Textastrophe: A Collection of Hilariously Catastrophic Text Pranks Matt Andrews,2015-02-17 Once upon a time, prank phone calls were the best way to procrastinate, but in 2015, they're so passé. Instead, Matt Andrews has mastered the art of prank texting. What happens when you offer to barter two sub-sandwiches for a used motorcycle? Who do you call when you want to build a mysterious man cave in your basement? What do you do if you need a knight in shining armor to deliver you to your high school reunion? If you've ever left a contact me pull-tab at your local grocery or posted an ad on Craigslist and received insane and unbelievable text messages in response, Andrews is very likely to blame. We'd be mad at him if we could stop laughing long enough to hit send on the exceptionally witty come back we thought of...too bad he's already moved on to his next target and deleted us from his phone, now only to be remembered in these pages of his laugh-out-loud funny book.

Textastrophe Matt Andrews,2014 Prank text messaging. You knew it was going to happen someday. It was inevitable, almost destined. From corkboards at your local supermarket to Craigslist, people confidently post their phone numbers everywhere in the hope it will lead to more business. Textastrophe explores the relationships one can have with these uninhibited strangers: frustrated, good-humoured, and everything in between, the conversations posted on the site are always hysterical.

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated.1855 Excerpt: ... Mr. Vernon's demeanor after the engagement was annulled To disregard this advice will often entail upon you a long-continued series of inconveniences, embarrassments, and vexations, and will make both yourself, and the person whom you are quarreling with, the means of constant annoyance to your acquaintances and friends. CHAPTER VI. CONCLUSION. The breaking of Emma's engagement with Mr. Edward Vernon was the third of the misfortunes befalling her that was to be related in this volume; and as the object which I proposed to myself in this story was only to give an account of these misfortunes, the narrative might properly end here. As, however, some of the readers of this book may feel a curiosity to know what ultimately became of her, and also to hear something more respecting Caroline and Mr. Vernon, I will add this concluding chapter, to give them such additional information in respect to what happened to them, as the few remaining pages of the book will contain. For a month or two after the engagement was ended, Edward, or Mr. Vernon, as he perhaps ought now to be called--since that was really his name--confined himself very closely to his office and to his studies. He went very little into company, and made very few visits of any kind. He did not absolutely decline all the invitations that he received, though he excused himself from many of them; and when he did go to any little party or other gathering of the young people for social enjoyment, he seemed to take He begins to become much interested in Caroline. but little interest in it. He used to arrive late, and he would often slip away early, before the party broke up, thus showing that his thoughts and heart were in another place. This other place was, in fact, his office. The Raw Shark Texts Steven Hall,2008-04-08 This genre-bending national bestseller is “a horror-dystopic-philosophical mash-up, drawing comparisons to Borges, The Matrix and Jaws” (The New York Times Magazine). Eric Sanderson wakes up in a house he doesn’t recognize, unable to remember anything of his life. A note instructs him to call a Dr. Randle, who informs him that he is undergoing yet another episode of memory loss, and that for the last two years—since the tragic death of his great love, Clio, while vacationing in Greece—he’s been suffering from an acute dissociative disorder. But there may be more to the story, or it may be a different

story altogether. With the help of allies found on the fringes of society, Eric embarks on an edge-of-your-seat journey to uncover the truth about himself and escape the predatory forces that threaten to consume him. Moving with the pace and momentum of a superb thriller, exploring ideas about language and information, as well as identity, this is ultimately a novel about the magnitude of love and the devastating effect of losing that love. “Paced like a thriller, it reads like a deluge . . . Herman Melville meets Michael Crichton, or Thomas Pynchon meets Douglas Adams.” —San Francisco Chronicle “Rousingly inventive.” —The Washington Post “Unforgettable fiction.” —Playboy “A thriller that will haunt you.” —GQ “Sharp and clear . . . Writing on the edge of the form.” —Los Angeles Times “Huge fun, and I gleefully recommend it.” —Audrey Niffenegger, international-best-selling author of *The Time Traveler’s Wife* “Fast, sexy, intriguing, intelligent.” —Toby Litt

Marotti, 1997-12-13 This is a wide-ranging, closely-researched collection, written by scholars from both sides of the Atlantic, on the cultural placement and transmission of texts between 1520 and 1750. Material and historical conditions of texts are analysed, and the range of works is wide, including plays and the *Lucrece* of Shakespeare (with adaptations, and a discussion of 'reading' playtexts), Sidney's *Arcadia*, Greene's popular *Pandosto* (both discussed in the contexts of changing readerships and forms of fiction), Hakluyt's travel books, funerary verse, and the writings of Katherine Parr and Elizabethan Catholic martyrs.
