Francis Lützow (hrabě)

Prague in Danger Peter Demetz,2009-04-14 A dramatic account of life in Czechoslovakia's great capital during the Nazi Protectorate With this successor book to *Prague in Black and Gold*, his account of more than a thousand years of Central European history, the great scholar Peter Demetz focuses on just six short years—a tormented, tragic, and unforgettable time. He was living in Prague then—a first-degree half-Jew, according to the Nazis' terrible categories—and here he joins his objective chronicle of the city under German occupation with his personal memories of that period: from the bitter morning of March 15, 1939, when Hitler arrived from Berlin to set his seal on the Nazi takeover of the Czechoslovak government, until the liberation of Bohemia in April 1945, after long seasons of unimaginable suffering and pain. Demetz expertly interweaves a superb account of the German authorities' diplomatic, financial, and military machinations with a brilliant description of Prague's evolving resistance and underground opposition. Along with his private experiences, he offers the heretofore untold history of an effervescent, unstoppable Prague whose urbane heart went on beating despite the deportations, murders, cruelties, and violence: a Prague that kept its German- and Czech-language theaters open, its fabled film studios functioning, its young people in school and at work, and its newspapers on press. This complex, continually surprising book is filled with rare human detail and warmth, the gripping story of a great city meeting the dual challenge of occupation and of war.

Prague Susie Lunt,1997 Prague, the ancient capital of Bohemia is a city steeped in history. In the fourteenth century, under Charles IV, it became one of the most splendid capitals of Europe and its beautiful architecture has survived intact. Since the Velvet Revolution of 1989 the inhabitants of Prague have enjoyed many new freedoms and today this vibrant city attracts over 60 million visitors each year. All aspects of Prague's history and culture are covered in this annotated bibliography.

Prague Richard Burton,Richard D. E. Burton,2003 A treasure house of Gothic, baroque and modernist architecture, Prague is also a city of icons and symbols: statues, saints and signs reveal a turbulent history of religious and cultural conflict. As Kafka's nightmare city and home of the Good Soldier Svejk, the Czech capital also produced two of the twentieth century's emblematic writers. Richard Burton explores this metropolis of theatrical allusion, in which politics and drama have always been intertwined. His interpretation of the city's cultural past and present encompasses opera and rock music, puppetry and cinema, surrealism and socialist realism.

Prague Derek Sayer,2018-10-15 Thirty years ago, Prague was a closed book to most travelers. Today, it is Europe's fifth-most-visited city, surpassed only by London, Paris, Istanbul, and Rome. With a stunning natural setting on the Vltava river and featuring a spectacular architectural potpourri of everything from Romanesque rotundas to gothic towers, Renaissance palaces, Baroque churches, art nouveau cafés, and cubist apartment buildings, Prague may well be Europe's most beautiful capital city. But behind this beauty lies a turbulent and often violent history, and in this book, Derek Sayer explores both. Located at the uneasy center of the continent, Prague has been a crossroads of cultures for more than a millennium. From the religious wars of the middle ages and the nationalist struggles of the nineteenth century to the modern conflicts of fascism, communism, and democracy, Prague's history is the history of the forces that have shaped Europe. Sayer also goes beyond the complexities of Prague's colorful past: his expert, very readable, and exquisitely illustrated guide helps us to see what Prague is today. He not only provides listings of what to see, hear, and do and where to eat, drink, and shop, but also offers deep personal reflection on the sides of Prague tourists seldom see, from a model interwar modernist villa colony to Europe's biggest Vietnamese market.

Prague Chad Bryant,2021-05-04 A poignant reflection on alienation and belonging, told through the lives of five remarkable people who struggled against nationalism and intolerance in one of Europe's most stunning cities. What does it mean to belong somewhere? For many of Prague's inhabitants, belonging has been linked to the nation, embodied in the capital city. Grandiose medieval buildings and monuments to national heroes boast of a glorious, shared history. Past governments, democratic and Communist, layered the city with architecture that melded politics and nationhood. Not all inhabitants, however, felt included in these efforts to nurture national belonging. Socialists, dissidents, Jews, Germans, and Vietnamese have all been subject to hatred and political persecution in the city they called home. Chad Bryant tells the stories of five marginalized individuals who, over the last two centuries, forged their own notions of belonging in one of Europe's great cities. An aspiring guidebook writer, a German-speaking newspaperman, a Bolshevik carpenter, an actress of mixed heritage who came of age during the Communist terror, and a Czech-speaking Vietnamese blogger: none of them is famous, but their lives are revealing. They speak to tensions between exclusionary nationalism and on-the-ground diversity. In their struggles against alienation and dislocation, they forged alternative communities in cafes, workplaces, and online. While strolling park paths, joining political marches, or writing about their lives, these outsiders came to embody a city that, on its surface, was built for others. A powerful and creative meditation on place and nation, the individual and community, Prague envisions how cohesion and difference might coexist as it acknowledges a need common to all.

The Lights of Prague Nicole Jarvis,2021-05-18 For readers of VE Schwab and The Witcher, science and magic clash in atmospheric gaslight-era Prague. In the quiet streets of Prague all manner of otherworldly creatures lurk in the shadows. Unbeknownst to its citizens, their only hope against the tide of predators are the dauntless lamplighters - a secret elite of monster hunters whose light staves off the darkness each night. Domek Myska leads a life teeming with fraught encounters with the worst kind of evil: pijavica, bloodthirsty and soulless vampiric creatures. Despite this, Domek finds solace in his moments spent in the company of his friend, the clever and beautiful Lady Ora Fischer - a widow with secrets of her own. When Domek finds himself stalked by the spirit of the White Lady - a ghost who haunts the baroque halls of Prague castle - he stumbles across the sentient essence of a will-o'-the-wisp captured in a mysterious container. Now, as its bearer, Domek wields its power, but the wisp, known for leading travellers to their deaths, will not be so easily controlled. After discovering a conspiracy amongst the pijavice that could see them unleash terror on the daylight world, Domek finds himself in a race against those who aim to twist alchemical science for their own dangerous gain.

Reflections of Prague Ivan Margolius,2012-08-06 Reflections of Prague is the story of how a Czech Jewish family become embroiled in the most tragic and tumultuous episodes of the twentieth century. Through their eyes we see the history of their beloved Prague, a unique European city, and the wider, political forces that tear their lives apart. Their moving story traces the major events, turmoil, oppression and triumphs of Europe through the last hundred years - from the Austro-Hungarian Empire to the First World War; from the vibrant artistic and intellectual life of Prague in the times of Kafka, the Capek Brothers and Masaryk to years of hunger in a Polish ghetto and the concentration camps of Hitler; from the tyrannous rule of Stalin to the rekindled hopes of Dubcek and the subsequent Soviet occupation to liberation under Havel. Told from Ivan's perspective, it is a poignant but uplifting tale that tells of life lived with purpose and conviction, in the face of personal suffering and sacrifice. 'A remarkable book. This archetypical story of the twentieth century is intertwined with an almost stream-of-consciousness narrative of the history of the Czechs, of Prague, interspersed with samples of exquisite poetry by great contemporary poets. So the narrative flows like Eliot's sweet Thames full of the debris of tragic lives, of horrors, of moments of beauty and testimonies of love - all against the backdrop of man's inhumanity.' Josef Škvorecký 'A poignant and vivid memoir of a child searching for traces of his father, lost in the murky ideologies of post war Central Europe. An engrossing book.' Sir John Tusa
