The Pot of Gold Mary Eleanor Wilkins Freeman,1892

The Pot of Gold, and Other Stories Mary Eleanor Wilkins Freeman,2019-11-20 The Pot of Gold and Other Stories is a collection of children's stories set in the villages of New England. It contains fascinating stories about a young girl's ambitious journey that leads her to find the real treasure, a farm girl's sacrifice for her father that ends in a reward, a missing Princess bringing back together two dueling Kingdoms, and many more. American author Mary Eleanor Wilkins Freeman commented on New England village life and the post-Civil war woman through these child-friendly tales.

The Pot of Gold Mary E. Wilkins,2017-10-11 Excerpt from The Pot of Gold: And Other Stories The Flower family lived in a little house in a broad grassy meadow, which Sloped a few rods from their front door down to a gentle, silvery river. Right across the river rose a lovely dark green mountain, and when there was a rainbow, as there frequently was, nothing could have looked more enchanting than it did rising from the opposite bank of the stream with the wet, shadowy mountain for a background. All the Flower family would invariably run to their front windows and their door to see it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Leprechauns Big Pot Of Gold Patricia Eubank,2012-01-01 A shamrock-shaped board book by the author and illustrator of ABCs of Halloween, just in time for Saint Patrick's Day. What good is a pot of gold if you can't remember where you buried it? That is the precise question on the mind of this frustrated little leprechaun, whose mood could not be more glum as a result. He follows rainbows in vain each afternoon and fiddles sad songs alone in his cottage at night. But in the midst of his frantic searches for his pot of gold, he happens upon a big, fluffy dog he names Goldie and then a beautiful

cat, Rainbow. What he discovers along the way is something much more precious than gold -- true friendship, what he has really been searching for all along. This sweet tale of friendship and luck is illustrated with the detailed, lush paintings of Patricia Reeder Eubank. Ages 2-5.
