take the emphasis of the child to use the toilet, instead removing pressure and blaming Peter Poo for accidents and creating a will to help Peter.

**Meet the Poos!** Rhyme Time Books,2019-02-24 It's time to Meet the Poos! Follow Mr Plop, Lady Stink, Danny Dung and many more as they get up to mischief in this poop-tastic book. Each double page welcomes new poos; so get ready for Chef Ploppington who wants to make a smelly soup, Granny Poop who loves to model clothes, and not forgetting Pooley Louie, the smelliest poo in the world! A great book for 2-5 year olds, full of rhymes and laugh along fun.

Loos, Poos, and Number Twos Peter Hepplewhite,2015-07-15 Nothing could be more interesting to young readers than the history of the toilet! From the sewage system of ancient Athens to the muckrakers of the Middle Ages, there's plenty to learn about history from discovering the "how" and "where" of the loos of many important civilizations. Unique information reframes common social studies topics and time periods including ancient China, Victorian times, and more. Amusing illustrations and a full-color layout enhance the main content as readers traverse the dirty details.

**What's Your Poo Telling You?** Josh Richman,Anish Sheth,2007-05-03 With universal appeal (everyone poops, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a

doctor) details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? . . .All the greatest hits are here: The Log Jam, The Glass Shard, The Deja Poo, The Hanging Chad ... the list goes on. Sidebars, trivia, over 60 euphemisms for number 2, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?--Publisher website (October 2007)

**Everybody Poos** Taro Gomi,2012 All living things do different sorts of poo. Some are different colours, others have different smells or sizes. Some do it on land, some poo in the water. Some poo in the toilet, or in a potty, or in their nappies. This children's book has a no-nonsense approach to the bodily function to encourage children not to be ashamed about potty training.

**Clarissa** Liz Rowe,2016-10-13 Writing for the joy of her two grandchildren, the author tries to combine everyday life with humor.

**Peter Poo To The Rescue** Rob Renee,2013-10-27 Peter Poo to the Rescue is the sequel to Meet The Poo's and covers the topic of constipation and going to the doctors, something which is very distressing for children. It is often constipation that attributes itself, sometimes subconsciously, to a fear of the sensation of having a poo. According to Health Visitors 1 in 7 children are said to suffer from this. A child that suffers from Encopresis is often, wrongly, seen as a naughty or untrained child, so these books aim to reduce the stress on both the child and the parents and encourage better understanding and communication of the problem. Join Peter Poo as he tries to help dislodge Granny Poo, with a little help from Doctor Stinky, and make Sarah feel much more comfortable and happy...

Sent to Soar Rev Dr Stephen Poos-Benson,2014-05-20 Among books that discern people's reason for living, this one is exceptional for its interfaith perspective and clear text readily accessible to people of all backgrounds. Reverend Poos-Benson mines the wisdom of the great spiritual heroes – Jesus, Buddha, Krishna, Mohammed, Lao Tzu – to reveal a pattern in how God works in the world. He believes that God has sent us to fulfill a unique destiny; in order to find meaning in life, we must understand why we have been sent and then fulfill that purpose. Having been one of the first responders after the Columbine school shootings, he is well qualified for his focus on the thorny issue of great trauma, empowering readers to become aware of how the divine is moving through their lives in spite of tremendous suffering and evil. He also provides questions for individuals and groups to ponder, resulting in a vibrant text that leads to healing and self-transformation.

Whose Poo? Daisy Bird, 2021-05-04 For fans of Everyone Poops, a hilariously fresh take on P00! A trip to the zoo turns into a very silly discussion about poo, as two siblings wonder what sort of poo each and every creature would do. One day, Daddy Rat announces to his baby rats that he'll be taking them to the zoo . . . but only if they're good, which means no talking about poo! And yet, before the family can even leave the house, the two rascally siblings can't help but wonder . . . what sort of poo would an astronaut do? Shiny, silver, space-age poo! Rocket-powered, weightless poo, and it spins round and round like a planet does, too! Head chefs, balloon sellers, blue whales . . . everyone and everything must have a unique poo, and the siblings simply have to stop and imagine each and every one (much to the chagrin of Daddy Rat, who is getting increasingly irritated with all the poo talk). Once the rats finally reach the zoo, things escalate, because of course each and every animal in the zoo must do a special kind of poo! Finally, Daddy Rat has simply had enough, and is forced to sit down and explain the facts to his curious kids. And when he thinks he may have gotten through to his youngsters, he encounters a surprising (and smelly) twist which will have little rats everywhere laughing out loud!
