Can You Become a Pop Star? Allison Lassieur,2022

How Not to Date a Pop Star Jada Trainor,2023-07-11 Aaliyah Preston and Tyler Moore were best friends growing up. Tyler played and wrote music, and Aaliyah brought that music to life through dance. They were convinced their lives would change forever after entering a TV talent show, but when Aaliyah's mom ended up in hospital, Tyler had to go alone—and won. Suddenly, he was thrust into the spotlight while she was left behind in their small, seaside town. Several years later, Tyler is the hottest pop star on the planet, and Aaliyah has her heart set on following in her mom's footsteps and attending the Boston Conservatory to study dance. However, her future becomes hazy when Tyler suddenly comes back home, and wants to make up for all the years they lost—and even plan a future that includes the two of them together. While Tyler may have a lavish lifestyle and fans all the world over, he isn't happy. What he really wants is a chance at a normal life, and he wants Aaliyah to be part of that life. However, family drama, including long buried secrets about both of their fathers, threaten any plans for their futures. But like the best pop songs, when the music and the lyrics come together everything works in perfect harmony. Tyler and Aaliyah will need to write a new duet without giving up on their dreams.

**A Trans Popstar's Story** TaraElla,2021-08-14 It all began with the dream. Ever since I was young, I had wanted to be somebody who participated in the cultural conversation, rather than just observe it. I was determined to be one of those who made the culture. I didn't know what I wanted to make, I didn't know what I wanted to say, but I knew I wanted to 'join the conversation', and help shape the culture. However, there were a few problems. Firstly, I didn't know how to get into those exclusive places where they make the culture, i.e. TV studios, Hollywood, established record labels, or at least your local radio station. I knew nobody who had any connection to that world, and it seemed like most people in that world were connected with each other. In other words, it seemed that you had to 'know the right people' to 'get the entry ticket'. Secondly, well, I'm trans. And back in the 1990s and 2000s, there certainly weren't any trans people I knew of, in those exclusive places where they made the culture.

Pop Star Ben Morss, Peter Morris, 2004 Westfield High School is the next stop for Pop Star, a nationally televised talent search that will make some lucky high school student the next American Idol. When the show's sleazy host and his put-upon assistant roll in with the cameras, the strain of competition pits friend against friend. Who will be chosen: Densie, the spoiled rich girl? Jessica, the Jewish rapper who is ashamed of her heritage? Chanel, an African-American whose white boyfriend is afraid to let people know they are in love? Before petty jealousies and racial tensions tear the school apart, the students realize that sticking together is more important than winning. Fast-paced and fun. Pop Star is propelled by an infectious pop rock score that includes 11 original songs.

Scott Walker Lewis Williams, 2019-07-15 Scott Walker is without parallel as an artist, acclaimed as an influence by Bowie, Julian Cope, Marc Almond, Nick Cave and Jarvis Cocker. As lead vocalist of the Walker Brothers, his soulful baritone made him a major interpreter of heartbroken ballads. As a solo artist, the influence of balladeer Jacques Brel and existentialist literature took him to new depths of emotional expression on the albums Scott 1-4. Then came years of obscurity as a covers artist, before his career took off on a unique trajectory – witnessed by his extreme contributions to the Walkers' 1978 reunion album, Nite Flights, the opaque tone poems of 1984's Climate of Hunter, the bewildering brilliant 1995 Tilt, and the unrelenting psychic assault of 2006's The Drift. In this comprehensive illustrated volume, lifelong fan Lewis Williams charts this unique and enigmatic career song by song. From his 1960s heyday and beyond, every classic, every rarity and every obscurity ever recorded by Scott Walker is detailed with an obsessive enthusiasm that only he can inspire.

**Izzy's Pop Star Plan: The Album** Alex Marestaing,2011-03-05 In this second book of the Izzy's Pop Star Plan series, the final voting tallies on International Pop Star Challenge are finally revealed, and a media firestorm begins to rage. Though a heavy audience favorite, Izzy Baxter loses by a mere 112 votes. Rumors have it that the sixteen-year-old was robbed of the title because of her faith. Everyone seems to be offering the teen legal advice, and many begin pressuring Izzy to demand a recount. After trying hard to hear God's voice in all the noise, she decides to leave the loss behind and focus on her fledgling music career. Izzy is flooded with contract offers, but after agonizing over the myriad of choices, she finally decides to sign with Pop Star judge Giuseppe Rossi's Megatone Records. The talented teen is then whisked away to London to begin recording her first album. But even songs produced by a genius British producer feel empty for Izzy without incorporating her faith. Needing to clear her head, Izzy takes a break from recording and heads to Uganda for a two-week mission trip with her youth group. While working at the Kisugu orphanage, Izzy's heart is broken and forever changed. On top of a lonely African hill, the young songwriter begins working on a new set of songs, and a new Pop Star Plan is born.

*So You Wanna Be A Pop Star?* Zachary Sergi,2023-03-07 An energetic, interactive YA novel about five solo pop artists navigating drama, finding their sound, and discovering what it truly takes to chase their dreams of music stardom after being forced into a pop group together. Everly Brooks knows she has what it takes to be the next big singer-songwriter. At least, that's if she could get her onstage presence to stop feeling so wooden and blossom like her rich, moving lyrics. The reality signing competition, *SO YOU WANNA BE A POP STAR?* is her chance at proving to the world—and herself—that her talent and artistry can mean something more than just live streams and online videos. Vinny Vecchi thought he was heading toward a life full of makeup, wigs, and working it on the drag stages of NYC. But a powerful diva voice is a precious thing to waste and, in need of money to make his drag dreams come true, *SO YOU WANNA BE A POP STAR?* is the next best thing. However, surrounded by competitors with clear brands and sharpened musical identities, he wonders if he can break through while still discovering himself. When a group performance on the show goes viral overnight, Everly and Vinny find their careers unexpectedly tied together. Along with their competitors—influencer Dea Seo, pop-punk CeCe Winnifred, and heartthrob Stern Green—these five artists are forced to become the newest pop super group: Jeweltones. You, the reader, get to make choices that will make or break Everly, Vinny, and the group's meteoric rise in this interactive novel. Will you mend the cracks to help Jeweltones shine bright, or will they burn out under pressure? The choices are yours to make!

**Digital Labor** Trebor Scholz, 2012-10-12 Digital Labor calls on the reader to examine the shifting sites of labor markets to the Internet through the lens of their political, technological, and historical making. Internet users currently create most of the content that makes up the web: they search, link, tweet, and post updates—leaving their deep data exposed. Meanwhile, governments listen in, and big corporations track, analyze, and predict users' interests and habits. This unique collection of essays provides a wide-ranging account of the dark side of the Internet. It claims that the divide between leisure time and work has vanished so that every aspect of life drives the digital economy. The book reveals the anatomy of playbor (play/labor), the lure of exploitation and the potential for empowerment. Ultimately, the 14 thought-provoking chapters in this volume ask how users can politicize their troubled complicity, create public alternatives to the centralized social web, and thrive online. Contributors: Mark Andrejevic, Ayhan Aytes, Michel Bauwens, Jonathan Beller, Patricia Ticineto Clough, Sean Cubitt, Jodi Dean, Abigail De Kosnik, Julian Dibbell, Christian Fuchs, Lisa Nakamura, Andrew Ross, Ned Rossiter, Trebor Scholz, Tizania Terranova, McKenzie Wark, and Soenke Zehle

**Video Games Around the World** Mark J. P. Wolf, 2015-05-01 Thirty-nine essays explore the vast diversity of video game history and culture across all the world's continents. Video games have become a global industry, and their history spans dozens of national industries where foreign imports compete with domestic productions, legitimate industry contends with piracy, and national identity faces the global marketplace. This volume describes video game history and culture across every continent, with essays covering areas as disparate and far-flung as Argentina and Thailand, Hungary and Indonesia, Iran and Ireland. Most of the essays are written by natives of the countries they discuss, many of them game designers and founders of game companies, offering distinctively firsthand perspectives. Some of these national histories appear for the first time in English, and some for the first time in any language. Readers will learn, for example, about the rapid growth of mobile games in Africa; how a meat-packing company held the rights to import the Atari VCS 2600 into Mexico; and how the Indonesian MMORPG Nusantara Online reflects that country's cultural history and folklore. Every country or region's unique conditions provide the context that shapes its national industry; for example, the long history of computer science in the United Kingdom and Scandinavia, the problems of piracy in China, the PC Bangs of South Korea, or the Dutch industry's emphasis on serious games. As these essays demonstrate, local innovation and diversification thrive alongside productions and corporations with global aspirations. Africa • Arab World • Argentina • Australia • Austria • Brazil • Canada • China • Colombia • Czech Republic • Finland • France • Germany • Hong Kong • Hungary • India • Indonesia • Iran • Ireland • Italy • Japan • Mexico • The Netherlands • New Zealand • Peru • Poland • Portugal • Russia • Scandinavia • Singapore • South Korea • Spain • Switzerland • Thailand • Turkey • United Kingdom • United States of America • Uruguay • Venezuela
