The Lightroom Mobile Book Scott Kelby,2016-09-09 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Scott Kelby, the #1 best-selling Lightroom book author, brings you everything you need to know about Lightroom Mobile in his newest book. Lightroom Mobile, which is kind of like an extension of the regular desktop version of Lightroom, allows users to use Lightroom on their iPads, iPhones, and Android devices. This is really handy because it lets you do a lot of the main things you use the desktop version for, but with Lightroom Mobile, you can easily do them on your mobile device. Plus, it's "free," and that's a hard price to beat. The Lightroom Mobile Book, first shows you how to get up and running quickly. Then, comes the fun stuff, like telling Lightroom on your computer which collections you want access to over in Lightroom Mobile. Plus, you'll learn how to manage your collections, add Pick flags and star ratings, move images, play slide shows, and a bunch of other

important stuff you'll want to know right up front. Then, you'll learn how to edit your images in Lightroom Mobile, using the same Basic panel features found in the desktop version of Lightroom—it's the same sliders that do the same thing, and it's even in the same order. You'll also learn how to easily crop images, as well as use the in-app camera. You'll learn step by step how to set up Lightroom on your desktop and mobile device, so that during a shoot, you can hand your client your tablet and not only can they see the images coming in live as you shoot, they can make their own Picks, comments, and even share the link with someone at a different location, so they can be part of the shoot, and the approval process, too! There are lots of other handy features you'll want to know about, and Scott tells you exactly how to use them just like he was sitting there beside you, using the same casual style as if he were telling a friend. In The Lightroom Mobile Book, Scott brings the whole process together in a clear, concise, and visual way. There is no faster, more straight-to-the-point, or more fun way to learn Lightroom Mobile than with this groundbreaking book.

Bonus! Most Lightroom books are out-of-date within a couple of months, as Adobe regularly adds new features. Adobe Photoshop Lightroom - Edit Like a Pro is different - the eBooks are updated every time Adobe updates the software, so you can always have the latest information! See below for terms and details. The Lightroom ecosystem is Adobe's cloud-based photography service that gives you everything you need to create, edit, organize, store and share your photos across any device. While the interface initially looks simple, there's a lot of power under the hood with industry-standard editing tools and AI-based organization. But as a lot of this power is hidden, how can you get the best out of it, and how do you edit your photos like a professional? In Adobe Photoshop Lightroom - Edit Like a Pro, we walk you through a full Lightroom cloud-based workflow, using Lightroom desktop, Lightroom mobile and Lightroom web. You'll learn: How to import and organize your photos and take full advantage of the AI-based search tools in Lightroom. How to analyze a photo from a technical and an artistic point of view, just like a professional, so you know exactly what you need to change to make your photos look stunning. How each of Lightroom's editing sliders and tools work behind the scenes,

when you'd use each slider, and how they interact with each other, so you can pick the right tool for the job. WHY to do things, instead of just following recipes or downloading presets. How to easily share your photos with friends, family or clients using Lightroom's integrated web gallery. To make it easy to read, the book... Is written in simple concise english that's easy to understand, even if you're new to photography. Is filled with annotated screenshots and diagrams so it's quick to pick up information. Includes step-by-step image transformations based on real-world amateur photos captured in imperfect light. Saves you time searching the web for information that turns out to be written for the traditional Lightroom Classic instead of your version. Adobe Photoshop Lightroom - Edit Like a Pro shows you how to make the best use of the whole Lightroom cloud ecosystem, whether you're using the Windows, Mac, iOS, Android or Web apps.
