How You Can Make Lots of Money on PornHub Muñeca Saurus, 2019-10-17 Here we are. Pornography. The taboo. The restricted. The prohibited. The excellent way to have fun and make money. Since you are reading this then you and your partner have either started the adult performer journey already, or you are undecided and want to see what this all entails. Well good news for everyone. This book covers it all. From beginner performer to veteran this book has something to offer everyone. We have made this journey ourselves (SuperSexHeroes) and have learned many things the hard way. We will walk you through the whole process. Start to finish. This includes Equipment needed, Branding, Social Media, Video Production, Key Words, and Monetization. We want you to make money and have fun as fast as possible. This book will help you do it. If you can't stomach sex or talking about fucking, sucking, cumming, ejaculating, dildos, squirting, blowjobs, cumshots, anal sex, pussy licking, threesomes, Double Penetration, etc. Then this is not the book or opportunity for you. Sorry it gets dirty in this business, and the dirtier the better, so strap on that dildo and let's get down to it. It is just sex, everyone does it, but not everyone films it... and that is where you cum in. You are going to fuck anyway so with just a little effort and creativity you can make money and good money doing it. Pun intended. It may add some excitement to your life at least, and the thrill of having stranger's watch you perform, and the fact that they enjoy it, is absolutely exciting and amazing.

I Love Pornhub Notebook Happy Turtle Notebooks, 2019-03-30 If you someone who is a fan of porn, who is addicted or just someone you want to embarrass, then this notepad make's the perfect gift for them. The bold white paper is sturdy enough to be used with fountain pens. Reliable standards: Book industry perfect binding (the same standard binding as the books in your local library). Tough glossy paperback. Crisp white paper. Journals are the perfect gift for any occasion

Intellectual Property Excesses Enrico Bonadio, Aislinn O'Connell, 2022-06-30 This collection of essays highlights the sometimes absurd outcomes which an unjustified overprotection of intellectual property (IP) may lead to. It collects and comments on a series of IP disputes which have taken the notion of IP protection to extremes. From individuals being sued for hundreds of thousands of dollars for sharing a playlist, to sports spectators being arrested for wearing the 'wrong' dresses, passing through granting patents for inventions obtained by misappropriating traditional knowledge, and trademark protection of merely descriptive signs, this book brings together a broad range of examples from across the IP spectrum where protection and enforcement have been used or threatened on unreasonable and/or untenable grounds. The aim of the book is to criticise these excesses precisely because they harm IP; and because they contribute to creating an environment where more and more people are led to 'hate' IP, and view it as a protectionist regime which discourages creativity in innovation and ends up safeguarding the owners of monopolistic rights which restrict trade, competition and people's freedom. This is not, therefore, a book against IP, it is instead a call for change and an attempt to 'save' IP through critiquing its excesses and preventing such a fascinating area of law from continuing to be an easy target for criticism. The book includes a foreword by Jason Mazzone, Albert E Jenner Jr Professor of Law at the University of Illinois, USA.

Uncertain Archives Nanna Bonde Thylstrup, Daniela Agostinho, Annie Ring, Catherine D'Ignazio, Kristin

Veel, 2021-02-02 Scholars from a range of disciplines interrogate terms relevant to critical studies of big data, from abuse and aggregate to visualization and vulnerability. This pathbreaking work offers an interdisciplinary perspective on big data, interrogating key terms. Scholars from a range of disciplines interrogate concepts relevant to critical studies of big data--arranged glossary style, from from abuse and aggregate to visualization and vulnerability--both challenging conventional usage of such often-used terms as prediction and objectivity and introducing such unfamiliar ones as overfitting and copynorm. The contributors include both leading researchers, including N. Katherine Hayles, Johanna Drucker and Lisa Gitelman, and such emerging agenda-setting scholars as Safiya Noble, Sarah T. Roberts and Nicole Starosielski.

Takedown Laila Mickelwait, 2024-07-30 The gripping, true story of one woman's battle to expose and shut down a criminal online porn empire. Pornhub was the 10th most visited site on the Internet, often praised as a progressive champion of women. Then one day, an activist discovered a secret they had been keeping from the world for over a decade: it was infested with child sexual abuse and rape videos. Now for the first time, anti-trafficking expert and mother of two Laila Mickelwait tells the story of her battle against Pornhub's billionaire executives and the credit card companies who helped them monetize the abuse of countless victims--some as young as three years old. Readers will follow her from her first horrifying discovery of criminal content on Pornhub to closed-door meetings with credit card executives, White House and Justice Department senior officials, a powerful hedge-fund manager and more. Through insider accounts from Pornhub moderators and executives, you'll meet the world's first online porn tycoon, AKA "the Zuckerberg of porn," along with Pornhub's top brass (known internally as "The Bro Club") who operate in secrecy. The culmination of years of activism, Takedown is the true, never before told story of how Mickelwait mobilized a movement of two million people that resulted in the biggest takedown of content in Internet history. (Financial Times)

'Rough Sex' and the Criminal Law Hannah Bows, Jonathan Herring, 2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of 'rough sex' to contribute to a powerful feminist investigation of this critical and timely debate.

Examining Paratextual Theory and its Applications in Digital Culture Desrochers, Nadine, 2014-04-30 The paratext framework is now used in a variety of fields to assess, measure, analyze, and comprehend the elements that provide thresholds, allowing scholars to better understand digital objects. Researchers from many disciplines revisit paratextual theories in order to grasp what surrounds text in the digital age. Examining Paratextual Theory and its Applications in Digital Culture suggests a theoretical and practical tool for building bridges between disciplines interested in conducting joint research and exploration of digital culture. Helping scholars from different fields find an interdisciplinary framework and common language to study digital objects, this book serves as a useful reference for academics, librarians, professionals, researchers, and students, offering a collaborative outlook and perspective.

The Quest for Sexual Health Steven Epstein, 2022-03-23 Offering an entryway into the distinctive worlds of sexual health and a window onto their spillover effects, sociologist Steven Epstein traces the development of the concept and parses the debates that swirl around it. Since the 1970s, health professionals, researchers, governments, advocacy groups, and commercial interests have invested in the pursuit of something called sexual health. Under this expansive banner, a wide array of programs have been launched, organizations founded, initiatives funded, products sold--and yet, no book before this one asks: What does it mean to be sexually healthy? When did people conceive of a form of health called sexual health? And how did it become the gateway to addressing a host of

social harms and the reimagining of private desires and public dreams? Conjoining sexual with health changes both terms: it alters how we conceive of sexuality and transforms what it means to be healthy, prompting new expectations of what medicine can provide. Yet the ideal of achieving sexual health remains elusive and open-ended, and the benefits and costs of promoting it are unevenly distributed across genders, races, and sexual identities. Rather than a thing apart, sexual health is intertwined with nearly every conceivable topical debate—from sexual dysfunction to sexual violence, from reproductive freedom to the practicalities of sexual contact in a pandemic. In this book Steven Epstein analyzes the rise, proliferation, uptake, and sprawling consequences of sexual health activities, offering critical tools to assess those consequences, expand capacities for collective decision making, and identify pathways that promote social justice.

Porn Hub Number 1 Fan Notebook Happy Turtle Notebooks, 2019-03-31 Sometimes, being addicted to Pornhub is no laughing matter (well, it is!). This high quality Pornhub Number 1 fan notebook is letter size 8.5 x 11 inch; 21.59 x 27.94cm. It's made from high quality papers and is ideal for any purpose, including notes, work, recipes, journaling or writing down what to buy for dinner at the grocery store. Notebook features include: 118 white lined pages Stylish 'Pornhub #1 Fan' design on the front cover Large letter size 8.5 x 11 inch; 21.59 x 27.94cm dimensions; the ideal large size for all purposes, fitting perfectly into your work backpack or school bag. The bold white paper is sturdy enough to be used with fountain pens. Reliable standards: Book industry perfect binding (the same standard binding as the books in your local library). Tough glossy paperback. Crisp white paper. Journals are the perfect gift for any occasion.

Deepfakes Graham Meikle, 2022-09-22 What happens when we can no longer believe what we see? Show the AI technologies that create deepfakes enough images of a celebrity or a politician and they will generate a convincing video in which that person appears to say and do things they have never actually said or done. The result is a media environment in which anyone's face and image can be remixed and manipulated. Graham Meikle explains how deepfakes (synthetic media) are made and used. From celebrity porn and political satire to movie mash-ups and disinformation campaigns, this book explores themes of trust and consent as face-swapping software becomes more common. Meikle argues that deepfake videos allow for a new perspective on the taken-for-granted nature of contemporary media, in which our capacity to remix and share content increasingly conflicts with our capacity to trust. The book analyses how such videos deepen the social media environment in which the public and the personal converge, and in which all human experience becomes data to be shared. Timely, clear, and accessibly written, this is an essential text for students and scholars of media, communication, cultural studies, and sociology as well as general readers.

Sexual Deviance and Society Meredith G. F. Worthen, 2021-09-30 In a society where sexualized media has become background noise, we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm. This book encourages readers to establish new ways of thinking about stigmatized people and behaviors and to think critically about gender, sex, sexuality, and sex crimes. *Sexual Deviance and Society* uses sociological theories of crime, deviance, gender, and sexuality to construct a framework for understanding sexual deviance. This book is divided into four units: Unit I, *Sociology of Deviance and Sexuality*, lays the foundation for understanding sex and sexuality through sociological frameworks of deviance. Unit II, *Sexual Deviance*, provides an in-depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and

historical conceptualizations. Unit III, Deviant Sexual Acts, explores a variety of deviant sexual acts in detail, including sex in public, fetishes, and sex work. Unit IV, Sex Crimes and Criminals, examines rape and sexual assault, sex crimes against children, and societal responses to sex offenders and their treatment within the criminal justice system. This revised second edition includes new theoretical approaches such as Norm-Centered Stigma Theory; expands into new fields of criminology such as queer criminology; more deeply discusses nonbinary people's experiences; includes updates to the landscape of LGBTQ rights; reviews new forms of sexual deviance including incels and revenge porn; covers the latest developments in the #MeToo movement; and expands on the discussion of SM, including the Fifty Shades Phenomenon. In addition, this edition reviews the ever-evolving world of sex work and camming by examining how Pornhub, OnlyFans, and exotic dancers/strip clubs have revolutionized sex work during the COVID-19 pandemic. Utilizing an integrative approach that creates a dialogue between the subjects of gender/sexuality, criminology, and deviance, this book is a key resource for students interested in developing a critical understanding of sex, sexuality, and sex crime.

Media and the Politics of Offence Anne Graefer, 2019-07-03 This book explores different forms of mediated offence in the context of Trump's America, Brexit Britain, and the rise of far-right movements across the globe. In this political landscape, the so-called 'right to offend' is often seen as a legitimate weapon against a 'political correctness gone mad' that stifles 'free speech'. Against the backdrop of these current developments, this book aims to generate a productive dialogue among scholars working in a variety of intellectual disciplines, geographical locations and methodological traditions. The contributors share a concern about the complex and ambiguous nature of offence as well as about the different ways in which this so-called 'negative affect' comes to matter in our everyday and socio-political lives. Through a series of instructive case studies of recent media provocations, the authors illustrate how being offended is more than an individual feeling and is, instead, closely tied to political structures and power relations.

Real-World Bug Hunting Peter Yaworski, 2019-07-09 Learn how people break websites and how you can, too. Real-World Bug Hunting is the premier field guide to finding software bugs. Whether you're a cyber-security beginner who wants to make the internet safer or a seasoned developer who wants to write secure code, ethical hacker Peter Yaworski will show you how it's done. You'll learn about the most common types of bugs like cross-site scripting, insecure direct object references, and server-side request forgery. Using real-life case studies of rewarded vulnerabilities from applications like Twitter, Facebook, Google, and Uber, you'll see how hackers manage to invoke race conditions while transferring money, use URL parameter to cause users to like unintended tweets, and more. Each chapter introduces a vulnerability type accompanied by a series of actual reported bug bounties. The book's collection of tales from the field will teach you how attackers trick users into giving away their sensitive information and how sites may reveal their vulnerabilities to savvy users. You'll even learn how you could turn your challenging new hobby into a successful career. You'll learn: How the internet works and basic web hacking concepts How attackers compromise websites How to identify functionality commonly associated with vulnerabilities How to find bug bounty programs and submit effective vulnerability reports Real-World Bug Hunting is a fascinating soup-to-nuts primer on web security vulnerabilities, filled with stories from the trenches and practical wisdom. With your new understanding of site security and weaknesses, you can help make the web a safer place--and profit while you're at it.

Aidan Ginny, Porn at Pornhub Ronald Russell, Alex Medvedev, 2016-10-04 Biography of Aidan Ginny, currently porn at pornhub.

Reclaiming Sexual Wholeness Todd Bowman, 2022-10-11 A Comprehensive Christian Resource for Treating Sexual Addiction and Problematic Sexual Behavior An estimated three to five percent of the U.S. population meet the criteria for sexual addiction, and many more engage in problematic sexual behavior or have been harmed by it. The statistics are startling: 77% of Christian men between 18 and 30 watch pornography monthly 35% of Christian men have had an extramarital affair 1 in 6 boys and 1 in 4 girls have been sexually abused Americans spend \$13 billion a year on pornography, the regular viewing of which is linked to higher acceptance of violence against women and adversarial sexual beliefs. Therapists and pastors are not always adequately equipped to address the unique demands of competent care for those struggling with sexually addictive behaviors. *Reclaiming Sexual Wholeness*, edited by Todd Bowman, presents cutting-edge research from a diverse group of experts in a single, comprehensive resource intended for therapists, clergy, and others in helping professions. Contributors include Forest Benedict, Bill Bercaw, Ginger Bercaw, Todd Bowman, Marnie Ferree, Floyd Godfrey, Joshua Grubbs, Josh Hook, Fr. Sean Kilcawley, Debbie Laaser, Mark Laaser, Kevin Skinner, Bill Struthers, and Curt Thompson *Reclaiming Sexual Wholeness* moves beyond rote cognitive-behavioral approaches and treating sexual addictions solely as lust, adopting a biopsychosocial perspective that incorporates insights from attachment theory and interpersonal neurobiology. The result is a thoroughly faith-integrated, up-to-date resource useful for the classroom, ongoing professional studies, and as a counseling resource.

Pornography and Public Health Emily F. Rothman, 2021 Pornography is being indicted as a public health crisis in the U.S. and elsewhere, but the professional public health community is not behind the recent push to address pornography as a public health threat. While pornography may not be contributing directly to mortality or acute morbidity for a substantial percentage of people, it may be influencing other public health problems such as sexual violence, dating abuse, compulsive behaviour, and sexually transmitted infections. However, the evidence to support pornography as a causal factor is mixed and there are numerous other factors that have more strongly established associations with these outcomes of interest. Throughout history repressive forces have inflated the charges against sexually explicit material in order to advance a morality-based agenda. Nevertheless, a public health approach and tried public health practices, such as harm reduction and coalition-building, will be instrumental to addressing the emergence mainstream, internet pornography--

Violence against Women in Pornography Walter DeKeseredy, Marilyn Corsianos, 2015-11-19 Violence against Women in Pornography illuminates the ways in which adult pornography hurts many women, both on and off screen. A growing body of social scientific knowledge shows that it is strongly associated with various types of violence against women in intimate relationships. Many women who try to leave abusive and/or patriarchal men also report that pornography plays a role in the abuse inflicted on them by their ex-partners. On top of these harms, male pornography consumption is strongly correlated with attitudes supporting violence against women. Many researchers, practitioners, and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim. *Violence against Women in Pornography*, unlike books written mainly for scholarly and general audiences, specifically targets students enrolled in undergraduate criminology, deviance, women's studies, masculinities studies, human sexuality, and media studies courses. Thoughtful discussion questions are placed at the end of each chapter, and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding. The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media, including that from the dark side of the Internet.

NSFW Susanna Paasonen,Kylie Jarrett,Ben Light,2024-02-06 An exploration of how and why social media content is tagged as “not safe for work” and an argument against conflating sexual content with risk. The hashtag #NSFW (not safe for work) acts as both a warning and an invitation. NSFW tells users, “We dare you to click on this link! And by the way, don't do it until after work!” Unlike the specificity of movie and television advisories (“suggestive dialogue,” “sexual content”), NSFW signals, nonspecifically, sexually explicit content that ranges from nude selfies to pornography. NSFW looks at how and why social media content is tagged “not safe” and shows how this serves to conflate sexual content and risk. The authors argue that the notion of “unsafety” extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general. The authors examine NSFW practices of tagging and flagging on a range of social media platforms; online pornography and its dependence on technology; user-generated NSFW content—in particular, the dick pic and associated issues of consent, desire, agency, and social power; the deployment of risqué humor in the workplace; and sexist and misogynist online harassment that functions as an enforcer of inequalities. They argue against the categorical effacement of sexual content by means of an all-purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent.

The Silencing of the Lambs Michael L. Brown,2022 Conservative Christians in the United States today are feeling the fire thrown at them by liberal influencers who are pressuring Americans to pick up a left-wing agenda and abandon biblical values. Now is not the time for the church to stay quiet on the issues that will determine America's future. This is the moment for the church to reject the left's muzzle and turn the tide for this nation--Dust jacket flap.

The Emerald International Handbook of Technology-Facilitated Violence and Abuse Jane Bailey,Asher Flynn,Nicola Henry,2021-06-04 The ebook edition of this title is Open Access and freely available to read online This handbook features theoretical, empirical, policy and legal analysis of technology facilitated violence and abuse (TFVA) from over 40 multidisciplinary scholars, practitioners, advocates, survivors and technologists from 17 countries
