The Meaning of Puja Shri Mataji Nirmala Devi, 2014-08-01 I would like to tell you about the meaning of puja. You have got your own Deities within yourself. These Deities are to be awakened. This magazine also includes the related topics of what it means to be seaworthy, Shiva Tattwa, how to accept the present, seven essential talks, and All that We are Promised, where she says, You had ups and downs. WORSHIP Essentials For Puja Meera Sashital, 2013-09-04 If anyone offers me with devotion a leaf, a flower, a fruit, and water, I receive that, offered in devotion by the persons whose soul is disciplined. Lord Krishna in the Bhagavad Gita. The various religions of world have different rituals and objects used in worship. Offerings to the Divine vary according to region, tradition or availability. But only one stream of thought runs through them all like a pure, flowing river. The predominant idea behind all offerings and prayers and puja (rituals of worship), is the surrender of oneself to the All Powerful, Absolute and Almighty and to seek His blessings, protection and forgiveness in our passage through life. Many of our traditions and rituals of worship have been lost over time- victims to the drift of cultures. Today, amidst the rush of modern living, our ways of the worship have become practice-by-rote, without the individual understanding the actual meaning of either the object used or the ritual and ultimately, the form of worship itself. With the loss of this rich legacy of deeper meaning, puja is bereft of that special communion with God, which all humans desire. This accessible and beautifully presented book, re-acquaints us with the meaning and purpose behind the objects we use in our puja, whether at home or in the temple. It gently informs and adds meaning and value to that most private of all human practices-worship.

Hindu Puja Book Radha Goday Ch, 2017-03-07 Devotion towards God in any form is the key concept to human beings. Some people are devotional by nature. The modern generation has very low inclination towards God and Prayers to the God. God is present everywhere and we can feel the presence of God once we truly call him with our whole heartedness. Prayers in praise of God gives us immense peace of mind and we can achieve miracles through continuous recital of his name. This book is extremely useful for Hindu students and also equally helpful for all age groups of the devotees all over the world. GOD BLESS YOU.

Ritual Worship of the Great Goddess Hillary Rodrigues, 2012-02-01 During a nine-day period every autumn, Hindus in India and throughout the world worship the Great Goddess, Durgā--the formidable deity who is loved like a mother. One of the most dramatic and popular of these celebrations is the Durgā Pūjā, a rite noted for its visual pageantry, ritual complexity, and communal participation. In this book, Hillary Peter Rodrigues describes the Bengali style of Durgā Pūjā practiced in the sacred city of Banaras from beginning to end. A romanization of the Sanskrit litany is included along with an English translation. In addition to the liturgical description, Rodrigues provides information on the rite's component elements and mythic aspects. There are interpretive sections on puja, the Great Goddess, women's roles in the ritual, and the socio-cultural functions of the ritual. Rodrigues maintains that the Durgā Pūjā is a rite of cosmic rejuvenation, of empowerment at both the personal and social levels, and a rite that orchestrates manifestations of the feminine, both Divine and human.

The Significance of Puja Devdutt Pattanaik, 2018-09-10 Puja' is the literal act of worship. With the evolution of Puja during the Vedic age, there came about a slightly different approach to the divine. While men and women still worshipped as a coping mechanism— to realize desires or change destiny—a more personal relationship between humans and their gods was developing. However, the more personal a relationship, the more dynamic the puja is. How then does an entire sect follow a particular style of workshop? How does one pick which god to worship? In The Significance of Puja, Devdutt Pattanaik explores these questions among others. Read on.
