

Preacher Stone

D. P. Curran

The Preacher Stone D. P. Curran, 2018-02-28 Levi Stone was born in Madison, Georgia in the year of Our Lord, 1836. The only child of Joshua and Ruth Stone. Levi Stone was a preacher's son. After his 'Awakening' at the age of seventeen, Levi went out into God's wilderness to eradicate evil be it demon, spirit or lesser men. Known by one name, 'THE PREACHER STONE'. His legend lives on in stories recounted over years from memory. A dozen of these such stories are documented in various forms. One account was found intact, written in the journals of an educated Negro free man, Ezekiel Lansford, who was kidnapped from Boston and sold into slavery in Savannah, Georgia before working a plantation in Juliet, Georgia. At the closing of The Monroe County Clerk's Office in 1968, 'Ezekiel's Journals' were discovered. Many a pair of hands did the journals pass through until given the chance myself. Not one to shy away from the truth, I've done my best to give these journals and all subsequent written stories their just due in this first volume of 'THE PREACHER STONE' story. No quarter given.

Pastor Jack's Real Life and Conflicts Jack Stone, 2003-11-21 The story of a man with his wife and family who came out of Appalachia. An ex-Marine who accepted the challenge of making a living for his family while answering God's eternal call on his life. A simple man who overcame the odds, finished college, bought a house, worked two or more jobs and maintained his sense of humor. This book is his story. Jack Stone tells his life story with amazing recall and detail that is entertaining, educational, and inspiring. After each chapter you want to read the next. He gives great insight into Appalachian, military, academic, religious, and political subcultures. He has written with frankness, an innocent kind of honesty. His story is enriched by the colorful descriptions of the people he has known. There is humor, conflict, crises, and even mystical experience in Jack's life. He tells how he received, resisted, and yet answered the call to preach. He describes the evolution of his theological and Biblical understanding. He reveals how God blessed his ministry.

Five Ministry Killers and How to Defeat Them Charles Stone, 2010-05-01 Before pastors reach burnout and leave the ministry, they experience frustration and disappointment in ministry. Charles Stone, a veteran pastor, helps his fellow pastors understand and meet the challenges, regaining hope and energy to continue in their calling. Based on new information from The Barna Group and additional research, Stone shows readers what pastors are saying about ministry and how to overcome the obstacles, rebuild community within the congregation, and persevere with joy.

Raccoon John Smith John Sparks, 2005-12-23 Lexington, Kentucky, has the honor of being the birthplace of one of the first genuinely homegrown American Christian faiths: the Disciples of Christ. Established in 1832 by the union of two Christian groups led by Alexander Campbell and Barton W. Stone, their descendent churches are now referred to by religious scholars as the Stone-Campbell movement. In the state's best tradition, this historic movement soon acquired its own larger-than-life legend: Raccoon John Smith, the flamboyant frontier preacher of the southern Kentucky mountains. Smith moved to the lowland Bluegrass and braved considerable odds to preach and establish the self-described "pure, nondenominational" Christianity of Stone and Campbell throughout the state and beyond. The 1832 union of Stone and Campbell's churches was in fact formalized not by Stone and Campbell, but by Stone together with Smith, who represented Campbell's constituency in Kentucky. Raccoon John Smith occupies a well-deserved place both in Kentucky and Stone-Campbell history. All previous biographical studies have been colored by the religious faith he embraced and the legends that evolved around him, however, rather than giving an accurate account of Smith's life. In Raccoon John Smith, Elder John Sparks fills this void in the literature about Smith, using historical sources to present a faithful portrait of a seminal frontier preacher and colorful figure in early Kentucky history.

Westerns and American Culture, 1930-1955 R. Philip Loy, 2001-07-11 Many people have fond memories of Friday nights and Saturday afternoons spent in theatres watching cowboy stars of the 1930s, 1940s, and 1950s chase villains across the silver screen or help a heroine out of harm's way. Over 2,600 Westerns were produced between 1930 and 1955 and they became a defining part of American culture. This work focuses on the idea that Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior, and thus examines the ways in which Western movies reflected American life and culture during this quarter century. Chapters discuss such topics as the ways that Westerns included current events in film plot and dialogue, reinforced the role of Christianity in American culture, reflected the emergence of a strong central government, and mirrored attitudes toward private enterprise. Also covered is how Westerns represented racial minorities, women, and Indians.
