The trends and challenges in international development are seen through the lens of an NGO peak body: from the heady optimism of the first Development Decade of the 1960s, through the growth in government support of NGOs in the 1980s, to the challenges of the 2010s. The major themes of ACFID are presented: human rights; gender justice; humanitarianism; NGO codes of conduct; and influencing government policy both broadly and as it relates to NGOs.
