❏ **#1 DEATH PLAZA** RAY RODDY,2001-01-20 It is a well known fact that Iraq holds not only crude nuclear devices, but also stocks upon stocks of venemous poisons and gases that once let out of their environment would kill millions of people. Saddam has the weapons and now the means to deploy them. The strange Irish hitman with no conscience and millions of dollars to perform the deed - kill three presidents and as many innocent Americans by using Sarin X Gas. On the wild ride to a stunning ending, there is stomach turning violence and steamy sex of two somes and three somes. The plot is thickened by the use of the U.N. building and the murder of all inside and planned attacks upon the White House and former President George Bush along with his son, the new President elect. Only one man can stop him and the C.I.A. looks the other way. It can happen and one day maybe will - God help us if it does!

❏ **LOVE AND OTHER COSMIC NONSENSE** A. D. MARROW,2014-03-24 Love and Other Cosmic Nonsense by A. D. Marrow Breaking it off with her long-time non-magical boyfriend, Evan, was for his own good. At least that’s what Maggie Owen tells herself. After all, a witch and a human can have no future together. Her vision told her so. But now it seems the universe is exacting revenge for upsetting the balance of what should be and her heart is telling her she was wrong. Evan Jackson can’t believe his bad luck. It’s been a year since Maggie broke his heart, and now his business partner has hired her as their new receptionist. Fine, they need the help. But no way will he let her get close again. He can’t take another heartbreak from the woman he still dreams about, even if it feels like there’s still a magical pull between them. Being in the same building with Evan is a start, but it’s going to take more than Maggie’s special talents and a wink to get the hard-hearted bad-boy to see that love is really more than just cosmic nonsense and set the universe back into balance.
